Senior Internship
(374 Interns Class of 2023)

AP Computer Science Principles

- Required 9th grade course, no programming experience needed
- Sets the foundation for the 6 Troy Tech Pathways
- In May 2022, 470 Troy students took exam with an 94% pass rate
- An introductory college-level course about the field of computer science
- Students learn to design and evaluate solutions as well as how computing innovations and systems like the internet work and impact society

**This award shows
that Troy has a large
number of female
students that take AP
Exams in Computer
Science**

Media Pathway

- Non-Fiction: Media Concepts H, Broadcast Journalism H 1 & 2 Omnia, Sports Broadcast H 1 & 2, Advanced Journalism Oracle newspaper, Yearbook H
- Fiction: Film 1 & 2 Cambridge AS & A Media Studies/IB SL & HL2, Troy Productions
- State of the Art Studio with Green Screen and Control Room

Business Pathway

- Courses: Empowering Entrepreneurs H, International Business H, Business Management IB SL (IB and Cambridge options)
- Future Business Leaders of America (FBLA) is incorporated into pathway.
In 2022, FBLA competed at both State and National conferences.
 - Competition at conferences, Categories range cs to sports management
 - Leadership: Campaign for positions, Lead community service projects
 - Networking: Meet like minded students, Connect with professionals

Computer Science Pathway

- Courses: Cambridge Advanced Computer Science AS Level Year 1, Computer Science A AP (IB HL 1), Cambridge Advanced Computer Science A Level Year 2, Computer Science IB HL 2
- 4 years of honors-level programming courses available
- Computer science AP, IB, and Cambridge exams qualify for college credit
- College Board recognition [#1 CS program in the world](#)
- Competitive clubs, programming contests, and Esports team

```
public class Hello
{
    public static void main(String[] args)
    {
        System.out.println("Hello World!");
    }
}
```

Cyber Defense Pathway

- Courses: Digital Technology Fundamentals H, Networking Security Essentials H, & Cybersecurity 101 H with industry-level certifications in CompTIA A+, CompTIA Networking+, and CompTIA Security+.
- Three-time CyberPatriot National Champions 2021/2019/2018; 2022 Presidential Cybersecurity Education Award
- Largest competitive program in the U.S. with 300 students
- Website: stubblefield.troyhigh.com

Engineering Pathway Presentation

- Courses: Cambridge Design & Technology AS Level Year 1 (IB SL 11th), Cambridge Design & Technology A Level Year 2, Mechatronics H, Design Technology IB SL
- Students learn the design cycle and have access to engineering workshop with power tools and 3D printers
- SolidWorks CSWA certification, Cambridge and IB options
- FIRST Robotics Team participated in 2022 National build competition.

@team3952

Engineering Pathway

SolidWorks CAD instruction - Design projects include cardboard chair

Leadership Pathway: Naval Junior Reserve Officers Training Corps

troynjrotc.org

Leadership Pathway NJROTC

- Close to 300 Cadets
- Schedule each week: 2 days of Academics, 2 days of Physical Training (PE Credit), Uniform Day
- Opportunities for peer leadership experience
- Honors credit grades 11 & 12
- Optional competitive teams after school including:
 - Drill Teams (Team Black and Team Red)
 - Marksmanship
 - Quizbowl
 - Cyber
 - Orienteering
 - Seaperch (Underwater robotics)

Senior Internship

- 150-hour experience in-person (or virtual) at a business or university - a defining experience for future goals and stands out on college app
- 400 seniors earn internship credit each summer guided by Troy staff advisors
- Over 1000 partners in industry including Boeing, Peraton, Stanford, medical (City of Hope), science research (USC, UCI, CSUF), and many more

Troy High School International Baccalaureate

Diploma Program

January 18, 2023

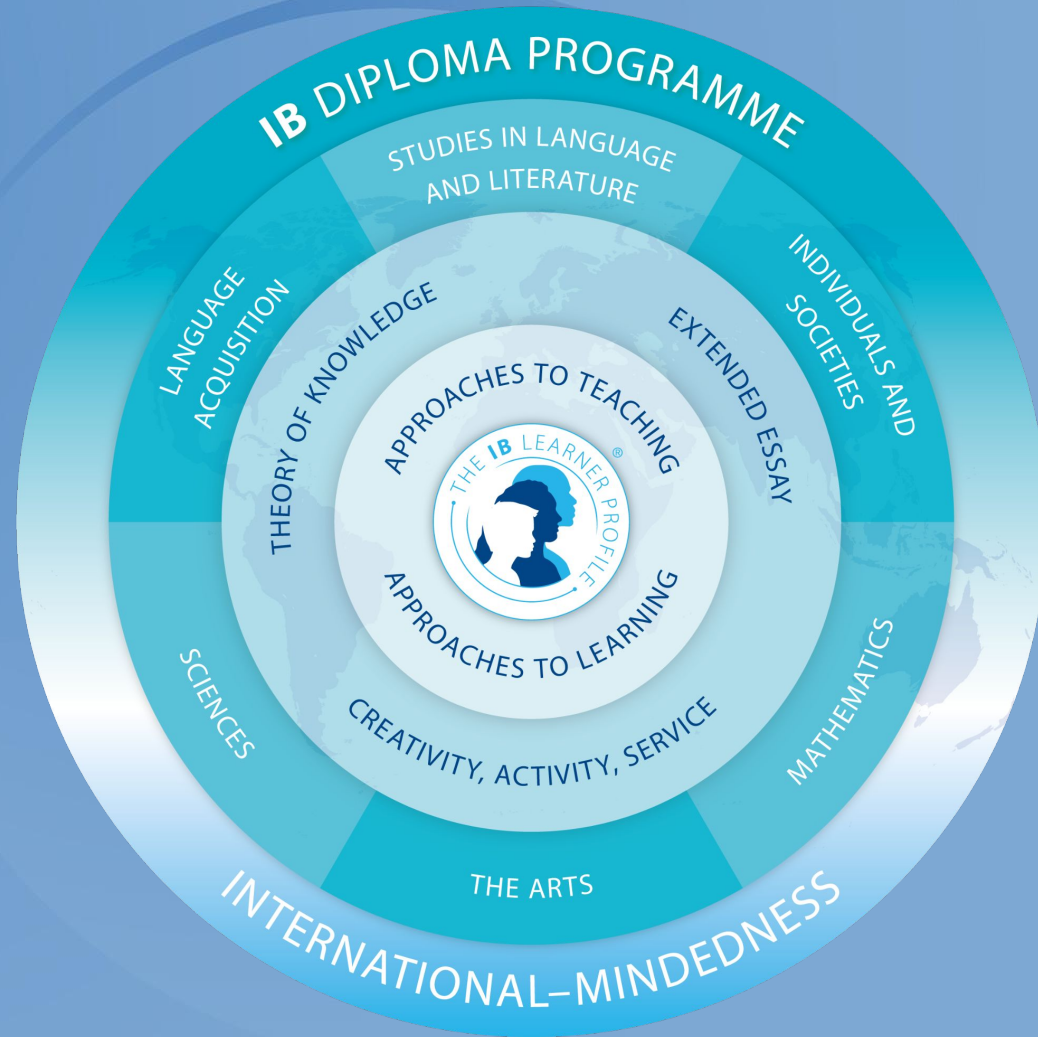

IB Diploma Program

- 2-year Diploma Program for highly motivated 11th and 12th grade students
- One of the most rigorous course progressions
- Dedicated to the betterment of the student and the world
- Develops a balanced individual colleges appreciate and recognize

Diploma Program Model

ibo.org

IB learner profile

The aim of all IB programmes is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

As IB learners we strive to be:

INQUIRERS

We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.

KNOWLEDGEABLE

We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.

THINKERS

We use critical and creative thinking skills to analyse and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions.

COMMUNICATORS

We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.

PRINCIPLED

We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.

OPEN-MINDED

We critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.

CARING

We show empathy, compassion and respect. We have a commitment to service, and we act to make a positive difference in the lives of others and in the world around us.

RISK-TAKERS

We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.

BALANCED

We understand the importance of balancing different aspects of our lives—intellectual, physical, and emotional—to achieve well-being for ourselves and others. We recognize our interdependence with other people and with the world in which we live.

REFLECTIVE

We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.

The IB learner profile represents 10 attributes valued by IB World Schools. We believe these attributes, and others like them, can help individuals and groups become responsible members of local, national and global communities.

The IB experience is not just a way to learn, it's a way of life and, for more than 1,250,000 students each year, the way to a better, more peaceful world.

10 Reasons

why the IB Diploma Programme (DP) is ideal preparation for university

1

It increases academic opportunity

Research shows that DP graduates are much more likely to be enrolled at top higher education institutions than entrants holding other qualifications.

2

IB students care about more than just results

Through creativity, action, service (CAS) you learn outside the classroom and develop emotionally and ethically as well as intellectually.

3

It encourages you to become a confident and independent learner

For example, the extended essay requires independent research through an in-depth study.

6

The IB encourages critical thinking

Learn how to analyse and evaluate issues, generate ideas and consider new perspectives.

5

Graduates are globally minded

Language classes encourage an international mindset, key for increasingly globalised societies.

4

It's an international qualification

The DP is recognised globally by universities and employers.

7

DP students have proven time management skills

Take good study habits and strong time management to further education and the working world.

9

Subjects are not taught in isolation

Theory of knowledge (TOK) classes encourage you to make connections between subjects.

8

It assesses more than examination techniques

Learn to understand, not just memorise facts or topics and prepare for exams.

10

It encourages breadth and depth of learning

You are able to choose courses from six subject groups and study subjects at different levels.

COLLEGE & UNIVERSITY RECOGNITION

—STUART
SCHMILL,
DEAN OF
ADMISSIONS,
MIT

“One of the things we find with students who have studied Cambridge International [AS and A Levels](#) is that they have a real depth of understanding of the subject matter that they have had classes in, and a real engagement with it.”

—CHRISTOPH
GUTTENTAG,
DEAN OF
UNDERGRADUATE
ADMISSIONS,
DUKE
UNIVERSITY

“We think the Cambridge curriculum is superb preparation for university.”

—RICHARD
C. LEVIN,
PRESIDENT,
YALE
UNIVERSITY

“The depth and knowledge displayed by the best [A Level](#) students makes them prime targets for America’s Ivy League universities.”

CAMBRIDGE LEARNER ATTRIBUTES

INNOVATIVE

and equipped for new and future challenges

REFLECTIVE

as learners, developing their ability to learn

ENGAGED

intellectually and socially, ready to make a difference

RESPONSIBLE

for themselves, responsive to and respectful of others

CONFIDENT

in working with information and ideas – their own and those of others

AICE DIPLOMA:

ADVANCED INTERNATIONAL CERTIFICATE OF EDUCATION

Broad, balanced, & *flexible* program of study that allows learners to study a variety of subjects from three different groups:

1. Mathematics & Sciences
2. Languages
3. Arts & Humanities
4. **Core:** AS Global Perspectives & Research

TRHS CAMBRIDGE PROGRAM: TWO OPTIONS

1. Select **A-Level** courses/exams

*AS courses = 1 year

***A-Level** courses = 2 years

2. Full diploma (**AICE**)

AICE: ADVANCED INTERNATIONAL
CERTIFICATE OF EDUCATION

A-LEVEL COURSES

Biology

Physics

Computer Science

Design & Technology

English Language

Chinese

Spanish

Art & Design

History

Media Studies (film)

Business

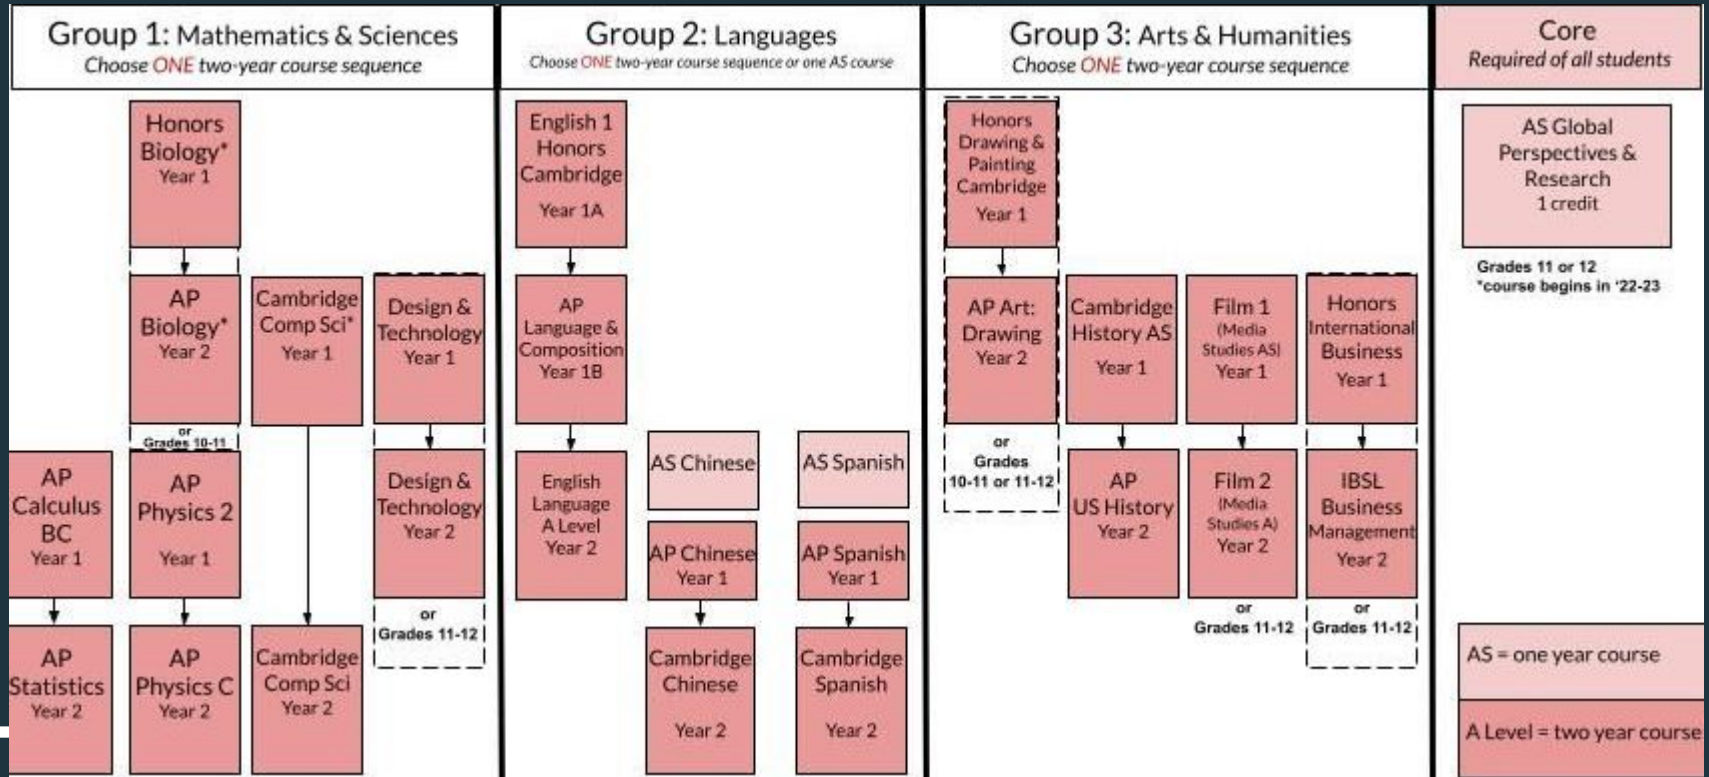

AS Global Perspectives & Research

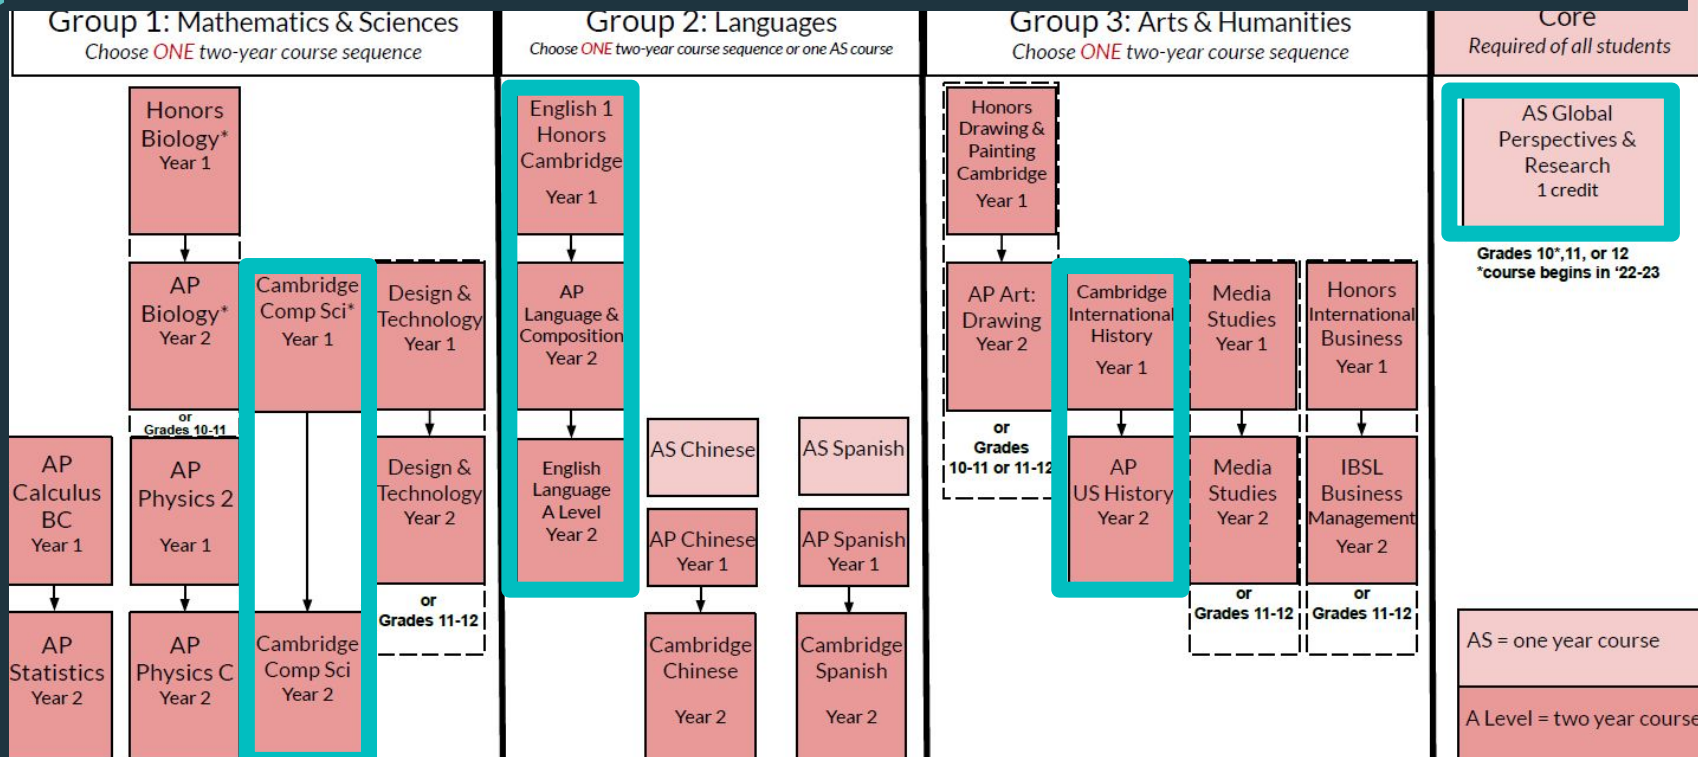

COURSES Chinese
Spanish

AICE REQUIREMENTS:

7 POINTS FROM 3 SUBJECT GROUPS, PLUS CORE RESEARCH COURSE

SAMPLE STUDENT DIPLOMA PATHWAY

Troy Tech/IB/Cambridge/Honors Testing for Current 8th grade students is **January 21, and 28, 2023** from 7:30-Noon. Check-in at 7:15 a.m. at North Gym.

- Applicants are encouraged to register online for testing at applicants.troyhigh.com
- Bring student photo id or passport and printout of 8th grade schedule listing current math course.
- Testing covers midyear eighth grade content in math and English, and the format includes multiple-choice questions and an English essay.
- Notification: By March 1, 2023, notifications will be emailed to all applicants. Acceptance emails will include March registration time and instructions.

6:00 - 7:30 p.m. Troy's Open House includes student panel in the Theater, performances in the Quad, and staff available in the North Gym and classrooms. See handout.
