

SUMMER 2021

# THE SCOOP

TROY HIGH SCHOOL COUNSELING DEPARTMENT SUMMER NEWSLETTER

## FALL 2021 COURSE SCHEDULES

For incoming freshmen, you may request to change the elective course you registered for at Freshman Orientation on August 6th, provided there is room in the course and parent/guardian approves of the change. All 10-12 graders had the opportunity to adjust requested courses last spring semester. Once the school year starts, students may only request to drop down in course levels (i.e., H/AP/IB to the lower level) if space is available or to drop an additional class. Students in grades 9-11 must be enrolled in a minimum of 6 classes and students in grade 12 must be enrolled in a minimum of 5 classes. Students may drop an additional course by the end of the third week of the fall semester. Students have until the end of the first quarter to drop a course level, space permitting.
