Educational Partnerships and Outreach

Educational Partnerships & Outreach BY FACULTY COORDINATOR ROLANDO SANABRIA ED.D.

In this month's newsletter, you will find a calendar of our remaining Spring 2022 events. Also included are informational flyers that promote events geared towards assisting your graduating seniors with their transition to FC. We are also highlighting several programs that target services for incoming students. You will find information on CTE Programs, along with information on EOPS, DSS, STEM and the Puente Program. In addition, you will also find a directory of FC Staff that work with incoming students. As we end the academic year, we would like to thank our high school partners for your support this year.

Next year, we look forward to bringing back several of our efforts like MAS, JumpStart, and our High School Partners Breakfast. Early in the Fall 2022 semester, I will be emailing to you a list of activities that will be hosted at FC. We look forward to continuing to build partnerships with you as we assist your students. On behalf of FC and our High School Outreach Staff, we wish you a successful end of year and an enjoyable summer!
