FJUHSD Insurance for Chromebooks Facts

La Vista & La Sierra High Schools is pleased to announce the Fullerton Joint Unified School District School Board and Cabinet have approved the distribution of Chromebooks for each student. This Chromebook will be issued to your child for their use at school and home. We are excited to make this powerful tool available to our students. We also understand both students and parents are naturally concerned about keeping these tools secure and in good working order.

Like textbooks, team uniforms and other school property issued to your child, there is a responsibility to take appropriate care of these valuable resources. The Chromebook is no different, but it does represent a cost to the district and consequent liability to students and parents. We have a warranty in place to cover the Chromebooks covered for manufacturing defects, but we know loss and accidents may also happen, even when students take good care of the device. In these instances, district policies, state regulations and practices require a fine be levied to cover the repair or replacement cost of district property. With Chromebooks, the cost of loss or damage is lower than many other technology tools, but it can still be significant.

In response, the district has developed a **voluntary** FJUHSD insurance Program for Chromebooks. The FJUHSD Insurance Program for Chromebooks works as follows:

- Prior to Chromebook distribution, parents make a payment of **\$25.00** to enroll in FJUHSD insurance for the current school year. The payment is reduced to **\$10** if a student qualifies for free lunch.
- In the event a student's Chromebook is accidentally damaged the normal fine for repair costs (typically between **\$30.00** and the full **\$350** value of the Chromebook) will be waived, and the Chromebook will be repaired at no cost to the family (the number of covered repairs per year is capped at two). Willful damage will still result in a fine. Damage assessment will be at the sole discretion of the district.
- In the event a Chromebook is lost or stolen, the normal fine for full replacement value of **\$350.00** will be reduced to a **\$40.00** deductible. Upon payment of this fine (or creation of an approved payment plan), the student will be issued a replacement Chromebook. However, the parent will not be eligible to enroll in FJUHSD insurance for a second time in the same school year and will be financially responsible for replacement or repair costs associated with this second Chromebook. **If the Chrome book is stolen off-campus, file a police report within 24 hours and bring a copy to school**
- If the lost or stolen Chromebook is recovered in good working condition the fine will be refunded.
- Families who choose to enroll and have more than two children receiving Chromebooks will only be required to pay for a maximum of two FJUHSD insurance enrollments to cover all devices per school year.
- **Exclusions** - The charger, protective case and any other peripherals issued with the Chromebook are NOT covered by the FJUHSD insurance program. If these items are lost or damaged, a fine will be issued for replacement cost. An equivalent replacement item may be accepted in lieu of the fine at the sole discretion of Fullerton Joint Union High School District representatives.
- If a family leaves the District, but does not return the Chromebook, they will be fined for the full replacement costs, and standard rules for the restriction of records and transcripts would apply. Law enforcement may be involved for the purpose of recovering district property.

If you choose not to enroll in the FJUHSD Insurance Program, you will be financially responsible for the full cost for repair or replacement of the Chromebook.

PURPOSE: Fullerton Joint Union School District (FJUHSD) may provide and assign students a Chromebook for use at school and at home as a means to promote achievement and provide flexible learning opportunities. This agreement provides guidelines and information about expectations for students and families who are being issued these one-to-one (1:1) devices. In addition to this agreement, the use of district -provided technology also requires students to abide by the Student Code of Conduct and all policies related to technology acceptable use.

Our expectation is students will responsibly use District technology and network resources. We also expect students will keep their District-issued devices safe, secure and in good working order. This agreement includes the following specific responsibilities and restrictions.

RESPONSIBILITIES - The student will:

1. Bring their Chromebook to school each day with a full charge.
2. Communicate responsibly and ethically using school appropriate language and speech.
3. Report any instance of cyberbullying, personal attacks or threats toward anyone made to school personnel.
4. Follow copyright laws and fair use guidelines.
5. Upon request, make the Chromebook available for inspection by any administrator or teacher.
6. Understand all electronic communication, activities and files accessed on District technology or networks are not private and may be viewed, monitored or archived by the District at any time.
7. Students will use their Chromebook during class time for academic purposes only.
8. Students will only use FJUHSD wireless network connections at school and will not connect to any cellular network or non-district wireless access point while at school.

RESTRICTIONS - The student will not:

1. Mark, deface, or place stickers that are not easily removed by the student, on the Chromebook or case.
2. Reveal or post identifying personal information, files or communications to unknown persons through email or other means.
3. Bypass or otherwise change the Internet filtering software, device settings, or network configurations.
4. Tamper with hardware or software, attempt unauthorized entry into and/or vandalize or destroy the computer or computer files.
5. Attempt to locate, view, share, or store any materials that are unacceptable in the school setting. This includes but is not limited to pornographic, obscene, graphically violent, racist, or vulgar images, sounds, music, language, video or other material that violates District policies, procedures, guidelines or student codes of conduct. The criteria for acceptability is demonstrated in the types of material made available to students by staff and the school media center.

I also understand that it is impossible for the Fullerton Joint Union High School District to restrict access to all controversial or inappropriate materials, and I will not hold the District responsible for materials acquired at school or at home. I understand that I am responsible for any fees/fines for inappropriate use of District provided Wi-Fi. Student 1:1 devices, in compliance with Federal Law, are configured so internet content is filtered at all school within FJUHSD. When students are using the device off school grounds, FJUHSD will not be able to monitor student use.

By signing this agreement, you agree to abide by the conditions listed above and assume responsibility for the care and proper use of FJUHSD technology. You understand should you fail to honor all the terms of this agreement, access to 1:1 technology, the Internet, and other electronic media may be denied in the future. Student misuse will be subject to disciplinary action outlined in the FJVHSD Student Code of Conduct.

As the parent/guardian, my signature indicates I have read and understand this Responsible Use and Safety Agreement, and give my permission for my child to have access to and use District-issued technology.

Printed name of adult household member completing this form

The information submitted on this form is a confidential educational record and is therefore protected by all relevant federal and state privacy laws that pertain to educational records including, without limitation, the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended (20 U.S.C. § 1232g; 34 CFR Part 99); Title 2, Division 4, Part 27, Chapter 6.5 of the California Education Code, beginning at Section 49060 et seq.; the California Information Practices Act (California Civil Code Section 1798 et seq.) and Article 1, Section 1 of the California Constitution.

Who should I include in “Household Size”?

You must include yourself and all people living in your household, related or not (for example, children, grandparents, other relatives, or friends) who share income and expenses. If you live with other people who are economically independent (for example, who do not share income with your children, and who pay a pro-rated share of expenses), do *not* include them.

What is included in “Total Monthly Household Income”? Total Monthly Household Income includes all of the following:

- **Gross earnings from work:** Use your gross income, not your take-home pay. Gross income is the amount earned before taxes and other deductions. This information can be found on your pay stub or if you are unsure, your supervisor can provide this information. Net income should only be reported for self-owned business, farm, or rental income.
- **Welfare, Child Support, Alimony:** Include the amount each person living in your household receives from these sources, including any amount received from CalWORKs.
- **Pensions, Retirement, Social Security, Supplemental Security Income (SSI), Veteran’s benefits (VA benefits), and disability benefits:** Include the amount each person living in your household receives from these sources.
- **All Other Income:** Include worker’s compensation, unemployment or strike benefits, regular contributions from people who do not live in your household, and any other income received. Do not include income from Cal Fresh, WIC, federal education benefits and foster payments received by your household.
- **Military Housing Allowances and Combat Pay:** Include off-base housing allowances. *Do not* include Military Privatized Housing Initiative or combat pay.
- **Overtime Pay:** Include overtime pay **ONLY** if you receive it on a regular basis.

If your income changes, include the wages/salary that you regularly receive. For example, if you normally make \$1,000 each month, but you missed some work last month and made \$900, put down that you made \$1,000 per month. Only include overtime pay if you receive it on a regular basis. If you have lost your job or had your hours or wages reduced, enter zero or your current reduced income.

For additional information on Household Size and Gross Household Income, please see the Eligibility Manual for School Meals on the U.S. Department of Agriculture Guidance and Resource Web page at
