### **Dance Behavior**

The style of dance over the past few years has become a serious concern. Our goal is not to inhibit students' creativity, but to bring back acceptable decorum. The appropriateness of dance styles will be assessed by the staff during this event. The following (including but not limited to) is prohibited:

- Bending over or squatting down on the floor,
- Lap dancing,
- Back to front, front to front grinding (Make sure there is space between people),
- Moshing or slam dancing,
- Getting on top of shoulders.

The staff at Fullerton Union High School will be roaming through the area. Extreme violations will result in immediate removal. If the staff encounters inappropriate dancing, they will speak to the students and guests and will document the incident. If a staff member encounters the same student(s)/guest(s) and the inappropriate dancing has not been discontinued, they will be asked to leave without a refund.
