## Mission Statement

**We believe all students can learn; that a student will leave FUHS with the learning and skills needed to be successful in college and/or a career. This means that each year, each individual student will grow because this is our focus and we will monitor this growth; we will align our resources and control the conditions for success.**

## ALMA MATER

*We are proud of all thy prowess, Fullerton,  
And we thy colors bravely bear.  
We will be thy loyal subjects ever;  
Joy and grief we alike will with thee share.*

(Chorus)

*Oh F.H.S., thy name we love,  
And ever staunch and true you'll find us.  
We'll stand by thee, through all eternity,  
The red and white so true.*

## ATTENDANCE—GENERAL

All persons under eighteen years of age who have not graduated from high school are required by state law to attend school. Pupils over sixteen years of age may continue their education through alternative education programs or other special programs with parent and school permission. Because a large part of student success in school depends on regular class attendance, FUHS students are expected to attend each of their scheduled classes promptly and regularly, avoiding absences whenever possible.

## ATTENDANCE—PERFECT

Students who have zero absences from school are considered to have perfect attendance. Any absence from any class, even if cleared (e.g., ill, doctor's appointment, college visits, etc.) disqualifies a student from earning perfect attendance. (School-sponsored events such as field trips are not absences.)

## ABSENCES—CLEARING

Students have **three days to clear absences after their return to school.** Absences uncleared after three days will become unexcused. **Absences may be cleared by a written note from a parent or guardian within the three-day limit.** The written excuse must have a parent/guardian's contact name and phone number, the student's ID Number, and the justification for absence. If possible, **please send written clearance prior to pre-arranged appointments to allow for easier dismissal and clearance of students.**

## ABSENCES—APPROVED/EXCUSED

Absences will be excused upon proper verification when due to illness, medical or dental appointments, court appearances, or recognized religious observances. Parents are asked to call the school at (714) 626-3822/3835 on the day of a legitimate student absence and provide a written excuse upon the student's return to school. If a student who is eighteen years would like to clear his/her own absences, written parent/guardian consent must be submitted. Upon review, the school may allow the student to clear his/her own absences. The school may require doctor's notes for absences in excess of 3 consecutive days. **The school may also require doctor's notes if a student has excessive absences for illness.**

## ABSENCES--EXTENDED

If a student will be absent for more than 5 days, prior approval is needed. Students should bring in a note to the attendance clerk prior to the absence explaining the reason. The student would then receive an extended absence approval form to take to the student's teachers before the leave of absence.

## ABSENCES--UNAPPROVED/UNEXCUSED

Absences with approval of parent or guardian that are **not legal** reasons for being excused will be unapproved. Examples of unapproved absences are babysitting, family vacations or trips, working, DMV appointment or driving tests, or other personal reasons. Assignments missed during unapproved absences may not be made up without permission from the teacher. Unexcused absences can result in Saturday School, In School Suspension, parent conferences up to referral to law enforcement. **Excessive unexcused absences may result in limited opportunities to participate in co/extra-curricular activities (ie: athletics, performances, senior activities, etc).**

## LEAVING DURING SCHOOL DAY

Any absences resulting from a student leaving during the school day (doctor/dentist appointment, illness, court appearance, etc.) must be **pre-approved** by a parent either through a phone call or a note; absences of this type, not pre-approved, will be registered as **CUTS/TRUANCIES**. **Students must first check out through the Attendance Office.** If a student leaves during the school day for any reason, he/she must come to the Attendance Office where a parent/guardian will be contacted for approval. If an emergency should occur and a parent/guardian cannot be reached, an emergency contact will be notified.

## TARDY POLICY

Promptness to class is considered an important factor in the student's development. In addition, punctuality is necessary to the educational process because it reduces interruptions, increases time on task, and minimizes duplication of instruction. Student attendance is able to be tracked daily via Aeries.net. The following are the consequences for habitual tardiness, tracked quarterly:

### Third Tardy

- The teacher assigns a consequence and reviews the problem with the student advising the student of the potential citizenship grade reduction and potential future Saturday School assignment.

### Sixth Tardy

- Teacher/Administrator issues a four-hour Saturday School assignment that must be signed by parent/guardian
- Saturday School is logged in student discipline history
- The student may receive an "N" (Needs Improvement) citizenship grade

### Ninth Tardy

- Administrator issues a four-hour Saturday School assignment that must be signed by parent/guardian
- Saturday School is logged in student discipline history
- The student may receive a “U” (Unsatisfactory) citizenship grade.

#### **Twelfth Tardy**

- Assigned administrator may issue a one-day in-school suspension. A parent conference is held before the student returns to school.

#### **Fifteenth Tardy**

- Assigned administrator may issue a one-day suspension. A parent conference is held before the student returns to school.

**Failure to attend Saturday School may result in an In-School Suspension**  
**Excessive tardies/attendance issues will result in limited opportunities to participate in co/extra-curricular activities (ie: athletics, performances, senior activities, etc).**

#### **PERSONAL ITEMS**

The Attendance Office cannot accept flowers, balloons, and similar items on students’ behalf. Thank you for not delivering or having these delivered to school.

Additionally, if items (such as lunches, P.E. clothes, etc.) must be left for students in selected urgent situations, please understand that we cannot call for students from classes to retrieve these items; money and other items of worth may not be left at any time. These items may be left on the back counter of the front office to be picked up by students during break/lunch/before/after school.

Students are advised not to bring valuable items to school. Students are responsible for all personal and school-issued items. Fullerton Union High School provides P.E. and sports locker facilities, but cannot guarantee the security of items placed in lockers by students. All items in a locker should have a lock to prevent theft and keep items secure.

#### **CHANGE OF ADDRESS/PHONE NUMBERS**

If at any time during the school year it becomes necessary for a student to have a change of address or phone number, this change can only be made in person by the parent/guardian with the Data Technician. Legal proof of change must be submitted with the request. Students who live outside the boundaries of Fullerton Union High School are not permitted to attend FUHS unless official Attendance Permit or Open Enrollment papers are on file with the Principal.

#### **CLOSED CAMPUS**

Fullerton Union High School's campus is closed all day, 7:50 am to 2:46 pm except during lunch. The campus is closed for all students during class time and break. Students not enrolled for a full day are required to leave campus after their last scheduled class. The following rules and regulations are in effect at FUHS; violation of these rules may result in disciplinary action.

1. Students loitering in residential areas surrounding the campus is strictly prohibited.
2. Students who use on-street parking for their vehicles are to observe the rights of property owners; littering, loitering, and trespassing will not be permitted. If a vehicle is going to be used to store books and/or personal belongings, students must plan on parking in the student parking lot (on Lemon Ave) as you may not leave campus to go to your car, except during lunch. **Leaving campus during break is prohibited.**
3. Loitering or sitting in vehicles in the parking lot on campus will not be permitted.
4. Students are not permitted to be on campuses of neighboring elementary, intermediate or high schools at lunch or at any other time that these schools are in session.
5. **Hillcrest Park, the Fullerton City Parking Garage (carport), the Plaza, and adjacent park are off-limits to students during school hours.**

#### **OPEN CAMPUS DURING LUNCH TIME**

The governing board of the Fullerton Joint Union High School District, pursuant to Section 44808.5 of the Education Code, permits the pupils enrolled at Fullerton Union High School to leave the school grounds during the **lunch period**. Students may use their cars during the lunch period. Section 44808.5 of the Education Code further states: "Neither the school district nor any officer or employee thereof shall be liable for the conduct or safety of any pupil during such time as the pupil has left the school grounds pursuant to this section."

#### **CONDUCT**

In developing self-discipline, students shall be responsible for their own behavior. The following behavioral expectations are held for Fullerton Union High School students:

1. Showing respect and courtesy for the rights and feelings of others.
2. Behaving in a way that creates a positive learning environment.

3. Controlling behavior on campus and in the walkways so that classes in session are not disturbed.
4. Behaving in a way to maintain the pride and good reputation of FUHS at school or at any school-related function.
5. Helping to maintain a clean, safe campus.
6. Obeying all reasonable requests made by instructors, administrators, or other school employees.

### **THEFT**

Please help us eliminate stealing at Fullerton Union High School. We would like to make Fullerton Union High School a “No Theft Zone,” however, in order to achieve this; all students must keep their phones, and any other expensive personal items and large amounts of money *at home*. Fullerton Union High School cannot be responsible for investigating if they become lost or stolen. By keeping these items of value at home, students protect themselves from being a victim of theft. If you are a victim of theft, you may make a report with the School Resource Officer. **Neither Fullerton Union High School nor the Fullerton Joint Union High School District is responsible for any lost or stolen property.**

### **THREATS, INTIMIDATION, FIGHTING**

Intimidation involves threats of mental or physical harm or pressure. Examples of this behavior include, but are not limited to, bullying, cyber-bullying, domineering, extorting, or otherwise attempting to influence someone with the use of frightening action and/or words. Students who engage in threats, intimidation, or fighting may be subject to school and law enforcement consequences, including arrest and transfer from FUHS. It is the expectation that students remove themselves from potential physical altercations, and report behavior that may escalate to physical harm. **It is important to note that education code does not distinguish between mutual combatants with regards to who may engage first. All parties are disciplined accordingly should a physical altercation take place.** Should a student feel threatened, intimidated, or bullied, they need to report the action immediately to school administration. A conflict resolution will be held to correct the behavior and allow the offending party or parties to curb the unwarranted behavior. Should the behavior continue, progressive discipline will be used as deemed necessary for the health and safety of the students.

### **STUDENT SEARCHES**

Searches may be conducted by school officials when reasonable suspicion or cause in which items, disruptive to school activities or illegal and/or dangerous objects or substances may be present on school property or when some other violation of law, district policy, or school rules and regulations is imminent or has occurred. Students may be required to empty their pockets and have their personal property searched. Searches may be conducted on items such as, but not limited to, clothing, purses, backpacks, lockers, cars, and cell phones.

### **SEXUAL HARASSMENT**

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature. Fullerton Union High School is committed to maintaining an educational environment free from harassment, embarrassment, intimidation, or insult on the basis of an individual’s gender. Action will be taken when necessary to eliminate such practices or remedy the effects. FUHS will not tolerate the sexual harassment of any student or employee by any other student or any District employee. Any student found guilty of sexual harassment shall be subject to disciplinary action up to and including expulsion. FUHS requests students to immediately report complaints of sexual harassment to the Principal or assistant principals. Any kind of retaliation for reporting sexual harassment is prohibited and will be dealt with severely.

### **NONDISCRIMINATION**

Nondiscrimination on basis of sex, race, color, religious background, national origin or ancestry, ethnic group identification, marital or parental status, gender, age, physical or mental disability, gender preference, sexual orientation or the perception of one or more such characteristics, or economic status is not tolerated within the Fullerton Joint Union High School District.

### **DRESS CODE**

It is expected that all students dress with appropriate taste in order that the education process is not disrupted. For the purpose of safety and continuity of the instructional program, we ask your cooperation in making Fullerton Union High School a positive learning environment. While on campus, or at any school-sponsored event, students shall be dressed and groomed in a manner which will neither adversely affect the instructional program nor violate reasonable and acceptable standards of cleanliness, safety, or appropriateness as judged by the Principal and administration of Fullerton Union High School.

The following items are prohibited and not permitted on campus:

- A. Clothing or articles of clothing related to a group or gang and/or which, in the judgment of the principal/designee, may provoke others to violence, disrupt school operations, or intimidate students and staff; item include, but are not limited to:
  - bandanas, hair nets, initialed belt buckles, chains (wallet, watch, key)
  - pants worn below the waist (sagging)
  - shorts worn below the knee with socks up to the pant line

- dramatically oversized button-down shirts, white t-shirts, or polo shirts that have been modified with ironed-on creases or pleats on the front or back
  - white ribbed tank top undershirts worn as outer garment
  - non-prescription dark glasses worn in the classroom
  - Apparel with Raiders, Kings, FTP, BLVD, etc.
- B. Clothing with inappropriate messages (e.g. alcohol, drugs, cigarettes, sexually related scenes, weapons, obscene symbols/pictures, etc.)
- C. Strapless shirts or exposed backs and/or midriffs (e.g. tube/halter tops)
- D. Undergarments without appropriate outer clothing or outer clothing which exposes underclothing
- E. Sheer outer garments without full-length undergarments that cover midriff
- F. Swimming attire (except during P.E., water polo, or aquatics)
- G. Spiked collars, spiked wristbands, or other clothing, jewelry, or accessories which could pose a threat to another student's physical well-being and safety.
- H. Students must wear shoes/sandals/flip-flops at all times.
- I. Hats/beanies must be school colors only: red, white or a combination of red/white/gray or a hat issued by the school.
- Consequences may include requiring the student to change clothes, serving a Saturday School, and/or being suspended from school.

### **LOCKDOWN/FIRE/DISASTER DRILLS**

During a fire drill, students will leave classrooms following the directions given by the teacher and will return to the classroom when "all clear" is announced. For disaster drills, teachers will direct students to drop and cover, and wait for evacuation instructions. Teachers will lead students to designated evacuation locations at the utility field until signaled to return to classes. A lockdown of school facilities is for security or safety reasons. An administrator or other campus personnel will ring a series of bells over the loudspeaker system to notify students and school personnel of emergency. Students will follow the directions of the teacher in their class; students not in direct supervision by a teacher (e.g., on the way to the restroom) should go to the nearest classroom. An all-clear will be called over the loudspeaker system when it is deemed to be safe. Should a lockdown occur due to an Active Shooter presence, students and staff are to follow the "Run, Hide, Fight" training procedures.

### **ID CARDS**

Pictures for identification cards (ID) will be taken at Orientation. **Students are required to visibly wear school ID cards at all times.** ID cards will be used to check out textbooks, library books, retrieve confiscated items, conduct business transactions in the cafeteria (purchase lunch) or in the Activities Office (purchase dance tickets, pay fines, pay for IB/AP exams, etc) and to identify students when taking state tests, attending dances and sporting events. **The fee for a lost card is \$5.00.** Students may purchase the IFL card at the cost of \$40.00 in the Activities Office, allowing students a discount price for school events.

1. **1st Offense**- warning and documented in AERIES
2. **2nd Offense**- student will purchase replacement ID card and the incident will be documented in AERIES
3. **3rd Offense** - after school detention
4. **4th Offense** - Saturday school
5. **On-going offenses: WILL** result in progressive discipline (loss of privileges such as school dances, extra-curricular events, in class suspension, etc.)

### **ASB CARD**

An ASB card is a tremendous bargain for all FUHS students. The purchase of the "ASB" designation on the student ID card entitles the student to purchase reduced price tickets for school athletic events, dances, plays, concerts, yearbooks, etc. It also provides the opportunity to purchase some of these items pre-sale to avoid longer lines. The income from the purchase of an ASB card supports a broad co-curricular program of sports, band, drama, vocal music, school newspaper, yearbook, speech/debate, and special student assemblies.

### **SIGN AND POSTER REGULATION**

All flyers, posters, etc. need to be approved by the ASB Director or the Student Activities Administrator prior to distribution or posting.

### **EXTRACURRICULAR ATTENDANCE REQUIREMENT**

Students may not take part in an afternoon and/or evening school activity on any school day as participants unless they have been in attendance at school all day (Administrative Review 5353.1). Transfers issued by school authorities for school-related business will count as school attendance. Activities affected would include, for example, athletic contests, dramatic and musical performances, and speech contests.

#### **DANCE RULES**

ASB sponsors many dances throughout the school year. Students who plan to attend dances must abide by the following regulations:

1. FUHS students must have a current ID card and dance contract on file to be admitted.
2. Guests must have a current picture ID and guest pass signed by an administrator
3. All school rules and consequences are applicable during dances, including dress code.
4. Dancing must be appropriate as deemed acceptable by school personnel or chaperones.
5. Must have all fines paid and served any outstanding Saturday Schools.

#### **CARE OF SCHOOL PROPERTY**

Students are responsible for taking care of school property. Any expense incurred by the District in replacing or repairing school property which may have been lost, damaged, or destroyed by a student shall be paid by the pupil, his/her parents, or guardian.

#### **CAFETERIA**

The school cafeteria provides hot, nutritious lunches on school days. Snack type items are provided before and after school, at break, and at lunch. Students are not permitted to bring outside food/drink on campus for the purpose of sale. Unless otherwise instructed by their teacher, students are forbidden to take or consume food or drinks in the classrooms.

#### **REPORTABLE HEALTH CONDITIONS**

In case of a student being out due to illness that is related to any type of communicable health condition, the school requests a notification from parents so that the District Nurse may follow through appropriately. Such health conditions may include, but are not limited to, a medical diagnosis such as: Head Lice, Conjunctivitis (Pink Eye), Tuberculosis, Chickenpox (Varicella), Measles, HIV, AIDS, Bacterial Meningitis, Shingles, Hepatitis A,B, and C, etc.

#### **MEDICATION TAKEN AT SCHOOL**

Students who must take prescription medication at school on a temporary or regular basis must see our LVN or RN for a specialized district form to be filled out by the primary care physician and returned to the school for approval.

#### **HEALTH SERVICES**

Students are responsible for reporting all injuries which occur on school grounds. When medical attention is needed, the school personnel will contact parents so that they may take the student to the family physician. If the injury requires immediate medical attention, the Fullerton Paramedics will be called. It is imperative that the school have current phone numbers—home, work, and/or cell—so emergency contact can be made. Students who become ill at school should report to the Attendance Office where parents will be contacted for permission to leave school or to be picked up. Students who leave ill without going through the Attendance Office will be counted as truant and therefore unexcused.

#### **PARKING**

Students are to use the student parking lots on the east side of campus adjacent to Lemon Ave. and at the farm across the street from the stadium. Tickets will be issued for improper use of the student lot, such as reckless driving, illegal parking, and excessive speed over the limit of ten miles per hour. Students may go to their cars in the parking lot at **lunch only**. A maintenance fee will be charged for parking in the student lot. Students park at their own risk. Vehicles will be ticketed (or towed) if parked in the student parking lot without a valid permit.

#### **SKATEBOARDS, SCOOTERS, AND BICYCLES**

Skateboards, scooters, and bicycles are considered modes of transportation for students at Fullerton Union High School, and, therefore, students are allowed to ride them to and from school. The riding of skateboards, scooters, and bicycles on the Fullerton Union High School campus is prohibited. Students are required to walk skateboards, scooters and bicycles while on campus. Skateboards, scooters, or bicycles ridden on campus may be confiscated and held by the Assistant Principal or School Resource Officer. Students who bring a skateboard, scooter, or bicycles to school will be required to have them **locked up** or stored at all times while on campus. Bikes may be locked in the bike rack next to the front office or by the 150s building (**not against gates or fences**) Skateboards cannot be carried during the school day. They must be stored. The school and District are not responsible for damage and/or theft of bike or skateboard. Violation of the above policy may result in disciplinary action. Citations may be given if policies are not followed.

#### **LIBRARY**

The library is open from 7:30am-3:30pm for student use. During class time, a student may use the library by securing a transfer from the teacher. Books and periodicals are checked out for three weeks and may be renewed if necessary. Student must have school ID to check out materials.

### **TEXTBOOK/CHROMEBOOK AND FINANCIAL RESPONSIBILITIES**

Students will be given textbooks/Chromebooks to check out; it is their responsibility to take care of the books/Chromebooks properly and return them at the end of the course, when asked, or if the student transfers to another school. Fines will be levied for damaged books/Chromebooks (e.g., writing in books/Chromebooks, etc.) or for non-return of books/Chromebooks. Also students are often loaned school property for other classes/activities, such as athletic or band uniforms. Not returning school property will result in a fine upon student records. Students may have their diplomas held, not be able to participate in certain functions (e.g. dances, ceremonies, etc.), or transfer their transcripts unless all fines are cleared. Any check that is returned to FUHS due to insufficient funds (NSF) or closed bank accounts will be charged a “returned check fee” for each check returned.

### **ACCEPTABLE USE POLICY**

The Acceptable Use/GAFE Policy (AUP) must be signed by both students and their parent/guardian in order to use the school’s Internet-ready computers. Students are responsible for their behavior on school computer networks just as they are in a classroom or school hallway. General school rules for behavior and communications apply, as do the standards addressed in the Acceptable Use/GAFE Policy. Students are required to turn in verification that both they and their parent/guardian read and will adhere to the Acceptable Use of Technology/GAFE agreement prior to the start of the school year. Agreement is found on the school website.

### **FINANCIAL RESPONSIBILITY**

Fullerton Union High School will accept payment by check for purchases made for P.E. uniforms, yearbooks, ASB stickers, school related functions, etc. Checks returned for nonsufficient funds (NSF) or “account closed” reasons will be charged a “returned check fee” for each check returned. Checks will not be accepted during the months of April or May.

### **CELL PHONES, MUSIC PLAYERS, AND ELECTRONIC DEVICES**

Cell phones and other electronic devices are permitted on campus, but should only be used in the classroom when directed by the instructor. If a student fails to comply with teacher directive or use is disruptive to class activity, student may be referred for defiance. Fullerton Union High School is not responsible for investigating if these items become lost or stolen.

1. **1st Offense** - warning and documented in AERIES
2. **2nd Offense:** electronic device will be turned off and put away. Teacher will contact parent and document in AERIES in pre-intervention
3. **3rd Offense:** student will be assigned Saturday School and the phone will be sent to Ms. Mountjoy and will need to be picked-up by the parent/guardian. **NO EXCEPTIONS**
4. **On-going offenses: WILL** result in progressive discipline (loss of privileges such as school dances, extra-curricular events, in class suspension, etc.)

### **LOST AND FOUND**

Books found on the campus should be turned into the Library. Any other articles found about the campus should be turned in to the Front Office or security office where owners may reclaim them. If student or school property is lost or stolen during the school day, the student should fill out a theft report in the Front Office.

### **WORK PERMITS**

Work Permits may be obtained from either Guidance Technician with approval from the Assistant Principal of Pupil Services. Students with poor attendance an overall grade point average under a 2.0 may be refused Work Permits, and Work Permits may be revoked by the school for attendance reasons. An application form for a Work Permit must be completed by the employer. This application is returned to the school and the actual permit is typed up and given to the student. Work hours for minors are limited both in total hours and length of hours, particularly on school nights. For more specific information, please see the Guidance Technician.

### **COMPLAINT PROCEDURES**

The Fullerton Joint Union High School District provides for the handling of complaints alleging unlawful discrimination or violations of laws or regulations governing specified District programs or activities. A complaint of unlawful discrimination must be filed in writing no later than six months from the date the alleged discrimination occurred or no later than six months from the date the complainant first obtained knowledge of the facts of the alleged discrimination. The District has a specified process and timeline for handling such complaints. Please see an administrator for more specific details if needed.

### **SCHEDULE CHANGES**

Student requests for schedule corrections are honored for the following reasons only, and these changes must be completed within the first two weeks of the semester:

1. Graduation requirements omitted from schedule.
2. College requirements omitted from schedule.
3. Failing grade in a prerequisite course.
4. Courses completed during summer school.
5. Special programs entrance (sports, band, ROP, Culinary, etc.)
6. Scheduling error

**The deadline to drop a class without receiving a grade of "F" is the end of the third week of each semester.** Changing levels within a course does not constitute dropping a class.

### WITHDRAWALS

In order for a student who is under 18 to withdraw from Fullerton Union High School, a request must be made in writing by the student's parent/guardian. Students are required to check out of all classes and return school property such as textbooks, library books and other school property before withdrawal is completed.

### **INTERNATIONAL BACCALAUREATE**

FUHS is proud to offer the International Baccalaureate (IB) program as part of its Honors curriculum. Testing for entry into the IB program is held at FUHS each spring. Please contact the IB coordinator at 714-626-3994 for more information. College and universities throughout the U.S. and world recognize the IB program and successful completion of the full diploma program may enable the student to enter college in a second-year standing.

### **ACADEMIC HONESTY POLICY**

Academic honesty depends on the student taking responsibility for producing work that is reflective of the student's best effort. Academic dishonesty is evidenced by cheating or plagiarizing and involves an attempt by a student to show possession of knowledge and skills he/she does not possess.

The following actions are reflective of academic dishonesty and are subject to disciplinary action by teacher, school, and/or District. Some offenses may be criminal in nature and therefore prosecutable under local, state, or federal laws.

- Using dishonest, deceptive or fraudulent means to obtain or attempt to obtain credit for academic work;
- Using notes, aids, or another student's assistance to complete a test, a project or other assignment in a way other than that expressly permitted by the teacher. Unless otherwise directed by the teacher, students should accomplish all assignments individually;
- Looking at another student's test, answer sheet, or other materials;
- Copying from or allowing another student to copy from a test, homework, or other course work—which is not intended to be collaborative in nature;
- Tampering with an instructor's records of grades or scores;
- Plagiarizing materials: the taking of specific or general substance of another person's work and offering it as one's own work without giving credit to the original author. Plagiarizing encompasses omitting quotation marks for directly quoted material, omitting bibliographic references either in the text or on a source page appended at the end of the assignment, and/or paraphrasing

an author without giving credit to that author for use of his or her ideas. Paraphrasing is the student's uses of an author's ideas by rewording and/or rearranging that author's original text.

### **GRADING**

Students will receive grading reports at the end of each semester; quarter report cards are considered a progress report, with final credits being awarded only with the semester-end report card. A student with parent, teacher, counselor, and administration approval may elect credit/no credit status for certain courses. Credit/no credit course status must be approved by the last day of the first or third quarter. See the Guidance Office for a credit/no credit form. Once credit/no credit for a course has been agreed upon, the student may not opt for a letter grade. An incomplete grade assigned by a teacher means the student has not completed all of the requirements or assignments necessary to receive a grade in the course; failure to clear the incomplete within the following semester will result in an "F" grade being assigned. A no-mark grade may be used in cases where the student has enrolled in a course too late in the grading period for a letter grade to be earned.

### **ACCESSING STUDENT INFORMATION THROUGH AERIES.NET**

Fullerton Union High School, along with all schools in the Fullerton Joint Union High School District uses Aeries.net to enable parents and students online access to information such as attendance, grades, transcripts, and more via the Internet.

**Parents are able to access grade information 24 hours a day, seven days a week, via the online tool AERIES.net. Report cards and progress reports will no longer be printed and mailed unless requested in writing.**

If you have not already created an account, information will be available at the beginning of the school year. Information will be available with instruction on how to create an account to allow AERIES access. You may also come in to speak to our Front Office.

#### **To create an AERIES.net-account you will need:**

- A valid email address
- The home telephone number of the student as listed in school records
- The student permanent identification number
- A Verification Pass Code (VPC)

### **MAKE-UP WORK**

School work missed because of excused absences should be made up within a period of time equal to that of the absence, unless extended time arrangements are made with the instructor. **It is at the discretion of the teacher to provide worked missed due to formal suspensions.** It is the responsibility of the student to arrange with his/her teachers for making up work missed. All work must be completed and turned in to receive a grade.

### **UNSATISFACTORY PROGRESS REPORT (UPR)**

Unsatisfactory progress reports may be sent by teachers at any time during the school year when a student is in danger of failing a class. Parents, guardians, and students are encouraged to sign up and monitor attendance and grades online through AERIES.net. Check with the Front Office for information on how to log into the system.

### **ALTERNATIVE EDUCATION PROGRAMS**

By Educational Code each school district is able to run one program whereby students are able to obtain credits at a more rapid pace. For Fullerton Joint Union High School District, we have La Sierra (Grade 10 and Home Hospital) and La Vista (Grades 11 and 12), which are located at 901 North State College Dr., Fullerton. Space is limited to all of these programs add their design is to offer academic success to students who did not find it in their regular comprehensive high school setting. Please see a guidance counselor or the Assistant Principal of Pupil Services about requirements to attend these programs.
