## Academic Support

---

- ❑ Encourage your student to communicate with their teachers. They are the #1 resource for help!
  - ❑ Tutoring is available on Wednesdays (1-2pm) and Thursdays (3:05-4:05pm) via Zoom
  - ❑ Counselors are available from 6:40am to 3:45pm. **Email is the most effective form of communication.**

# Succeeding in High School

---

- Stay Organized! Help your student develop a system so they know where to find each assignment for each class.
  - Use Your Planner! Encourage your student to write down their homework assignments in their planner. You can reinforce this by checking their planner daily.
  - Ask for Help! If your student is not clear on an assignment or needs help, ask the teacher. It is also helpful to have to contact info for at least 2 students in each class.
