

Troy High School Course Profile

Course Title: Theatre II

Course Prerequisites: Refer to annual registration presentation

Course Description:

Theatre II is an advanced leadership class of Troy High School. Acceptance into the class means that the student is highly motivated in theatre. As leaders in the Theatre Department, it is expected that students will be involved in the entire Theatre program. It is also expected that your interest in theatre should reach beyond the classroom. Theatre II and III students are in the production classes and students are expected to audition for the 3 Major productions each year.

Students entering this course should already have a mastery of the following concepts and possess the following skills:

Some experience onstage or in front of a live audience is necessary. Understanding of playing a character and basic performance skills is required.

Workload expectations for this course:

After school rehearsals and performance dates require outside class time during the production phase of each show.
