All absences must be cleared within three (3) days.

Reminders for students who return to school after an absence:

- When your student returns to school, please have them communicate with their teacher regarding the work they missed during their absences.
- The student is still required to complete the work they missed while they were absent.
- Email your student's teacher(s) if you have any questions about the missing assignments.
- Verify on Google Classroom or [Aeries Parent Portal](#) to confirm the work is submitted.
