

Sonora High School - Best of the Raider Report

March 29, 2020

ASB Sends Our Gratitude to First Responders!

On Saturday February 22nd, Sonora ASB joined student leaders from around the District to help make a difference. They collected and packaged supplies for Operation Gratitude. The 390 packages they made along with the letters they wrote will go to support U. S. Military forces and first responders. They finished the day with food and games to get to know students from around the District. We are so proud of Mr. Hardy and all that our ASB does to make our School and Nation great! Thank you to our great U.S. Military, Police and all First Responders for all you do!

Amazing Agriculture Students!

The following students won at the Regional Level (all of Southern California) for their Proficiency Area (an award given for their Supervised Agriculture Experience Project). Karen V. for Ag Education, Alyssa Z. in Wildlife Production and Management and Dairy Production, Matthew C. in Beef Production, Jose G. in Turf Grass Management and Dana B. in Equine Science. Two of our students have also been selected for their leadership abilities to be candidates for an officer position as follows: Matthew C. as a candidate State FFA Office and Kaylee P. as a candidate Southern Region Office. We are so proud of our Agriculture Students and Teachers!

[Academic Decathlon Takes Home Major Awards](#)

On Friday Feb. 7, Sonora's Academic decathlon team had their Orange County Awards Ceremony. This year's focus was Sickness and Health. Sonora took 5th place in Orange County and 3rd place in Super Quiz (7 categories as a team). The team was led by Captain Jonathan S. and consisted of: Jessica G., Justin E., Tesfa M., Amilcar F., Eric C., Jesse E., Joseph S., and Seth K. Congratulations to Sonora's 2020 Academic Decathlon Team!

College Tours

During the week of 2/10/2020 many of our Juniors went on a quick Southern California College trip to see what local Community Colleges and Universities have to offer our Raiders! The best part of these visits was running into former Raiders who are current college students and getting a behind the scenes tour with the Class of 2019 Grads! Thanks to Mr. Ngyuen and Ms. Moreno for chaperoning the trip!

Dressed for Success!

We caught up with these uniquely dressed Raiders this week in the lower commons. Apparently there was a debate in APUSH and in order to gain the upper hand on their competitors (and quite possibly some extra points on the assignment) these Raiders stepped it up and brought the “A game Costumes” to class. We love the spirit of these Lady Raiders!

Marvelous Medical Careers Program!

These Sonora Students were the stars of our Open House last week as we showcased our Medical Careers Four Year Pathway. Our students and staff shared with potential new Raiders the Medical Careers Program and how it could benefit their futures. There was even a sample blood draw demonstrated by Sara W. that supposedly had our Sonora Principal participate in. While that was not recorded on film we did hear a lot of crying coming from that office!!!! Great job to all students!

[The Wheels on the Sonora Bus Go...](#)

Off to our local Junior High Schools spreading the good news about all we have to offer at Sonora! Thanks to our amazing Seniors for taking the time out of their day to visit schools and encourage our Junior High School students to choose Sonora during Open Enrollment!

Sonora Theater Shines!

Due to overwhelming demand our latest Sonora Theater Production was called upon to deliver a “command performance” this past week and they were amazing once again! Our newly remodeled theater with updated lights and seating helped our performers to be their very best in this fantastic performance! Well done Raiders!
