PART 1: AERIES ONLINE REGISTRATION

Use the following site to access Aeries Online Registration and begin the registration process: **https://enrollment.fjuhsd.org**

Detailed Aeries Online Enrollment instructions are on the second page of this document.

Enroll a new student and create an account. In the screen that asks for the student's legal name, on the question "select grade level or program from drop down list" choose "Troy Tech" (the last option). After the email verification section, you can exit and resume later by selecting "Logout" from the upper right menu. To resume when you log in, select "My Account" from the upper right menu to view "Pending Enrollment."

The deadline to create your account and begin the process of electronically submitting the items below is March 12, 2021. Gather the following documents and be prepared to upload:

1. BIRTH CERTIFICATE (preferred) or PASSPORT
2. MORTGAGE STATEMENT OR RENTAL/LEASE AGREEMENT - In custodial parent's name.
3. UTILITY BILL - Gas, water, or electric in custodial parent's name.
4. IMMUNIZATION RECORD - Include the following: 4 doses of Diphtheria, Tetanus and Pertussis (DTaP, DTP, Tdap, or Td) and a final dose (Tdap) after 7th birthday; 4 doses of Polio (OPV or IPV); 3 doses of Hepatitis B; 2 doses of Measles, Mumps and Rubella (MMR); and 2 doses of Varicella (Chicken Pox). It is the responsibility of the parent to confirm that requirements are met as set forth by the California School Immunizations Law.
5. LAST REPORT CARD/TRANSCRIPT - The school counselors will use this to help determine course placements; unofficial transcript is acceptable.
6. ELPAC TESTING INFORMATION (English Language Proficiency Assessments for California) This optional upload is for any student that has ELPAC testing scores or re-designation paperwork to provide from a previous California school.

PART 2: COURSE SELECTION

Wednesday Registration Zoom Presentation - Date (March 3 or 10), Time, and Zoom link were emailed.

Join the meeting on time and plan to stay for 60-75 minutes. **Have this packet available as you follow along with the presentation and complete your course registration documents.** The presentation is designed for both student and parent to participate. Information regarding course recommendations and options will be reviewed. The format of this Zoom meeting includes a general presentation followed by Zoom breakout rooms hosted by Troy counselors to address schedule questions. The general session will be recorded and made available after the event. The registration presentation slides will be emailed to you on the presentation date.

PART 3: PACKET DROP OFF

Drop off requested items at Troy High School on **Friday, March 5 or 12** from 1:30 p.m. to 4:00 p.m. Enter the campus from Dorothy Lane, follow the signs, and remain in your vehicle. Submit PART 2 Course Selection documents including:

❏ 1. Course Registration Card (take a picture for your own record)
❏ 2. Troy Tech Requirements
❏ 3. Home Language Survey
❏ 4. Summer School Health Course Card (including Emergency Consent on back side)
❏ 5. Last Report Card/Transcript

Detailed Aeries Online Enrollment FJUHSD Instructions - for Troy Tech Families
https://enrollment.fjuhsd.org

1. Welcome screen. Click button "**Enroll A New Student**"
2. Select enrollment year from drop down list "**2021-2022 Pre-Enrollment**"
3. Create account **Your Name**, **Email Address**, **Create Password**. Click button "**Create Account**"
4. Terms of Service. Checkbox "**I agree**"
5. Legal Name. Enter name and birth date. For select grade level or program from drop down list, choose "**Troy Tech**" - this is the LAST option in the list. **IMPORTANT - YOU MUST SELECT TROY TECH** or it will say unable to find address for registration at Troy High School after the resident address screen; if you receive this message your account is NOT created and you must start over.

6. Resident Address. Enter street address.
7. Account Email Verification. At this point the form instructs you to complete email verification.
8. General Information. Enter demographic information.
9. Language Information. Answer questions regarding home language.
10. Parent Information. Enter parent information.
11. Restrained Individuals. Answer a question regarding this.
12. Physician Information. Answer questions.
13. Emergency Contact. Enter up to 4 contacts.
14. Medical Information. Answer questions.
15. District Enrollment. Enter information regarding school last attended.
16. Documents Section. Click next.
17. Authorizations. Answer questions.
18. Upload documents.

- **Immunization Record** *(required)*
- **Proof of Address** *(required)* Documents must be in the parent/guardian's name.
- **Documentation of Age** Birth certificate, passport, hospital certificate, etc.
- **Custodial or restraining court orders**
- **Copy of unofficial transcript and/or last report card**

IMPORTANT: Past step #7 above, your account is created. At anytime past step #7, you can **EXIT and RESUME later. From the Account Menu in the upper right corner of your screen, select "Logout"**

When you are ready to login and finish Aeries Online Registration:

1. Login at **https://enrollment.fjuhsd.org**

2. From the Account Menu in the upper right corner of your screen, select **"My Account"** and you will see a list **"Pending Enrollment"** Click **"Resume"** to return to the last page that you completed.

TROY TECH PROGRAM REQUIREMENTS

Students who have been selected to participate in Troy's magnet program are expected to thrive in its accelerated academic and technical classes. To this end, students must achieve and maintain a standard of excellence as demonstrated by their academic performance, their behavior, and their attendance patterns. The following criteria have been established to advise the program's standards through the capstone senior Internship course.

ACADEMIC CRITERIA

Each and every semester, **all Troy Tech students** must satisfy the following academic requirements:

- Troy Tech students must demonstrate positive and consistent progress in work habits, citizenship, and grades throughout each semester and in each class.
- Troy Tech students must be enrolled in the appropriate Troy Tech course each and every semester of their freshman, sophomore, and junior years. They must be enrolled in the Internship course in the summer directly preceding the senior year or in the senior year itself.
- Troy Tech students must earn a minimum semester grade point average of 2.0 (unweighted).
- Troy Tech students enrolled in a six-period day must earn at least 25 semester units; Troy Tech students enrolled in a seven-period day must earn at least 30 units.
- Regardless of their grade point average, Troy Tech students may not earn a failing grade in any Troy Tech elective (AP Computer Science Principles, Troy Tech Pathways Elective, or Internship)

In addition to the above requirements and regardless of their overall semester grade point average or units earned, **Troy Tech Juniors** must satisfy these additional requirements to continue in the program as Troy Tech Interns in their senior year:

- Troy Tech Juniors will be assigned a Pre-Internship Coach and must complete the Pre-Internship component of Troy Tech. Detailed requirements for Pre-Internship can be found in the Troy Tech Pre-Internship Handbook distributed to all Troy Tech Juniors and their parents at the beginning of the junior year. Deadlines are also posted on preinternship.troyhigh.com
- Students with a pattern of excessive absences and/or tardies will not be recommended for Internship.
- Troy Tech Juniors must earn the recommendation of their Troy Tech teachers, program directors and the administrators.

Troy Tech students whose performance does not correspond with these requirements will be removed from the Troy Tech Program and encouraged to seek a program that is more compatible with their ability level, talents, and interests. Students attending Troy on interdistrict transfer permits will be subject to a range of consequences including redirection to their home districts for placement. Students who have been removed from the Troy Tech Program or who leave the program voluntarily will not be eligible for reinstatement.

Students who are demonstrating flagrant disregard for their academic progress within any semester may be considered in violation of behavioral standards; they may be subject to further action as outlined below.

ATTENDANCE CRITERIA

Troy Tech students must be enrolled in a full academic course of study at Troy High School to participate in the Troy Tech Program. Furthermore, these students are expected to attend their classes each day and maintain continuous semester-to-semester enrollment in the Troy Tech Program. If a pattern of excused or unexcused absences develops, as determined by a teachers, program directors and/or administrators, the student's enrollment in the program will be brought under review. A student's poor attendance—resulting from excessive excused or unexcused absences—will justify a student's removal from the program. There is no probationary period during which a student may rectify a poor attendance pattern.

Students who fail to meet the attendance requirements will be ineligible to continue in Troy's magnet program; they will be encouraged to seek a program that is more compatible with their ability level, talents, and interests. Students attending Troy on interdistrict transfer permits will be subject to a range of consequences including redirection to their home districts for placement. Students who have been removed from the Troy Tech Program will not be eligible for reinstatement.

BEHAVIORAL CRITERIA AND DISCIPLINARY PROBATION

Troy Tech students are expected to abide by the behavioral and academic honesty policies of Troy High School and its individual teachers and classes. A Troy Tech student who has been suspended or whose behavior has been deemed unacceptable by an administrator, a teacher, or another staff member will be placed on Disciplinary Probation. A second behavioral infraction or suspension will result in the student's permanent removal from the program. It should not be construed that Disciplinary Probation is a student's right since a behavioral infraction of a serious nature may result in the student's immediate removal from the Program.

Upperclassmen in the Troy Tech Program are expected to comport themselves as mature, trustworthy young adults and to demonstrate a high level of social conscience. These qualities, along with a strong academic performance, are requisite to a student's commencement into the Senior Internship. Juniors and seniors may be disqualified or removed from Internship, and thus the Troy Tech Program, for behavioral infractions.

Students who fail to meet the behavioral requirements will be ineligible to continue in Troy's magnet program; they will be encouraged to seek a program that is more compatible with their ability level, talents, and interests. Students attending Troy on interdistrict transfer permits will be will be subject to a range of consequences including redirection to their home districts for placement. Students who have been removed from the Troy Tech Program or have left voluntarily will not be eligible for reinstatement.

Disciplinary Probation may not be offered to a student who is in violation of attendance or academic standards.

SENIOR INTERNSHIP REQUIREMENTS

In addition to the academic, behavioral, and attendance requirements, **Troy Tech students** must satisfy the requirements of the Senior Internship. These requirements include but are not limited to:

- Attendance at informational meetings.
- Participation and completion of the 150-hour Internship.
- Participation and attendance at the Mentor Breakfast and Troy Tech Fair.
- Wearing appropriate business attire to their Internship, Mentor Breakfast, and the Troy Tech Fair.

Troy Tech students whose performance does not correspond with these requirements will be subject to deductions from their Internship grade and/or removal from the Troy Tech Program.

I have read and understand these **TT Program Requirements** as well as the **Academic Honesty, Attendance, Computer Lab Usage. Electronic Devices, Google Acceptable Use, and Internet Access Policies**. Please visit www.troyhigh.com school policies to review.

Student ID# (if available) _____   Grade ___9___   Date _____

Student Name (print**)** _____   Student Name (sign**)**_____

Parent/Guardian (print**)** _____   Parent/Guardian (sign**)**_____

This form should be submitted to Mrs. Downum-Bonnett in the Troy Tech Office.

Student Name: _____
            Last   First   Middle

Birthdate: _____ **Birthplace**: _____
            Month   Day   Year   City   State   Country

Student's <u>DATE OF ENTRY</u> into the United States: _____
   Must fill in date if born outside of US

HOME LANGUAGE AND RESIDENCY SURVEY

The California Education Code requires schools to determine the language(s) spoken at home. This information is essential in order for schools to provide meaningful instruction for all students. Your cooperation in helping us meet this requirement is requested. Please answer the following questions **(ONLY ONE LANGUAGE PER LINE. IF CHINESE, PLEASE SPECIFY MANDARIN, CANTONESE, ETC.):**

Student's start date into a California school: (Month/Year):_____

Student's start date into a U.S. school: (Month/Year):_____

1. Which language did your student learn when he/she FIRST began to talk?   _____
2. What language does your student speak most frequently at HOME?   _____
3. What language do you use most PRIMARILY speak to your student?   _____
4. Name the language most often spoken by the ADULTS in the home.   _____

Pursuant to Assembly Bill 699 (AB 699)

2021
SUMMER SCHOOL

Please complete the green **Summer School Online Health Course** card found in the registration packet. You will return it at the Drive-By Registration Drop Off.   We strongly recommend that you take Health this summer, as it is not offered during the school year.

Health (2 weeks)

Session Dates

Monday, June 14 – Thursday, June 24

Monday, June 21 – Thursday, July 1

Monday, June 28 – Thursday, July 8

Health session assignments will be randomly generated and posted online at troyhigh.com in the beginning of May. It is mandatory for students to attend the first and last day of the session they are assigned.

Petitioning: If you are unable to attend the assigned weeks you can petition for a different session by coming to the Troy front office on one of the above Mondays by 7:30 a.m. Available seats will be given by lottery.

Troy High School
Summer School Online Health Course
2021

This Health course is worth 2.5 credits and is one of the FJUHSD graduation requirements. This course is only offered during summer school. Please look through the information below. If you are interested in taking Health during summer school at this time, please turn in this application with your registration materials.

Last Name, First Name:	**Birthdate:**	**Grade:**
Parent Name:	**Parent Signature:**	
Parent Email (Please provide an email that is checked regularly):	**Parent Phone:**	

Health is a 2 week online course. We will hold three different sessions throughout our summer. There is mandatory student attendance on the first and the last day of the two-week session for approximately 2 hours. Course work can all be done online, at student's own pace at home.

Summer Health sessions will start every Monday between the dates of Monday, June 14th - Thursday, July 8th (See included 2021 Summer School Flyer for session dates). Health classes are randomly assigned and will be posted online at troyhigh.com at the beginning of May.

Students are required to attend Troy on the Monday they are assigned Health. On that day they will meet with their teacher, and learn how to login and use the online system for their Health class. They are also required to attend in person on the Thursday of the second week of class to take the final exam.

The Health teacher will be on campus from 7:45 a.m. to 1 p.m. Monday through Thursday for any help students may need.

Petitioning: If you are unable to attend your assigned weeks, you can petition for a different session by coming to the Troy front office on one of the starting Mondays by 7:30 a.m. Available seats will be given by lottery.

IMPORTANT!

The clearance process begins on May 1 for 2021 summer camps and the 2021-2022 school year. In order to participate in athletics, including summer camps, students must go through the clearance process. Clearance information can be found on the Troy High School website. Clearance paperwork can be brought to the front office or scanned and emailed to Nancy Olivar (nolivar@fjuhsd.org) Please remember to also fill out and sign the COVID-19 waiver form.

TROY HIGH SCHOOL

FALL SPORTS

Boys	Girls
Football	Golf*
Cross Country*	Cross Country*
Water Polo*	Volleyball*
	Tennis*

WINTER SPORTS

Boys	Girls
Basketball*	Basketball*
Soccer*	Soccer*
Wrestling*	Water Polo*

Tryouts for these sports will be held after school during the months of August and September. Please watch the morning announcements for specific days for your choice of sport. If you make the team, schedule changes will be done **only** at the conclusion of the First Quarter.

SPRING SPORTS

Boys	Girls
Tennis*	Swimming*
Swimming*	Track*
Track*	Softball*
Baseball*	
Golf*	

Tryouts for these sports will be held after school during the months of November and December. Please watch the morning announcements for specific days for your choice of sport. If you make the team, schedule changes will be done **only** at the conclusion of the First Semester.

* Admission by try-out only

SPORTS ELIGIBILITY

Athletes are required to:

1. Pass 25 credits (5 classes)
2. Maintain a 2.0 G.P.A. (C Average)
3. Have no more than two unsatisfactory marks in citizenship

Eligibility is determined every grading period (10 weeks). If you are declared ineligible, you may not participate in athletics until your grades have improved at the next grading period. If you are placed on probation, you may participate in athletics: however, you are allowed only **one** probationary period during your four years of high school.

Troy NJROTC

Naval Junior Reserve Officer Training Corps

A unit of over 250 cadets that learn and exercise leadership through the Navy's core values: Honor, Courage, and Commitment

Our Curriculum

NJROTC is a course in your class schedule that includes both physical training (PT) and academics covering US Naval history. Cadets are also required to wear the standard uniform once a week and on special events.

NJROTC offers PE credit in your freshman and sophomore year, as well as Honors level classes in our NS3 and NS4 courses.

Through hard work and dedication, our cadets break new records every year.

Our Teams

There is no other club or program where you can spin a rifle, shoot at a target, navigate through terrain, or build an underwater robot! There is a team for any cadet, including:

- Drill
- Marksmanship
- Orienteering
- SeaPerch
- INSECT (Cybersecurity)
- Academics

What We've Done

- Best unit in the nation in 2009
- Recognized as a Distinguished Unit 20 consecutive years
- Taken many of our teams to national competitions
- Supported our cadets with scholarships, community service opportunities, and once in a lifetime experiences

. . . just to name a few

Cyber Defense at Troy HS!
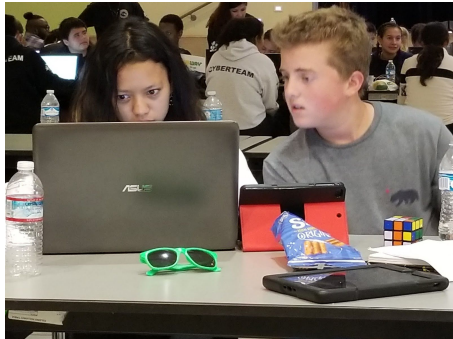

Learn how to make computers and networks hacker-proof!

WHO - new students (YOU!)

WHAT – learn how to protect your phone, tablet and computers from outside threats!

4 year course pathway

- ➢ 9th: AP Computer Science Principles
- ➢ 10th: Computer Operating Systems Security (H)
- ➢ 11th: Cyber Defense Fundamentals (H)
- ➢ 12th: Computer Networking (H)

COMPETE - Join a new TEAM at Troy HS that would practice and compete at Troy High School. Troy has the LARGEST and BEST cyber defense competition program in the USA!
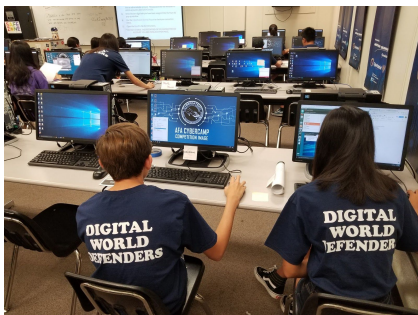

Summer Camp – We offer online cyber camps every summer for grades K-12. No experience required at all!

More information is at
www.stubblefield.troyhigh.com
