Senior Portraits

1. Use this link to schedule a senior photoshoot with Mr. Luna between now and November 17th. We cannot guarantee the inclusion of any portraits taken after this deadline.

Luna: "Yearbook senior portrait sessions will be held from August 10th through November 17th. More days will be added in December for those who have missed the first sessions. There is a \$50 sitting fee for your 45 minute session. One Head Shot Portrait (not cap & gown) will be submitted to the LHHS 2025 yearbook. Digital files & prints of your photo session will also be available for purchase after photoshoot. Portraits will take place at Whittier Plaza office building at 16262 Whittier Blvd, Whittier Ca / Unit 22. Bring props, sporting equipment, or any other items you would like. Animals are allowed as long as they are tame and safe. Lettermen's jacket and a change of outfit is allowed as long as you can fit it into your session time. I will have 2025 senior props as well. Cap & Gown will be provided with a 2025 tassel. Delivery time is guaranteed by mid January. For those who were part of the first round sessions, receiving your proofs will take between 30-60 days depending on how many photos we shot."

Senior Quotes

An email was recently forwarded to all LHHS seniors regarding senior quotes for the 2025 Yearbook.

That email contains an easily-accessible [Google Form on which they will write their desired quote](#). Senior quotes are due September 27th, 2024.

FYI: Seniors will be invited to double check the accuracy of their quote and portrait starting in January.
