I understand that course requests will be honored based on space availability, graduation requirements, grade level/prerequisites and student support needs. If honors/AP/IB classes are selected on this registration card, you are committing to the course for the entire school year. The option to change to a lower level class during the school year (i.e. leveling down) may not be an option due to master schedule constraints and teacher contractual numbers. By choosing to register for an honors/AP/IB course you are agreeing to a rigorous curriculum and a high-level workload. My signature below indicates that I have read the SHHS Honors/AP Course Expectations located on the SHHS Website under the Counseling tab.

### Freshman HEALTH SUMMER Course

Health is a 2 week online course that satisfies the Health graduation requirement. Students are required to attend in person on the first and last day of the term. In between the first and last term, students can either work from home or use the campus computer lab during summer school hours. Summer school runs Monday - Thursday 7:45am - 1:00pm.

Kindly note that priority for summer health course is given to current Sunny Hills students in grades 10-12. For incoming 9th-grade students, enrollment in health is on a request-only basis, and availability may be limited until subsequent years as a continuing Sunny Hills student. To request Health this summer, indicate your first and second choices for the term below. Please submit this card, along with the Freshman Course Selection Card, during the designated date and time at Registration Night. Students who are scheduled into the class will be contacted by parent email toward the end of May.

Date Preference Mark #1 & #2 Choice	Term	Dates
Only available to students in Grades 10-12	Term 1	June 3 - June 13
Only available to students in Grades 10-12	Term 2	June 10 - June 20
