I FOUND THE EVENT I AM LOOKING FOR, BUT I CAN'T PURCHASE TICKETS.

WHAT SHOULD I DO?

If you can view the event, but can't purchase tickets, there is a possibility that the event is sold-out or has reached its ticketing capacity. In this case, we would recommend reaching out to the school to see if they are selling tickets to the event you are looking for. There is also a possibility that the event has a Promo code protected by the school. If you have IFL/ASB you need to enter your ID.
