FULLERTON UNION HIGH SCHOOL TERMS AND CONDITIONS

By signing this application for a student parking permit, I acknowledge that:

- 1) I have received a copy of school parking regulations, and I understand and will obey the regulations.
- 2) I now have and will continue to maintain a valid driver's license and vehicle liability insurance in accordance with California law.
- 3) As a condition of being allowed to bring a vehicle to school and park on school property, I understand that district staff may inspect and search my vehicle whenever it is on school property.
- 4) Applicant agrees to indemnify, defend, and hold harmless the Fullerton Joint Union High School District, its agents, officers, and employees from and against any and all liability, expense, including defense costs and legal fees, and claims for damages including, but not limited to, bodily injury, death, personal injury, or property damage arising from or connected with student vehicle operation, including liability, suits or expense arising from or connected with student vehicle use and parking on school site.
- 5) I understand that parking on Fullerton Joint Union High School District property is a privilege which may be revoked if I choose to disobey the parking regulations and student behavior standards.

AUTOMOBILE SEARCH POLICY

Since schools are not completely public buildings, their parking lots are subject to the same safety-related rules to which the buildings can be subjected. A policy authorizing search of automobiles choosing to use the school parking facility, whether or not those automobiles are student owned, may be adopted. The policy will then apply to students, teachers, and visitors alike.

VEHICLES SUBJECT TO SEARCH

Any vehicle entering this area is subject to search at the direction of school authorities. Search may be conducted without warrant for any reasonable purpose.

Search of the vehicle includes all compartments and components thereof. Once notified of intent to search, the person in control of the vehicle will not be permitted to remove it from the premises until the search is completed.

PLEASE NOTE FOR THE 2018/2019 SCHOOL YEAR:

Due to construction on the stadium and other areas on campus, as part of the Bond Measure to improve our school, please note that at any time, access to the parking lots may be limited or blocked entirely (Lemon, Farm, and Stadium Lots). No refunds will be given in the event that parking becomes unavailable. By completing and signing this form, you acknowledge and understand that there may be little or no parking spots available and wish to purchase a parking spot at the risk of not being able to park on campus.
