A Message from the Athletic Director

Welcome Troy family to the 2019-2020 school year. My name is Chris Blume and I am proud to be serving as the new athletic director at Troy High School. The mission of Troy High School athletics goes beyond just winning. Our mission is to develop a well-rounded individual who demonstrates such characteristics as preparation, cooperation, respect, leadership, and sacrifice. For over 50 years, the athletes from Troy High School have come to symbolize excellence both in the classroom and in athletic competition. My desire is to keep all stakeholders of Troy High School informed of our student-athletes' great accomplishments. Thank you for your continued support of Troy High School.

New Warrior Coaches!

We are proud to welcome four new coaches to the Troy Warrior family. Terry Lendeen, who currently serves as an instructional aide at Troy, has been hired to coach our newly formed boys volleyball team. Our campus supervisor and varsity football assistant coach Mike Takkinen will serve as our new softball coach. Moreover, with multiple years as the freshman baseball and football coach, Jason Jamison takes over as our new varsity baseball coach. Finally, Social Science teacher extraordinaire, Dave Bainter, will serve as Troy High School's new boys golf coach. We are excited to bring each of these coaches on board and we are confident that they will bring success to Troy Athletics for many years to come.
