Dear La Vista & La Sierra High School Staff Members, Students, and Parents/Guardians,

At the October 6, 2020 regularly-scheduled meeting of the Fullerton Joint Union High School District (FJUHSD) Board of Trustees, Board Members approved the re-opening of all FJUHSD schools under the Hybrid Schedule, effective November 2, 2020. A copy of the Hybrid Schedule is attached for stakeholders' information.

The Fullerton Joint Union High School District continues to actively monitor the public health climate of Orange County and is using information from the Orange County Health Care Agency and the California Department of Public Health to drive the re-opening of our schools for the 2020-2021 school year, beginning November 2, 2020. The District is grateful for the patience and hard work of all our staff and students throughout the COVID-19 pandemic.

The Board of Trustees and I thank you for the support you have shown to your students and District staff members. We remain dedicated to ensuring that all students are provided with the opportunity to reach their full potentials, regardless of the platform for instruction. Collectively we will continue to get through these challenging times together.

Please contact your school administration with any questions you may have regarding the return to in-class instruction through the Hybrid Schedule, beginning Monday, November 2, 2020. Additionally, each school's website contains its Safety Plan for the reopening of school, which contains additional information that will further support our students, parents/guardians, and staff members as they return to live instruction through the Hybrid Schedule.

Once again, thank you for your continued patience and support.

Sincerely,

Scott Scambray, Ed.D.
Superintendent
