

Sonora High School - Raider Report

February 17, 2020

Lady Raiders, City Champs!

Congratulations to our amazing Sonora Girls Varsity Basketball Team for securing a CIF Playoff Position and earning the "City Championship" this past week with an amazing win on the road. Our girls played a great game and were cheered on by our amazing student section "The Jungle" all night. Congrats to Coach Barajas and our girls on another great Freeway League Season and for their amazing efforts in the CIF playoffs!

Scholarship Season at Sonora

Attention all Seniors...now is the time for applications to the many scholarship opportunities that are available. This group of Sonora Scholars are seeking the La Habra Rotary, George Rochester Scholarship of \$3,000 for students seeking a Humanities or related course of study. Applications are still available for this scholarship...please see Dr. Bailey. Please see Mrs. Moreno in the College and Career Center for information on all scholarship opportunities.

College Tours

This past week many of our Juniors went on a quick Southern California College trip to see what local Community Colleges and Universities have to offer our Raiders! The best part of these visits was running into former Raiders who are current college students and getting a behind the scenes tour with the Class of 2019 Grads! Thanks to Mr. Ngyuen and Ms. Moreno for chaperoning the trip!

[Sonora Dance, Drill Starts the Season with Big Wins!](#)

Congrats to our amazing Dance/Drill Team for their success at the El Dorado Competition this month! They placed FIRST in Small Military and Small Dance/Drill, 3rd in Character, and 4th in Jazz! Our amazing Lady Raiders work so hard all year long to make their routines stellar! They are heading into the Competition Season with a number of top notch routines. We are so proud of Coach Shetland and the dedication of this team! Way to go ladies!

[Fabulous Freshmen!](#)

This past week we honored the academic achievement of the Class of 2023 with our annual Freshmen Lunch and Awards Program. Each year this group gets larger and larger, so much so that we couldn't fit all the awardees and their parents in the Theater seating, so we had to put our students on the stage! This is a great problem to have and we appreciate and extol the work of the Class of 2023, their parents and our staff for these amazing achievers! Keep up the great work Class of 2023!

Bon Jour from Paris...Night that is!

Another Sonora Tradition took place this past week...Paris Night. This is a night where you can stroll down the Champs-Elysees, visit the Eiffel Tower and the Louvre all from the comforts of Sonora High School! Madame McClung and her students, once again, did an amazing job organizing tours and showcasing French art for this event! Merci!

Raider Wrestlers Master the Competition

This past weekend our Raiders competed in the CIF Individuals at Brea and El Toro. We took over 20 wrestlers to these events and we had 4 athletes make it to the Master's Meet next weekend. Congrats to Andrew, Richy, Rebecca and Trinity for advancing to the next round of competition! Thanks to Coach Dave Carrizosa for another great year! Both our Boys and Girls Teams won Freeway League Titles this year!

[Congrats to our Boys Varsity Basketball Team](#)

We are so proud of our Boys Varsity Basketball Team for another great season. Our team won another Freeway League Title with an undefeated season and had a great win in the first round of the CIF Championships. We played a thrilling game this past Friday, with a last second shot by Daniel Esparza to send the game to overtime, but we came up a bit short in the last period to end the season. Very proud of all our athletes and Coaching Staff for another great year. Thank you to Coach Murphy, Coach Stein and Coach Boothroyd for their support and teaching all year!
