RH - Z

Transcript Analysis

- ☐ P - in left column for College PREP
- ☐ Rank = Total weighted GPA. College GPA only A-G courses.
- ☐ Every class is worth 5 credits per semester (Health = 2.5 summer school)
- ☐ Grade of D/F? Circle & retake the same exact class in order to replace for college. All grades will stay on the transcript.
- ☐ College eligibility: A-G classes w/C grades or better. Many colleges/universities have suspended the SAT/ACT exams due to COVID. Check schools for specific information. CSU/UC do not require the SAT/ACT at this time.
- ☐ UC also requires community service and leadership - keep track of your service for each event
- ☐ Monitor grades and attendance on Aeries weekly

For the student-athlete who wants to play at a Division I or Division II school.
Student-athletes sign-up at the eligibilitycenter.org

NCAA GPA is based off 9th - 12th grades in 16 core courses with the 10/7 rule.

Minimum NCAA GPA is 2.3
Early Academic Qualifier GPA is 3.0+

See the NCAA website for more specific information.

ROP/LHHS

2023-2024

Pathways and Courses

College and Career Readiness

ROP Pathways and LHHS Courses 2022-2023 and 2023-2024

A * means a Regional (after school) Course only

See more information at nocrop.org and see CGS Counselor Murphy

LHHS Students can earn a ROP Cord for Graduation by: completing a Pathway:

Intro, Concentrator, and a Capstone Course earning a minimum 'C' grade in each semester course

Courses are College Prep UC/CSU a-g approved indicated by the (letter).

many courses articulate with specific community colleges

Emergency Response Pathway (FPFA Program)

1st Course-Introductory: Medical Careers (g) ^
1st Course-Introductory: Fire Technology (g) ^
2nd Course-Concentrator: Emergency Medical Responder (EMR) (g)
3rd Course-Capstone: *Emergency Medical Technician (EMT)* (g) - Regional Course* ^*

Food Service and Hospitality Pathway (Culinary)

1st Course-Introductory: Introduction to Culinary Arts (g)
2nd Course-Concentrator: Culinary Arts (g) ^
3rd Course-Capstone: Culinary Arts and Hospitality Management (g) ^
3rd Course-Articulation: *Retail Restaurant/Food Service Marketing Occupations* (g) - Regional Course**

Patient Care Pathway (Nursing/Medical Field)

1st Course-Introductory: Medical Careers (g) ^
2nd Course-Capstone: Sports Medicine and Therapy (g) ^
2nd Course - Concentrator: *Body Systems and Disorders* (d) - Regional Course**
3rd Course-Capstone: *Nursing Assistant, Long Term Care* (g) - Regional Course**
3rd Course-Capstone: *Medical Assistance, Clinical and Administrative* (g) - Regional Course* ^*

Systems Diagnostics and Service Pathway (Auto)

1st Course-Introductory: Introduction to Automotive Technology (g) ^
2nd Course-Concentrator: Automotive Technology (g) ^
3rd Course-Capstone: Advanced Automotive Technology (g) ^

LHHS Summer School

2023

Please note: **2023 summer school** is **3 weeks** per session for full courses. Health is a 2-week online course. Please sign-up for the first 2 Health sessions if possible. LHHS upperclassmen have priority in these sessions.

If you earned a D/F grade: students need to **repeat** a D grade for 4-year Colleges and **must repeat F grades** for HS graduation to stay on track for graduation.

*If you are credit deficient and unable to graduate, you will be referred to alternative education (La Vista - 11th-12th or Opportunity - 10th).

ROP

Summer School

ROP Summer Sessions - Must sign-up with
Counselor **Murphy**

Summer school is 6 full weeks: **TBD**

1. Medical Careers
2. Body Systems and Disorders
3. Information Technology (IT) Fundamentals

ROP Regional Courses

2023-2024

Regional Courses are After School at different locations and are year long courses from August 30 - May 19

You must sign-up by May 19th, 2023 with Counselor **Murphy**

Course Offerings include:

Digital Design & Illustration (VPA)

Nursing courses: Medical Careers; Body Systems & Disorders; Medical Assistant; Nursing Assistant (prerequisites required)

Emergency Medical Technician (EMT)

IT & Cybersecurity

Auto Body Repair

Knott's Berry Farm: Entertainment Park/Tourism; Hotel & Hospitality Management

- ☐ PE
☐ Drawing & Painting

Summer School
2023

Choose Your Courses WISELY!

Be very thoughtful in choosing your classes as the Master Schedule is built around your choices.

The expectation is all students will remain in all classes and program they choose for the year.

JUNIORS!

LET'S TALK

FAFSA!

***WHAT IS
FAFSA?***

FAFSA is a Free Application for Federal Student Aid. The application makes students available for Grants, Loans and the Cal Grant.

***WHEN IS
FAFSA?***

FAFSA opens OCT. 1st and closes June 30th. You will need your parent or guardians Tax info from LAST year. If you don't know who your parent or guardian is, we have a flowchart in the counseling office.

***DO I HAVE
TO?***

You don't, but you should. FAFSA and Cal Grant require LHHHS to automatically upload your GPA. If you don't want this to happen, you can come to the Counseling office and pick up an opt out form. This is due by Aug. 31st.

SENIOR YEAR

Applying to college is a **binding contract**.

If you need to repeat a class or drop to a lower level after college/university applications have been submitted, you, the student is required to correspond with all colleges/universities applied so as not to jeopardize your admission status.

AERIES Course Selection

1. Log into your aeries portal
2. Click on CLASSES
3. SELECT **COURSE REQUEST ENTRY**
4. Follow course selection sample on the Counseling Website
5. **FILTER** COURSES, add classes accordingly
6. Select minimum 6 courses and alternate courses
7. Counselor will review course selection

College Board

College Board Opportunity Scholarships

A new scholarship program for all students that guides you through the college planning process.

Make your path
to college
more rewarding.

Build Your College List
for a chance at \$500.

Practice for the SAT
for a chance at \$1,000.

Improve Your Score
for a chance at \$2000.

Strengthen Your College List
for a chance at \$500.

Complete the FAFSA
for a chance at \$1,000.

Apply to Colleges
for a chance at \$1,000.

Complete Your Journey
for a chance at a \$40,000 scholarship.

Get started at [cb.org/opportunity](https://collegeboard.org/opportunity)

 CollegeBoard

College Board Opportunity Scholarship

The College Board Opportunity Scholarships recognize students who take six key actions to prepare for college.

1. Build Your College List

Get started by exploring colleges you're interested in with BigFuture™.

\$500 (600 scholarships)

2. Practice for the SAT®

Get ready for test day with Official SAT Practice on Khan Academy®.

\$1,000 (1,500 scholarships)

3. Improve Your Score

Show how practice pays off by improving your SAT score.

\$2,000 (150 scholarships)

4. Strengthen Your College List

Make sure your college list has a mix of academic safety, fit, and reach schools.

\$500 (400 scholarships)

5. Complete the FAFSA

Fill out the free government form to apply for financial aid.

\$1,000 (800 scholarships)

6. Apply to Colleges

Apply to the schools you want to attend.

\$1,000 (500 scholarships)

Complete all six key actions to be eligible for the

Complete Your Journey Scholarship

\$40,000

(25 scholarships)

or have a guest speaker**

Heritage Pathway Descriptions

TRADITIONAL HERITAGE (Intermediate Level):

- “Learning by doing,” Socratic method, inquiry and primary source analysis, and exploration of multiple perspectives.
- Rigorous, accelerated, and demanding. Students will be challenged with college-level / college-prep materials, high academic expectations, and opportunities to develop leadership.
- High degree of inter-disciplinary curricular integration between Social Science and English classes.

HONORS/AP HERITAGE (Advanced Level):

- Extremely rigorous, fast-paced, analytical, and AP test-oriented.
- Goal to prepare for and pass the AP exam.
- Emphasis on the College Board AP curriculum, AP testing strategies, simulated AP exam components, critical thinking, research methods, and primary source analysis.
- Less integration between Social Science and English classes due to prescribed, structured AP content.

Heritage Student Involvement

- Student Government (ASB)
- Link Crew (Student Mentorship)
- Performing Arts (Theatre & Music)
- National Honor Society
- CA Scholarship Federation
- Service Clubs (Kiwanis, Key, Lions)
- Athletics
- Dance Production
- Cheer
- Naval Junior ROTC
- Agriculture (FFA)

The French Program

French 1

The basics of language learning, this class focuses on describing people, and places, and telling stories.

French 2

Students begin to synthesize information and present their findings to others. We'll discover the regions of France and its overseas departments, and try out recipes from the French-speaking world.

French 3

At level three we begin expressing our own opinions to persuade others. We'll explore more of the Francophone world and begin to study more complex topics such as healthcare, government, and the environment.

AP French Language and Culture

Level four students have the opportunity to show off what they've learned by taking the AP exam in May. We continue to explore each of the AP themes as we keep up with current events in the Francophone world.

The Spanish Speaker Program

Spanish Speaker 1

This course is designed for heritage Spanish Speakers and can accommodate a wide range of backgrounds from those who can understand the language but may not be able to fluently speak, read or write to those who are more proficient and/or literate in Spanish.

Spanish Speaker 2

This course is designed for heritage Spanish Speakers who have completed the Spanish 1 for Spanish Speakers course the previous year. This class will continue to build on the literacy skills acquired in Spanish 1. In this class students will continue to explore Hispanic cultures and issues facing Spanish Speakers globally.

AP Spanish Speaker 3 (Language)

This course is for the serious advanced student of Spanish, who has completed Spanish level 1 and 2 Spanish for Spanish Speakers. It is designed around the six themes that will allow students to explore a variety of language concepts: *los desafíos mundiales, la ciencia y la tecnología, la vida contemporánea, las identidades personales, las familias y las comunidades, and la belleza y la estética.*

AP Spanish 4 (Literature)

This course is for the serious advanced student of Spanish, who has completed Spanish level 1 and 2 & AP Spanish Language for Spanish Speakers. Students will continue to use the target language to analyze Spanish Literature.

The Spanish Program

Spanish 1

The basics of language learning, this class focuses on describing people, and places, and telling stories.

Spanish 2

Students begin to synthesize information and present their findings to others. We'll discover the regions of Spanish Speaking countries and its overseas departments, and learn about vacations and foods in Spanish Speaking countries.

Spanish 3 Spanish 3 (H)

At level three we begin expressing our own opinions to persuade others. We'll explore more of the Spanish world and begin to analyze music from Spanish Speaking countries.

AP Spanish 4 (Language)

Level four students have the opportunity to show off what they've learned by taking the AP exam in May. We continue to explore each of the AP themes as we keep up with current events from Spanish Speaking countries.

Ag Mechanics & Welding

- **Year 1: Introduction to Ag Mechanics**
 - Hands-on Projects
 - Introduction to construction
 - introduction to Welding
 - Mt. Sac Articulated
- **Year 2: Ag Welding**
 - Learning to perfect welding skills through MIG, TIG, SMAW, and Oxy-Acetylene Welding.
 - OSHA Certification
 - FJC Articulated
- **Year 3: Metal Fabrication**
 - You get to create your own projects!
 - (f) Fine arts credit!

Agriculture Science Pathways

This pathway is a 4 year A-G science pathway with college articulated courses and certifications.

Agriscience

Year 1- Sustainable Ag Biology

Designed for the college-bound student that focuses on growth and reproduction, genetics, animal behavior, animals and plant taxonomy, nutrition, health and disease, and the ecological relationship among plants, animals, and humans. Earns UC "d" credit.

Year 2- Ag Soil Chemistry

This course explores the physical and chemical nature of soil as well as the relationships between soil, plants, animals and agricultural practices. Earns UC "d" credit.

Animal Science

Year 3- Veterinary Science

Study of anatomy and physiology of small and large animals, proper health maintenance, sanitation, and the symptoms, treatment, and prevention of common diseases. Earns UC "d" or "g". Articulated with Mt. Sac. Students have the opportunity to earn Dog and Cat first Aid certificate.

Year 4- Advanced Animal Science

This course will provide the student with principles in Animal Science focusing on the area of livestock production, anatomy, physiology, reproduction, nutrition, respiration and genetics. Earns UC "d" or "g" credit.
