

TROY HIGH SCHOOL WARRIOR WEEKLY

September 17, 2021

End of Summer Chalk Art by Ms. Shannon Cogswell

Warriors,

Homecoming!!!! I don't know if we have ever had a school year when our Homecoming celebrations have ever been more important. Since Monday we have been celebrating with Spirit Week, and today have our Homecoming Rally and Homecoming Football Game and Halftime, then tomorrow our Homecoming Dance! Have these events ever been more welcomed and / or appreciated? If not, they always should have been. It is truly wonderful to be back together and having these important events! Thank you to all the students and staff who have pulled out all the stops to celebrate who we are as Troy High School with our entire school community!

Reminder for all Troy High School Students!

In accordance with the Center for Disease Control (CDC), CA Dept. of Public Health (CDPH), and Orange County Health Care Agency (OCHCA), we ask that you complete the Qualtrics survey each morning prior to arriving on campus. However, **please do not attend school** if you have experienced any COVID-related symptoms:

- Flu-like symptoms such as fever of 100.4 or greater
- Chills
- Cough
- Sore throat
- Runny or stuffy nose that is not associated with a pre-existing condition or other chronic health condition.

Following the recommendations issued by the Centers for Disease Control (CDC), the California Department of Public Health (CDPH) has issued guidance in support of full in-person instruction and to as much instructional time as possible. A link to that guidance is included at the bottom of this communication.

Please note that masks will be required by all staff and students while indoors regardless of vaccinated status. As an extra precaution, FJUHSD is committed to continuing the enhanced cleaning procedures established to ensure that our schools are clean, sanitized, and safe. Additionally, using our thermal cameras, temperatures will continue to be taken each morning.

[CDPH COVID-19/K-12-Guidance](#)

Safety Procedures for attending school during the COVID-19 pandemic.

- All students and staff will complete a Qualtrics COVID Safety Survey each morning (the survey will be sent to your school email).
- To enter campus, students will show their green checkmark from the completed survey permitting them to be on campus.
- Students will walk through the thermo-imaging temperature cameras by either the Main Office or the North Gym and show their green Qualtrics survey checkmarks.
- Face coverings (masks) are required inside and are optional while outside.

- Last but not least, **if you have taken a COVID-19 test** and are still waiting for results, **please do not attend school until you receive the results of that test**, and then **only come to school if you are negative for COVID-19!**

Students! Here is some important news from our Guidance Department!

Thank you and GO WARRIORS!

On Wednesday, I was on my way to visit some classrooms and enjoying the vastly improved weather and cooler temperatures when I observed our NJROTC falling into rank and preparing for inspection. Already, and even though it is still early in the school year our cadets look terrific! They are putting in the work and with the leadership of their instructors and senior cadets, and they will only continue to improve and keep looking better! Go, Warriors!

Students! We are wrapping up the first quarter grading period and all Teachers will have their grades input into AERIES by Monday night at midnight! Your parents will be able to see your grades on Thursday, September 23rd, so make sure to give them the good news in advance!

Warriors, due to the current COVID protocols limiting our ability to have more than 1,000 people in our gym, this time our Homecoming Rallies will be in the Quad. The first rally is for classrooms 200-417 and the second rally is for classes 421-2006 & P.E.

COLLEGE FAIR 2021

FJUHSD SOUTH COLLEGE FAIR

**OVER 50+ COLLEGES AND

Upon arrival, students, staff, and representatives will be required to complete a Qualtrics Survey.

This is a bittersweet moment for Troy High School in that we are saying goodbye to one of our Counselors, and welcoming a new addition to our family! From our Lead Counselor, Ms. Sarah Saleen: *"The Troy High School Counseling Department is losing one of our school counselors, Ms. Diaz, to the wonderful land of retirement. We wish her well and hope she finds*

rest and fulfillment in this new adventure. We thank her for her tireless advocacy and support of our students and families. Her last day at Troy is today, September 17th. We are fortunate to have Mr. Darren Varieur joining our team, who will take over Ms. Diaz's caseload.

Mr. Varieur's first day on campus is Monday, September 20th. Mr. Varieur served as our school counseling intern last school year and we look forward to him joining our Warrior family."

Students, you should have received an email from the Fullerton Joint Union High School District using our Qualtrics survey asking about your vaccination status. So you are aware, we are asking for this information should we have to contact trace for a positive COVID-19 exposure. Remember, the protocols for a close contact to someone who has tested positive for COVID are far different when a student is vaccinated vs. unvaccinated. Vaccinated students as long as they have no symptoms can go about their regular routine, while unvaccinated students must immediately begin a ten-day quarantine. If you have not yet filled out this specific survey on your vaccination status, please search your school email for the email shown below.

FJUHSD Self-Attestation of COVID-19 Vaccine Status

Fullerton Joint Union High School District (FJUHSD) continues to strive to maintain a School Community that is free from recognized hazards and to promote the health and well-being of our students, their families and our community as a whole. As part of this effort, FJUHSD has implemented certain safety protocols.

At least 80 percent of Californians have received at least one dose of a COVID-19 vaccine. The Pfizer vaccine is fully FDA approved for those 12 years and older.

Getting the COVID-19 vaccine is voluntary for our students, for this inquiry, we are asking you to voluntarily answer the question if you have been "fully vaccinated". Fully vaccinated means that it has been 2 weeks since your final dose, as recommended by the manufacturer, of one of the COVID-19 vaccines.

Are you fully vaccinated (it's been 2 weeks or more after your second dose in a 2-dose series, like the Pfizer or Moderna vaccines, or 2 weeks or more after a single-dose vaccine, like Johnson & Johnson's vaccine)?

- ☐ Yes, Fully Vaccinated
- ☐ No, Partially Vaccinated
- ☐ No, not yet Vaccinated but COVID-19 Appointment is Scheduled
- ☐ No, not yet Vaccinated
- ☐ Decline to Answer

On Wednesday, I sent an email to our Troy Staff regarding former Troy Assistant Principal, Dr. Caroline Llewellyn having been named as the new Principal of Hermosa Drive Elementary School in the Fullerton School District. While Caroline has not yet officially started her new job, (she still works for us for a bit longer) she happily posed for this picture in front of her new school. Congratulations, Dr. Caroline Llewellyn, who will always be a Troy Warrior for life! We are also calling dibs on both her sons when they are ready for high school. 😊

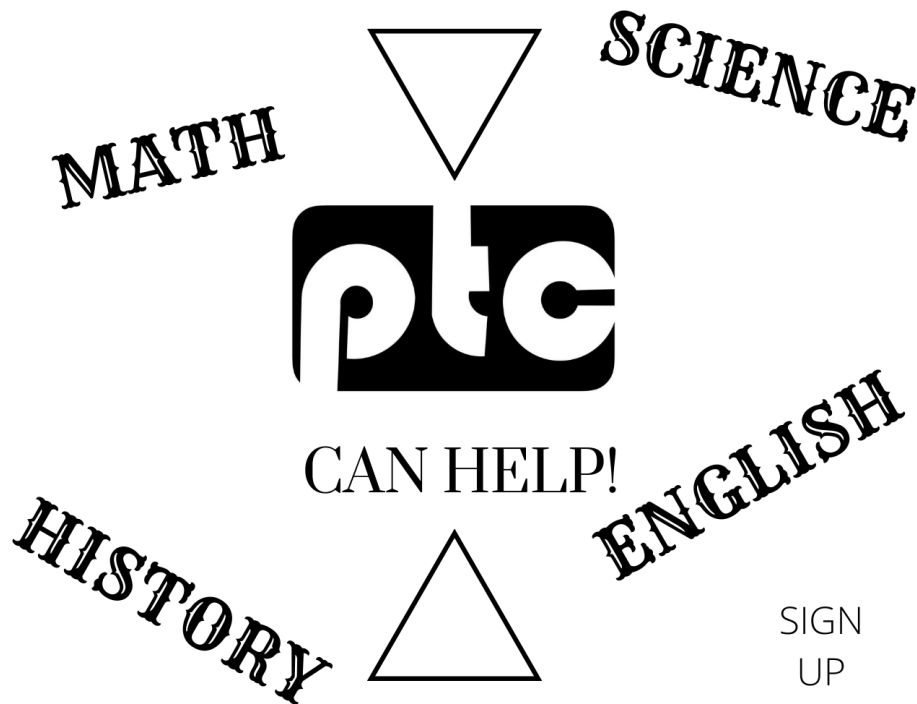

Our Homecoming football game & festivities are tonight at 7:00pm at the Fullerton Stadium. It is going to be a great evening for our Homecoming Halftime. Don't miss it!

Students, if you need help with your classes you should speak first with your teacher. If you still need help or would like to take a different approach to some of questions, there is arguably no team better suited to help you than your fellow students that have already taken the class in which you need help. Our Peer Tutors are here for you! Check out this flyer and get the additional academic support you need!

It has been a fantastic week at Troy High School and it is not yet over! Our Homecoming Game is tonight and our Homecoming Dance is tomorrow night. Again, it is absolutely awesome to be back here with our Troy family!!! No matter what your plans may be this weekend, I hope you are able to spend some time to be with friends and family and get in some rest and relaxation. I know I am going to enjoy this weather and will likely be decorating for the Fall Season as well as various other house projects. I am sure there is also some grilling, and watching football and baseball on the immediate schedule of plans for the weekend. However, first I need to get my hat back from Luna. I believe she has bad intentions from for my Dodgers baseball cap and she may secretly be a Giants fan... She does not care about my other baseball caps but she likes to take this one and run around with it before trying to rip off the lettering...

Have a great weekend and I will see everyone back here on Monday!

W.V. Mynster
