

TROY WARRIORS

Athletics Newsletter

September 2021

The 2021-2022 Troy High School athletic season has officially begun. Although we are still under COVID protocols, athletes are competing, coaches are coaching, and fans are returning to watch and support the mighty Troy Warriors. Below you will find results from this past week's competitions, future contests and more. Thank you to all Troy stakeholders for your continued support of Troy High School Athletics.

The Troy football team is 2-0 after a 40-0 win last week over the Anaheim Colonists. This week, the Warriors look to extend their winning streak when they take on the Vaqueros from Irvine High School. It's a home game for the Warriors. Come out and support the team. Game time is at 7pm.

Boys Water Polo, Girls Golf, Girls Volleyball and Girls Tennis are all off to fast starts. The girls volleyball team (7-1) beat Anaheim on Tuesday in 3 games. The boys water polo team (2-1) beat Glendora 16-2 earlier this week. Our CIF Champion girls golf team beat Diamond Bar by 3 strokes yesterday and are now 2-0. Girls tennis (1-0) beat Bolsa Grande on Tuesday. Not to be out done, our lower level squads are a combined 19-6 to begin the year. What a great start to the Fall Season!
