

Sonora High School - Raider Report

September 13, 2020, Vol. 2, No. 4

Sonora Students Making a Difference

Izzy and Marisa are working on a Community Project with The Dragon Kim Foundation and they need your help! Their project is to install playground equipment in parks that are fit for disabled children as well as children with other special needs. Izzy and Marisa earned a \$5,000 grant when they were originally accepted into the foundation and they are currently in the process of installing the equipment in The Park in La Habra Heights. During this last week of the fellowship they are in a competition against the 22 other projects to earn an additional \$5,000 to continue their projects. Last week the foundation launched the online voting portion of the competition where people go online and vote for the project they want to move on to the final round. The top three groups with the most votes move on to The Dragon Challenge where each group pitches their project to a panel of judges. These judges make the final decision of who will earn the second grant of \$5,000. We are very proud of both of our Raiders for their work in our Community!

[Thank You to all Sonora Staff](#)

We just wanted to say a great big thank you to all of our Sonora Staff who are helping to make sure that our Raiders are having the best experience possible during Distance Learning. This is certainly not the format we wanted for the start of the school year, but our Sonora Staff approach each new day with a positive focus on how they can make Distance Learning the best it can possibly be for our Raiders. Do you have a positive Distance Learning story to share about our Sonora Staff? If so please email it to Dr. Bailey at abailey@fjuhsd.org and send in a picture as well. Your story could be featured in the next Raider Report!

We Will Never Forget

Despite being away from Sonora this year, our ASB, Band, JROTC and Staff made sure to remember and acknowledge those who gave their lives in the 9/11 Attacks 19 years ago this past week. These groups compiled and shared a thoughtful video commemorating this tragic day with all Sonora Staff. Many Sonora Staff incorporated the remembrance of this tragic day into their lessons during the week as well. These pictures were taken last year at our annual 9/11 Ceremony on our Sonora Campus. We are all looking forward to the time when we can be on campus to gather and commemorate these events together again.

Participate with the Principal

Attention all Raiders and Raider Parents, Dr. Bailey will continue to host his weekly chat every Friday (link attached below) during the Student Support Period. These lively discussions will take place from 12:03 to 12:33 p.m. This chat session is open to staff and parents as well. Extra Credit for anyone who can name this solid Marine and recent Sonora Graduate!

Miss You All So Much!

Just look at that focus from our Lady Raiders! These are the positive memories and dedication we will continue to focus on during these difficult times. So, when you are feeling down or upset, just pull out your phones and flip through the faces that make you happy and go from there! Just a reminder that on Monday, October 12th, 2020 there will be no school for all Raiders (Students Only) for a Professional Development Day for our Staff.
