[We love the Class of 2020](#)

This final edition of the Raider Report for the 2019/2020 School Year will be dedicated to the Sonora High School Class of 2020. Thank you all for continuing to inspire us all with your Sonora Pride, perseverance and positivity! We have so much to be proud of and to look back on over your four years with a sense of accomplishment and pride! We have sought out new ways to feature and celebrate all of you at the end of this school year. Sonora Raider Pride, Right Here!!

ROP Student of the Year!!!

Our very own Sara W. received multiple awards at the Annual North Orange County ROP Celebration of Success. Sara earned the ROP Career Pathway Award and a nice scholarship. Sara was also the Patient Care Scholarship Recipient. Oh, by the way, did we mention that she was also the North Orange County ROP Student of the Year for our District? Yeah, she won that too! Her biggest accomplishment of the year may have been getting our “scaredy cat” Principal to sit for a little blood draw. What an ordeal that must have been Sara, you should get an award for that too! We are so proud of Sara and her demonstrated leadership in ROP and on the Varsity Volleyball Team this year too!

[We love those Sonora Graduation Signs!](#)

We have been so impressed with the creative and fun ways our Seniors have displayed their Graduation Signs at their homes. So many wonderful pictures, like this one from Nena, show that Sonora Pride off for our Graduates! The Graduation Signs, Virtual Graduation Video and the Mobile Jumbrotron with the names and images of the Sonora High School Class of 2020 are just a few of the ways we have tried as a Staff and District to go above and beyond to honor and celebrate the Class of 2020. This group of Seniors have submitted over 400 pictures in their Caps and Gowns and other memories from this school year that will be played at the end of our Virtual Graduation Ceremony on Thursday, May 28th, 2020 at 6:30 p.m.

[Thank a Sonora Staff Member!](#)

In this time of reflection for the Class of 2020, think back on your four years to a Sonora Staff Member, or two, who made a real difference in your life. Someone who took the time to understand and listen to you, maybe even give you that hard advice that you needed to hear. Our Sonora Staff are amazing in the classroom but their true impact will always be in the hearts and lives of our students with their love and concern! Our Sonora Staff will always remember the Class of 2020!

[The Band Rules!](#)

How about a shout out for the Sonora Raider Band and Choir! This fine group of performers led us for four years at football and basketball games and at our Rallies. This group, led by Mr. Diebolt, works all year long to bring beautiful music into our lives. Shout out to all of our Band Parents and Boosters who literally do the heavy lifting in helping to get the Sonora Band back and forth to performances and organizing it all for our Raiders! The Band Rules!

[Miss You All So Much!](#)

What a year it has been. This group of individuals who make up the Class of 2020 have changed our lives for the better, forever! What an amazing four years of growth and development you have successfully navigated in this world we call high school. We can't wait to see all that you will accomplish in the world! Our thoughts and prayers will be with you and your families always. You will always be Our Raiders!
