

Sonora High School - Raider Report

March 1, 2020

ASB Sends Our Gratitude to First Responders!

On Saturday February 22nd, Sonora ASB joined student leaders from around the District to help make a difference. They collected and packaged supplies for Operation Gratitude. The 390 packages they made along with the letters they wrote will go to support U. S. Military forces and first responders. They finished the day with food and games to get to know students from around the District. We are so proud of Mr. Hardy and all that our ASB does to make our School and Nation great! Thank you to our great U.S. Military, Police and all First Responders for all you do!

Genius at Work Again!

Trinity is back to work on another amazing masterpiece for an upcoming art show! Watching this young artist as work is a real joy for our staff and students in the Art Program. We look forward to this project on display with our other students in the front office or in the Student Union. Keep up the great work Trin. We always enjoy how your art brightens up all of our days!

Senator Matthew Represents Sonora FFA

Matthew is having a great time up in Sacramento representing FFA and Sonora High School at the Sacramento Leadership Experience. Matthew had the amazing opportunity to be able to walk in the shoes of a State Senator this past week. Yesterday Matthew was selected as the Senate Minority Leader for the week. We have no doubt that Matthew will lead in a positive direction with the State, just as he does here at Sonora High School.

[National Honor Society Fun Day](#)

We caught up with our National Honor Society this past week having some fun out by the 900 Building. The group had a fun water balloon toss game at lunch and from the looks of it every student had a great time. It is so important for all of our hard working students to have some fun and enjoy fun activities such as this. The advisors Mr. Smith and Mrs. Bawaney were curiously not “in range” for this activity. Probably a very smart decision on their parts! Thanks to our teachers for their NHS Leadership!

Dressed for Success!

We caught up with these uniquely dressed Raiders this week in the lower commons. Apparently there was a debate in APUSH and in order to gain the upper hand on their competitors (and quite possibly some extra points on the assignment) these Raiders stepped it up and brought the “A game Costumes” to class. We love the spirit of these Lady Raiders!

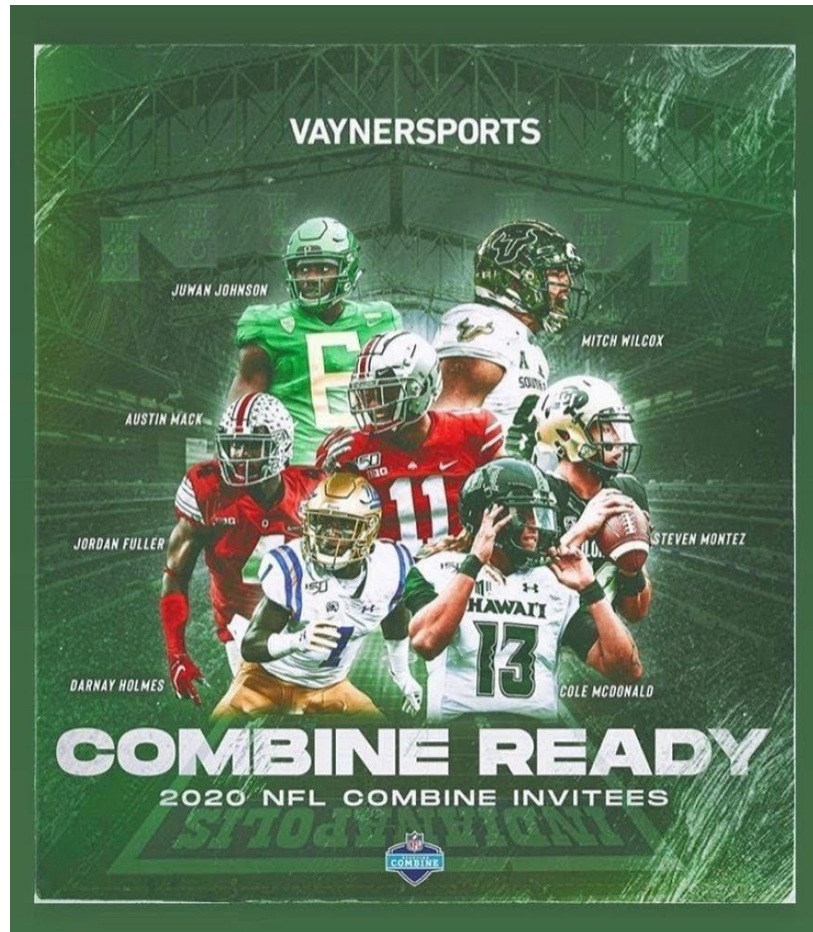

Super Softball Team!

It's time for Raiders Softball and our Lady Raiders are ready for this season's competition in the Freeway League. Teams at all levels wore their uniforms to school this past week to build support and let the Rowdy Raiders know that Softball is ready to play and needs your support! We are so proud of all our team and wish you all great success this season!

[Alumni Spotlight](#)

Congrats to Taylor Ault and the Florida Gators Swimming Team for finishing second in the Nation at the NCAA Division I Swimming Championships this past week! Taylor (4th from the left) was a standout swimmer at Sonora and Finished in the top five Nationally in all of her events. So proud of Taylor and the Gators...just remember all you Florida fans, That's Our Raider!

[Cole McDonald dominates at NFL Combine!](#)

Raider Alumni Cole McDonald had a tremendous week at the NFL Combine. Cole ran the fastest 40 time for all QBs and had the highest vertical jump as well. He was featured on ESPN and Rich Eisen even commented on his success! We are so proud of Cole and we are very hopeful that he could be the first ever Sonora Raider to play football in the NFL. Keep up the great work D1 and just so you know NFL...That's Our Raider!
