Junior High Graduation date (if known): _____

TROY TECH PROGRAM REQUIREMENTS

Students who have been selected to participate in Troy's magnet program are expected to thrive in its accelerated academic and technical classes. To this end, students must achieve and maintain a standard of excellence as demonstrated by their academic performance, their behavior, and their attendance patterns. The following criteria have been established to advise the program's standards through the capstone senior Internship course.

ACADEMIC CRITERIA

Each and every semester, **all Troy Tech students** must satisfy the following academic requirements:

- Troy Tech students must demonstrate positive and consistent progress in work habits, citizenship, and grades throughout each semester and in each class.
- Troy Tech students must be enrolled in the appropriate Troy Tech course each and every semester of their freshman, sophomore, and junior years. They must be enrolled in the Internship course in the summer directly preceding the senior year or in the senior year itself.
- Troy Tech students must earn a minimum semester grade point average of 2.0 (unweighted).
- Troy Tech students enrolled in a six-period day must earn at least 25 semester units; Troy Tech students enrolled in a seven-period day must earn at least 30 units.
- Regardless of their grade point average, Troy Tech students may not earn a failing grade in any Troy Tech elective (AP Computer Science Principles, Troy Tech Pathways Elective, or Internship)

In addition to the above requirements and regardless of their overall semester grade point average or units earned, **Troy Tech Juniors** must satisfy these additional requirements to continue in the program as Troy Tech Interns in their senior year:

- Troy Tech Juniors will be assigned a Pre-Internship Coach and must complete the Pre-Internship component of Troy Tech. Detailed requirements for Pre-Internship can be found in the Troy Tech Pre-Internship Handbook distributed to all Troy Tech Juniors and their parents at the beginning of the junior year. Deadlines are also posted on preinternship.troyhigh.com
- Students with a pattern of excessive absences and/or tardies will not be recommended for Internship.
- Troy Tech Juniors must earn the recommendation of their Troy Tech teachers, program directors and the administrators.

Troy Tech students whose performance does not correspond with these requirements will be removed from the Troy Tech Program and encouraged to seek a program that is more compatible with their ability level, talents, and interests. Students attending Troy on interdistrict transfer permits will be subject to a range of consequences including redirection to their home districts for placement. Students who have been removed from the Troy Tech Program or who leave the program voluntarily will not be eligible for reinstatement.

Students who are demonstrating flagrant disregard for their academic progress within any semester may be considered in violation of behavioral standards; they may be subject to further action as outlined below.

ATTENDANCE CRITERIA

Troy Tech students must be enrolled in a full academic course of study at Troy High School to participate in the Troy Tech Program. Furthermore, these students are expected to attend their classes each day and maintain continuous semester-to-semester enrollment in the Troy Tech Program. If a pattern of excused or unexcused absences develops, as determined by a teachers, program directors and/or administrators, the student's enrollment in the program will be brought under review. A student's poor attendance—resulting from excessive excused or unexcused absences—will justify a student's removal from the program. There is no probationary period during which a student may rectify a poor attendance pattern.

Students who fail to meet the attendance requirements will be ineligible to continue in Troy's magnet program; they will be encouraged to seek a program that is more compatible with their ability level, talents, and interests. Students attending Troy on interdistrict transfer permits will be subject to a range of consequences including redirection to their home districts for placement. Students who have been removed from the Troy Tech Program will not be eligible for reinstatement.

BEHAVIORAL CRITERIA AND DISCIPLINARY PROBATION

Troy Tech students are expected to abide by the behavioral and academic honesty policies of Troy High School and its individual teachers and classes. A Troy Tech student who has been suspended or whose behavior has been deemed unacceptable by an administrator, a teacher, or another staff member will be placed on Disciplinary Probation. A second behavioral infraction or suspension will result in the student's permanent removal from the program. It should not be construed that Disciplinary Probation is a student's right since a behavioral infraction of a serious nature may result in the student's immediate removal from the Program.

Upperclassmen in the Troy Tech Program are expected to comport themselves as mature, trustworthy young adults and to demonstrate a high level of social conscience. These qualities, along with a strong academic performance, are requisite to a student's commencement into the Senior Internship. Juniors and seniors may be disqualified or removed from Internship, and thus the Troy Tech Program, for behavioral infractions.

Students who fail to meet the behavioral requirements will be ineligible to continue in Troy's magnet program; they will be encouraged to seek a program that is more compatible with their ability level, talents, and interests. Students attending Troy on interdistrict transfer permits will be subject to a range of consequences including redirection to their home districts for placement. Students who have been removed from the Troy Tech Program or have left voluntarily will not be eligible for reinstatement.

Disciplinary Probation may not be offered to a student who is in violation of attendance or academic standards.

SENIOR INTERNSHIP REQUIREMENTS

In addition to the academic, behavioral, and attendance requirements, **Troy Tech students** must satisfy the requirements of the Senior Internship. These requirements include but are not limited to:

- Attendance at informational meetings.
- Participation and completion of the 150-hour Internship.
- Participation and attendance at the Mentor Breakfast and Troy Tech Fair.
- Wearing appropriate business attire to their Internship, Mentor Breakfast, and the Troy Tech Fair.

Troy Tech students whose performance does not correspond with these requirements will be subject to deductions from their Internship grade and/or removal from the Troy Tech Program.

I have read and understand these **TT Program Requirements** as well as the **Academic Honesty, Attendance, Computer Lab Usage, Electronic Devices, Google Acceptable Use, and Internet Access Policies**. Please visit www.troyhigh.com school policies to review.

Troy High School
Summer School Online Health Course
2020

This Health course is worth 2.5 credits and is one of the FJUHSD graduation requirements. This course is only offered during summer school. Please look through the information below. If you are interested in taking Health during summer school at this time, please turn in this application with your registration materials.

Name:	Birthdate:	Grade:
Parent Name:	Parent Signature:	
Parent Email:	Parent Phone:	

Health is a 2 week online course. We will hold five different sessions throughout our summer. There is mandatory student attendance on the first and the last day of the two-week session for approximately 2 hours. Course work can all be done online, at student's own pace at home.

Summer Health sessions will start every Monday between the dates of Monday, June 1st - Thursday, July 9th (See included 2020 Summer School Flyer for session dates). Health classes are randomly assigned and will be posted online at troyhigh.com at the beginning of May.

Students are required to attend Troy on the Monday they are assigned Health. On that day they will meet with their teacher, and learn how to login and use the online system for their Health class. They are also required to attend in person on the Thursday of the second week of class to take the final exam.

The Health teacher will be on campus from 7:45 a.m. to 1 p.m. Monday through Thursday for any help students may need.

Petitioning: If you are unable to attend the assigned weeks you can petition for a different session by coming to Troy on one of the starting Mondays by 7:30 a.m. Available seats will be given by lottery.

SUMMER SCHOOL

Please complete the green **Summer School Online Health Course** card found in the registration packet and return it when the Counselors pick-up your registration materials. Cards can also be obtained from the Counseling Office at Troy High School. Complete and return the form as soon as possible. We strongly recommend that you take Health in the summer.

Health (2 weeks)

Session Dates

Monday, June 1 – Thursday, June 11

Monday, June 8 – Thursday, June 18

Monday, June 15 – Thursday, June 25

Monday, June 22 – Wednesday, July 2

Monday, June 29 – Thursday, July 9

Health session assignments will be randomly generated and posted online at troyhigh.com in the beginning of May. It is mandatory for students to attend the first and last day of the session they are assigned.

Petitioning: If you are unable to attend the assigned weeks you can petition for a different session by coming to Troy on one of the above Mondays by 7:30 a.m. Available seats will be given by lottery.

Fullerton Joint Union High School District

GRADUATION REQUIREMENTS

COURSE AREA	GRADUATION REQUIREMENTS	TOTAL UNITS
English	4 years (the sequence of courses is English I, II, and III, and 10 additional units of English electives)	40
Social Sciences	3 years (the sequence of courses is 10 units of World History, 9 th or 10 th grade; 10 units of United States History, 11 th grade; 5 units of United States Government and 5 units of Economics, 12 th grade)	30
Mathematics	3 years (1 year must be earned in Algebra 1 or higher course)	30
Science	2 years (including 10 units of a life science and 10 units of a physical science, both laboratory courses)	20
CTE	1 year career technical education, foreign language, or visual/performing arts	10
Foreign Language		
Visual/Performing Arts		
Health Education	One Quarter	2.5
Physical Education	Four Semesters	20
Elective Courses		65
Total Units Required		217.5

COLLEGE ENTRANCE REQUIREMENTS & RECOMMENDATIONS

UC = UNIVERSITY OF CALIFORNIA (9 campuses)

(Begin Application: August 1; Submit: November 1-30)

- A. HISTORY/SOCIAL SCIENCE – 2 years required**
One year of World History and one year of US History (or one-half year US History and one-half year of Civics or American Government)
- B. ENGLISH – 4 years required**
4 years of college preparatory English composition and literature
- C. MATHEMATICS – 3 years required, 4 recommended**
Minimally: Algebra 1, Geometry, and Algebra 2
- D. LABORATORY SCIENCE – 2 years required, 3 recommended**
Two years of a laboratory science in at least two of the three disciplines of biology, chemistry, and physics
- E. LOTE (Language Other Than English) – 2 years required, 3 recommended**
Of the same World Language
- F. VISUAL AND PERFORMING ARTS – 1 year required**
Art, Music, Theatre, Dance, etc.
- G. COLLEGE PREPARATORY ELECTIVES – 1 year required**
One additional year of college preparatory coursework chosen from the UC a-g list.

***TESTS REQUIRED: SAT or ACT with Writing**

-SAT Subject Tests are *Recommended by some UC Departments*

***PERSONAL INSIGHT QUESTIONS (aka: essay) are REQUIRED**

***NO LETTERS OF RECOMMENDATION** (unless requested)

CSU = CALIFORNIA STATE UNIVERSITIES (23 campuses)

(Application Window: October 1 - November 30)

- A. HISTORY/SOCIAL SCIENCE – 2 years required**
One year of US History (or one-half year of US History and one-half year of Civics or American Government) and 1 year of social science.
- B. ENGLISH – 4 years required**
4 years of college preparatory English composition and literature
- C. MATHEMATICS – 3 years required, 4 recommended**
Minimally: Algebra 1, Geometry, and Algebra 2
- D. LABORATORY SCIENCE – 2 years required**
Including 1 biological science and 1 physical science
- E. LOTE (Language Other Than English) – 2 years required**
Of the same World Language
- F. VISUAL AND PERFORMING ARTS – 1 year required**
Art, Music, Theatre, Dance, etc.
- G. COLLEGE PREPARATORY ELECTIVES – 1 year required**
One additional year of college preparatory coursework chosen from the UC a-g list.

***TESTS REQUIRED: SAT or ACT**

-SAT Subject Tests not required

*An Essay IS NOT REQUIRED

***NO LETTERS OF RECOMMENDATION** (only for EOP)

UC/CSU GPA calculated based on 10-11 grades in a-g courses. UC campuses require a 3.0 UC/CSU GPA minimum to apply; CSU campuses require a 2.0 UC/CSU GPA minimum to apply. All a-g courses must be passed with a C- grade or higher.

COMMUNITY COLLEGES

To be eligible, a student must be 18 years of age or hold his/her high school diploma. The student may participate in a Certificate or Degree Program (start employment at completion of requirements), or participate in a Transfer Program (complete 60+ transferable units and apply as a transfer student to a four-year institution as a Junior). They do have their own placement process that includes multiple measures to assess college readiness. The SAT or ACT are not required.

PRIVATE COLLEGES AND UNIVERSITIES AND OUT-OF-STATE COLLEGES AND UNIVERSITIES

Subject requirements vary among private colleges both in and out-of-state and among out-of-state public institutions. However, if a student follows the University of California a-g requirements and is eligible for admission to the University of California, the student will probably be well on their way to meeting the requirements for many of these schools. The highly selective private colleges and universities recommend a minimum of five (preferably six) academic classes each year. Admissions testing requirements will vary by school. Check with the college or university to see if they have a preference between the SAT or ACT with Writing, if they require or recommend any SAT SUBJECT TESTS, or if perhaps they require none at all.

TROY TECH COURSE DESCRIPTION

Y0278 AP-COMPUTER SCIENCE PRINCIPLES

Year-Long

Computer Science Principles is an introduction to computer science. The course will cover the following technology related topics: creativity, abstraction, data and information, algorithms, programming, the Internet, and global impact. Students will have opportunity to take the Advanced Placement exam in May.

TROY HIGH SCHOOL REGISTRATION CHECKLIST

Use this sheet to check out today. Return the items in this order to a Troy staff member before leaving today's session. If you are missing a copy of a document that you were supposed to bring, please drop it by the Troy registrar during office hours within the next week.

Please
leave
stapled

1A. COURSE REGISTRATION CARD

Be sure to select your physical education and/or world language choices and fill in the correct course numbers.

1B. STUDENT INFORMATION SHEET

Please be sure to completely fill out both sides (including ethnic identity and race, foster youth, etc.).

2. MCKINNEY-VENTO RESIDENCY QUESTIONNAIRE

All students are required to complete this questionnaire.

3. HOME LANGUAGE AND RESIDENCY SURVEY All students are required to complete all questions on this survey. If any language other than English is marked on this form, please attach a copy of recent ELPAC (English Language Proficiency Assessments for California) test scores, or re-designation paperwork, if available.

4. COPY OF BIRTH CERTIFICATE

If the birth certificate is in a language other than English, it must be translated into English.

5. COPY OF MORTGAGE STATEMENT OR RENTAL/LEASE AGREEMENT (in custodial parent's name). Troy High School is required by law to verify proof of residence documents upon registration.

6. COPY OF UTILITY BILL (gas, water, or electric in custodial parent's name)

7. COPY OF IMMUNIZATION RECORD All students need to submit proof of immunizations and will be excluded from school if this requirement is not met by the first day of school. It is the responsibility of the parent to confirm that all requirements are met as set forth by the California School Immunizations Law.

8. COPY OF LAST REPORT CARD/TRANSCRIPTS

Placement for courses particularly math depends on letter grades and courses completed.

9. SUMMER SCHOOL FORM (Optional)

The two-week Health course will be online. Students must attend class on Troy's campus the first and last day of the class at their assigned time. Summer school hours are M-Th 7:45 a.m. – 1 p.m.

10. CUMULATIVE FILE REQUEST FORM

Complete your name and junior high information, then submit.

11. TROY TECH PROGRAM REQUIREMENTS

Student and parent should sign at the bottom.

12. COPY OF INTRA-DISTRICT PERMIT or INTER-DISTRICT TRANSFER if you have already secured it. If it has not been secured, please start the process as explained in today's session. **If you are in Troy's local attendance area or completed open enrollment, this document is NOT required of you.**

Your student will not be enrolled until all of the above information is received.

Why learning another language is important?

- Boosts brain power...
- Improves memory...
- Sharpens the mind...
- Enhances decision-making...
- The first language is improved. ...
- Improves performance in other academic areas...

Placement Opportunity

The World Language Department is giving the opportunity to students who have the ability to successfully apply all four language skills (listening, reading, speaking, and writing) to take a Placement Exam to advance from level 1 to level 2.

The following are the designated days, time, and location for corresponding placement:

<u>Language</u>	<u>Teacher</u>	<u>Day (s)</u>	<u>Time</u>	<u>Room</u>
Chinese	Mrs. Scott	April 1 st and 3 rd	3:15 pm	415
French	Mr. Fritz	April 1 st and 3 rd	3:15 pm	422
Spanish	Mrs. Mormont	April 1 st and 3 rd	3:15 pm	326

TROY HIGH SCHOOL WORLD LANGUAGE PATHWAY (Chinese/French/Spanish)

Requirements

- Freshmen who have successfully completed 2 years of the same target language in Junior High, will be placed in level 2
- Bilingual or fluent freshman, and transfer students may take a placement exam in the target language to ensure corresponding placement. A score of 80% and above will place the student in level 2.
- IB SL and AP is a two-year program. Freshmen will not be placed in IBSL Level.
- Students must earn a C- or better to move on to the next level.
- Students must earn a B- or better to move on to AP level.
- According to initial placement, students may be able to take the AP/IB/Cambridge exams upon completion of level 4 AP.
