	World Language circle one: <i>Y0521</i> Spanish 1 or <i>Y0501</i> French 1** or <i>Y0538</i> Chinese 1** **Spanish will be the alternate for these courses.

Things to consider when selecting classes:

- **6-period day:** Students can take a 6-period day from 8 a.m.-3p.m. To create this schedule: wait until 10th grade for World Language or Biology. (Note: 4 years of World Language required for IB Diploma)
- **Honors, Cambridge, and AP courses** are more rigorous than College Prep level and require additional time outside of class.
- **Balancing commitments** to sports or other activities is important.
- **Option to level down in courses** on the registration card today or the first 3 weeks of school.

For example, Geometry Honors → Geometry College Prep,
or English 1 Honors Cambridge → English 1 Honors.

Health is a 2 week online course. We will hold five different sessions throughout our summer. There is mandatory student attendance on the first and the last day of the two-week session for approximately 2 hours. Course work can all be done online, at student's own pace at home.

Summer Health sessions will start every Monday between the dates of Monday, June 1st - Thursday, July 9th (See included 2020 Summer School Flyer for session dates). Health classes are randomly assigned and will be posted online at troyhigh.com at the beginning of May.

Students are required to attend Troy on the Monday they are assigned Health. On that day they will meet with their teacher, and learn how to login and use the online system for their Health class. They are also required to attend in person on the Thursday of the second week of class to take the final exam.

The Health teacher will be on campus from 7:45 a.m. to 1 p.m. Monday through Thursday for any help students may need.

Petitioning: If you are unable to attend the assigned weeks you can petition for a different session by coming to Troy on one of the starting Mondays by 7:30 a.m. Available seats will be given by lottery.
