PARENT DATA CONFIRMATION

Parent Data Confirmation is a feature of Aeries that allows Parents to verify and or update Student demographics, contacts, medical conditions, view and agree to school policies, and update authorization information.

This process creates an updated Emergency Card that is required to be printed, signed, and turned in at Orientation.

In July, each family will receive detailed information regarding the Data Confirmation process.

- SOHS will have Parent Workshops in July for families that need in-person support with the Parent Portal and Data Confirmation process.
