

# Sonora High School - Raider Report

February 9, 2020

## **Sonora CTE Honored by FJUHS Board**

Congratulations to our amazing Sonora Culinary Arts Department as their hard and diligent work was recognized by our Board of Trustees. Chef Nhim and our Students represented Sonora along with CTE Programs from across the District. Thanks to our amazing Culinary Arts Program as we prepare students for their futures in food!

### Scholarship Season at Sonora

Attention all Seniors...now is the time for applications to the many scholarship opportunities that are available. This group of Sonora Scholars are seeking the La Habra Rotary, George Rochester Scholarship of \$3,000 for students seeking a Humanities or related course of study. Applications are still available for this scholarship...please see Dr. Bailey. Please see Mrs. Moreno in the College and Career Center for information on all scholarship opportunities.

### [Winter Sports Rally Rocks with our ASB!](#)

This past Tuesday our Amazing ASB put on a fun and uplifting assembly that featured Cheer, Dance and Drill, Sonora Band and our Wonderful Winter Sports Teams. The games, the music and the Tic Tok Dance Contest was a blast! All of the games, music and dancing were masterfully coordinated by our ASB. Thanks to Mr. Hardy and his ASB Team for all of their hard work and planning that went into this successful celebration of our students and school!

### [Sonora Wrestlers Represent at CIF Duals](#)

For the fourth year in a row our Sonora Raiders Varsity Wrestling Team qualified for the CIF Dual Meet as the Four-Time Freeway League Champions! All of our wrestlers did an awesome job and made it to the quarterfinals of this meet. After this match the real work began as our team took down one of the local restaurants in a feeding frenzy! All kidding aside, we are so proud of our wrestlers and Coach Dave Carrizosa for our continued success on the mat. Next stop, CIF Finals this coming weekend!

### [Marvelous Medical Careers Program!](#)

These Sonora Students were the stars of our Open House last week as we showcased our Medical Careers Four Year Pathway. Our students and staff shared with potential new Raiders the Medical Careers Program and how it could benefit their futures. There was even a sample blood draw demonstrated by Sara W. that supposedly had our Sonora Principal participate in. While that was not recorded on film we did hear a lot of crying coming from that office!!!! Great job to all students!

## **College and Career Center Celebrates GCU Commits**

This week in the College and Career center we celebrated four of our Raiders as they committed to GCU for college as the Class of 2024! These Raiders will be taking their talents to AZ and all of our Raider Pride with them. Congrats on an excellent choice for college for the next four years!

### **Girls Soccer Rolls On!**

This past week our Lady Raiders scored two more victories in the Freeway League moving them up the standings in a very competitive group. The second half of the season is going to be very exciting as our Lady Raiders shoot for a Freeway League Title and to keep "The Boot" for another year!

## The Band Rules, it Rules!

Our Raider Regiment once again came through in a huge way at both Basketball Games and at Open House. These amazing artists once again showed that the “Big Gym” is a home for the arts as well as for sports! The Sonora “Fight Songs” and Alma Mater for our Home Victories are always sweet sounds to hear, but they are even sweeter in the acoustical wonders of the “Big Gym.” Thanks to Mr. Diebolt... the leader of the band!
