

# Sonora High School - Raider Report

February 2, 2020

## National Honor Society Wants You!

We love our National Honor Society at Sonora. We found this group of Seniors training next year's Juniors to "take the reigns" of leadership for the 2020/2021 School Year! Thanks to all of our Seniors and Mrs. Bawaney for their can and concern for our future leaders at Sonora!

### [The New Gym was Made for Wrestling!](#)

This week we had an amazing dual meet with our cross town rivals that featured the “Big Gym” and our teams in an amazing way. We had what was most likely the largest crowd in Freeway League Wrestling History witness some amazing matches under the “wrestling spotlight.” Sonora Boys secured our 4th consecutive Freeway League Title and Sonora Girls secured the first Freeway League Title in league history! Way to go Raiders!

### Reunion of Champions!

This past Tuesday our Basketball Teams had some very special fans in the stands...members of our 2015 CIF Championship Basketball Team! It was so great to see these men again and have them marvel at the Big Gym! All of them wished this amazing facility was around when they played. They also said they missed the Small Gym where they won all their games. We think they got a special tour of their favorite gym as well!

### [The Jungle Packs the Big Gym for the Big Game!](#)

This week we also hosted our cross town rivals in Boys and Girls Basketball. All of the team played great, with the Raiders pulling out victories in both contests. The Big Gym had capacity crowds with both sides of the stands fully filled with basketball fans. Seems like the whole city was here at Sonora to cheer on their teams! Thanks to our student section "The Jungle" for keeping our players "pumped up" all game!

## Marvelous Medical Careers Program!

These Sonora Students were the stars of our Open House last week as we showcased our Medical Careers Four Year Pathway. Our students and staff shared with potential new Raiders the Medical Careers Program and how it could benefit their futures. There was even a sample blood draw demonstrated by Sara W. that supposedly had our Sonora Principal participate in. While that was not recorded on film we did hear a lot of crying coming from that office!!!! Great job to all students!

## **College and Career Center Celebrates GCU Commits**

This week in the College and Career center we celebrated four of our Raiders as they committed to GCU for college as the Class of 2024! These Raiders will be taking their talents to AZ and all of our Raider Pride with them. Congrats on an excellent choice for college for the next four years!

### **Girls Soccer Rolls On!**

This past week our Lady Raiders scored two more victories in the Freeway League moving them up the standings in a very competitive group. The second half of the season is going to be very exciting as our Lady Raiders shoot for a Freeway League Title and to keep "The Boot" for another year!

## The Band Rules, it Rules!

Our Raider Regiment once again came through in a huge way at both Basketball Games and at Open House. These amazing artists once again showed that the “Big Gym” is a home for the arts as well as for sports! The Sonora “Fight Songs” and Alma Mater for our Home Victories are always sweet sounds to hear, but they are even sweeter in the acoustical wonders of the “Big Gym.” Thanks to Mr. Diebolt... the leader of the band!
