After 20 years, Jerry Cowgill is stepping down as Troy High School's golf coach. Stepping up to coach the girls golf team is Allen Ullibari. Allen has been involved in the Troy Golf program and youth golf in Southern California for multiple years. We are excited about Allen leading our girls golf team for many years.

Jerry Cowgill, and the girls golf team, were recognized at this week's FJUHSD board meeting. The Lady Warriors won their 8th straight Freeway League title while also earning a 2nd place finish in the So. California Championships, a 3rd place finish in the CIF-SS Championships and a 4th place finish in the California State Championships. Great Job Warriors!

It's a great day to be a WARRIOR!
