

Dear Friends and Community Members,

My name is Richard Salazar and I am the Head Coach here at Fullerton Union High School. I am writing to inform you that with the start of October we are beginning our campaign for our 12th Annual, Fullerton Union High School Tackle Cancer Football Game. Our Tackle Cancer week starts on October 4th and concludes with our Tackle Cancer Football Game on October 8th. During the time leading up to the game, we are raising funds to donate money to the KM Legacy Foundation. The KM Legacy Foundation was created in 2017 by FUHS alumna Katie Monson to raise money for brain cancer awareness & research. The foundation also provides leadership opportunities for Fullerton Joint Union High School District students both during their time in high school and beyond.

At this time, we are asking for financial donations to assist the KM Legacy Foundation in supporting cancer research and the students of our community. Any amount that you can donate will be greatly appreciated. The Fullerton Indians Football Booster Club will be handling all donations and will present a check to the KM Legacy Foundation in a half-time ceremony during the October 8th Tackle Cancer Football Game against La Habra High School. Every dollar of your donation will be going to the KM Legacy Foundation and will be tax deductible. The Fullerton Indians Football Booster Club will provide you a non-profit tax I.D. number after receiving your donation.

In order to spread the word and make our cause visible to the school, community and city, we are also selling T shirts in support of the KM Legacy Foundation and all those fighting cancer. With your donation of \$250 to \$2500 your company logo will be placed on the back of our Tackle Cancer shirt. The pricing chart below indicates levels of donorship. Level 1 donors will have the largest logos on the Tackle Cancer shirt. For logos to be placed on the shirt in time for printing, donations need to be received by 3 p.m. on October 1st, 2021.

Please help us in raising money for this great cause and in support of the KM Legacy Foundation and all those fighting cancer. Have a great school year and we hope to see you at the game.

Sincerely,

Richard Salazar
