

# Sonora High School - Raider Report

January 19, 2020 - Welcome to the New Decade!

## Getting Ready over Winter Break!

Many of our Sports and Activities met during Winter Break to get ready for the upcoming school year and athletic seasons. We are always so impressed and thankful for our students, staff and families who are willing to give up part of their vacation time to benefit our school. What a great way to ring in the new year and to be ready to come back to school in 2020 prepared and ready to go! Way to Raiders!

### The Wheels on the Sonora Bus Go...

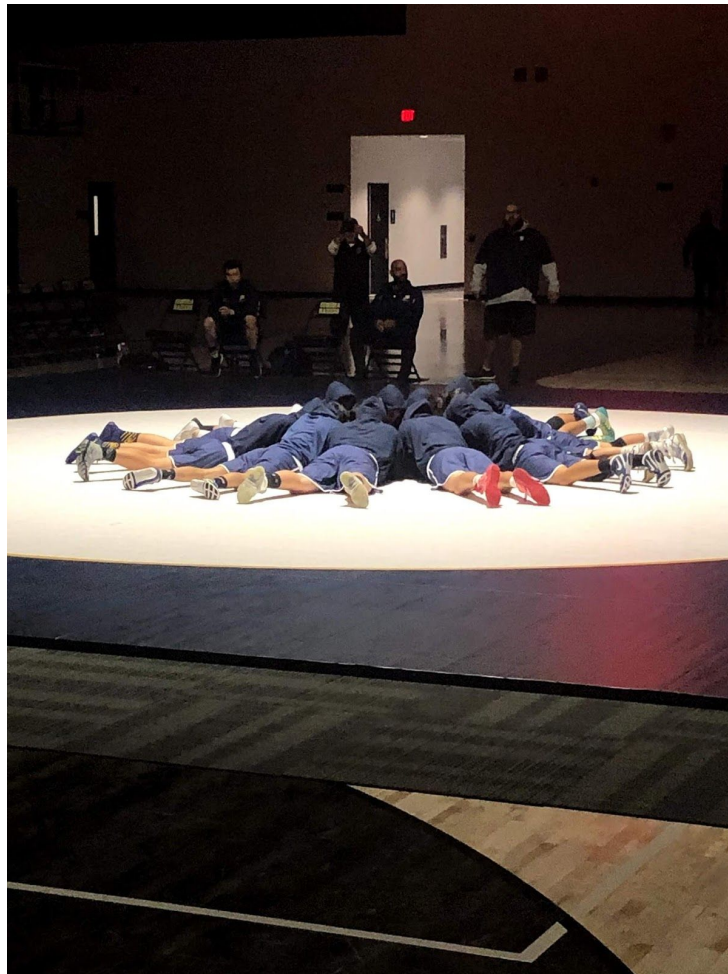

Off to our local Junior High Schools spreading the good news about all we have to offer at Sonora! Thanks to our amazing Seniors for taking the time out of their day to visit schools and encourage our Junior High School students to choose Sonora during Open Enrollment!

### [On The Road Again!](#)

This past Tuesday our Basketball Teams were on the road and played two great games in Freeway League competition. Alyssa made an awesome last minute basket in the Girls Game to secure the victory. It was a total team effort needed by the Boys Team to overcome a tough opponent! Very proud of all our athletes, coaches and parents for these impressive wins on the road!

### [Wrestlers Earn First League Win in the New Gym!](#)

All three teams (JV, Girls Varsity, Boys Varsity) won this week, all earning their second Freeway League Victories of the season! This was our first Freeway League Dual match in the New Gym and our Raiders did not disappoint! Both Boys and Girls Varsity won in impressive fashion. Richy secured an awesome pin along with Jason in the upper weight classes. The New Gym and new wrestling mat looked great, especially with the new "Wrestling Spotlight!" Thanks to our school community for our amazing New gym!

### [Kayla off to Korea!](#)

Seven amazing FJUHS students have been selected by the city of Fullerton to represent the city on a trip to South Korea this summer. The students had to apply and interview in front of a panel. Our very own Kayla W. was selected and we are so proud to have her as the only representative from our school! The students will be going to Fullerton's sister city (outside of Seoul) as well as other locations to represent us. They will be visiting various sites and organizations as well as presenting to groups in Korea. Congrats Kayla, we are so proud of you!

## **Lady Raiders with a Big Win at Home!**

Our Lady Raiders Varsity and JV Water Polo Teams has big wins at home this week. The girls has tough Freeway League competitors but Sabrina scored two big goals and Jelena contributed with some amazing assists to lead both teams to victory. Our girls work so hard in this cold weather! We are proud of you and our coaching staff for your hard and dedicated work!

### **Open Enrollment Tours**

This past Friday we had the largest group tour in 7 years! So many families and futures Raiders from outside of our District came to see what Sonora has to offer for their students. We toured the Medical Careers classroom, Gaming Room and English classes. We hope that all of these families choose Sonora as their home school for the next four years!
