

## The Science of Attachment Relationships and their Impact on Transitions: A Child Centered Approach to Child Protection

Presented by:

## Charles H. Zeanah Jr. MD

Professor of Psychiatry and Pediatrics Tulane University School of Medicine

Successful transitions are critical to a child's well-being; this workshop will help you learn how to provide appropriate transition support for children in care.

Topics covered include identifying the impacts of transition on children, understanding the attachment basis of transition planning, planning for successful transitions, and handling different types of transitions- into care, within care, adoption, reunification, and geographically distant.

You are invited to a Zoom meeting.

## November 9, 2023 10:00 AM - 12:00 PM Pacific Time (US and Canada)
