## Cohort Change Request Form

As the data in Orange County continues to improve, Sonora High School will begin its transition to implement the Board approved Hybrid Model. While an official return date has not yet been confirmed, we will continue to monitor and communicate all relevant information with our community. As always, the health and safety of all staff members, students, and families remains our highest priority. Students and parents may now login to the [Aeries Parent Portal](#) to view their cohort placement. At this time, requests to move from Cohort A/B to Cohort C, allowing students to continue virtually through distance learning, and respectively, students in Cohort C wishing to move to Cohort A/B, can submit their request using our Cohort Change Request Form. At this time movement between Cohort A to B or B to A is non-optional due to limits regarding state guidelines of student gatherings. You **DO NOT** need to complete this survey if no changes are needed. Students requesting an alternative **MUST** complete the [Cohort Change Request Form](#) by **September 4, 2020 at 4:00 pm**. Please fill out one form per student per household.

### [First Day of School at Sonora](#)

Look at these amazing Raiders all dressed up and ready for the First Day of School at Sonora. Even though our first day was virtual, Riley and Kailey were all dressed up in their Sonora Gear, ready to go! Our Staff really appreciate the positive focus of our Raiders and Raider Parents these first three weeks. We are making the best of Distance Learning and can't wait to get back at Sonora very soon! Let's Go Raiders!

### “Brightening My Day With the Wag of a Tail!”

Jessica has a great approach to Distance Learning! She wakes up, takes care of her heifer, goes home, gets going on her Distance Learning Assignments, eats, sleeps, plays video games, and then back to her heifer she goes. Jessica says, “It’s a crazy lifestyle we’re in right now but spending time with my animals makes it a little less crazy! She’s the thing that brightens up my day in a blink of an eye or a wag of a tail. Thanks for the pictures and the positive focus Jess. We all need to focus on our school work along with all the things that bring us joy! Well done!

### [Soccer is Doing Work...Are You?](#)

We are super proud of our Sonora Soccer team for getting out and making the best of Athletics while following all of the new rules as we move back into sports at Sonora. Who knew that soccer without soccer balls could be this much fun! We always see our Sonora Soccer Team doing work, where is your team at? Send in those pictures to [abailey@fjuhsd.org](mailto:abailey@fjuhsd.org)!

## [Miss You All So Much!](#)

Just look at those smiles and that amazing Food from our Culinary Pathway Students! These are the positive faces and love we will continue to focus on during these difficult times. So, when you are feeling down or upset, just pull out your phones and flip through the faces that make you happy and go from there! Just a reminder that on Monday, September 7th, 2020 there will be no school for all Raiders in honor of Labor Day.
