

Troy Tech Application Terms & Conditions:

If your student is accepted into the Troy Tech/International Baccalaureate/Cambridge/Honors programs at Troy High School, the following conditions will apply: Any change in the status of the student with respect to the information provided on this application between now and the student's matriculation into Troy High School may result in reconsideration of the student's acceptance into the programs and into Troy High School. A parent must notify the school immediately of any such change or changes. Moreover, Troy High School reserves the right to deny admission to a student whose final eighth-grade report card indicates a substantive decline in his or her academic performance or commitment or whose application has been falsified.

The Superintendent or designee may deny initial requests for interdistrict attendance permits if school facilities are overcrowded at the relevant grade level, programs are full or impacted, or based on other considerations that are not arbitrary.
