April 13, 2021

Dear FJUHS Staff Members, Students, Parents/Guardians,

On March 30, 2021, the FJUHS Board of Trustees approved modification of the hybrid learning model by combining Cohorts A & B and increasing in-person instruction from two days per week to four days per week (Monday, Tuesday, Thursday and Friday) beginning Monday, April 19, 2021. Students can choose to be on campus four days per week or choose to be in a 100% Distance Learning Model for the remainder of the school year. Wednesday's instruction will be provided through Distance Learning for all students.

On April 8, 2021, a letter was sent to all District parents/guardians with instructions on how to login to the Aeries Parent Portal to indicate their instructional model choice of in-person instruction four days/week or 100% distance learning. The letter stated that "all cohort A/B (in-person) students will be allowed three (3) unexcused absences where they can Zoom from home. Once the third unexcused absence has occurred, site administrators will disable the ability for students to Zoom from home." The letter also stated that switching between in-person and remote will not be permitted.

Upon further consideration, an alternate plan will be implemented.

FJUHS will not disable any student Zoom account. Site administrators will talk to teachers who have students with three unexcused absences. This will allow students, teachers, and administrators the most flexibility. Cohort changes will be evaluated on a case by case basis and need approval from the site principal.

Instructions: To choose your student(s) instructional model for the remainder of the school year in Aeries, please do the following:

1. Login to the Aeries Parent Portal with a Parent Account at <https://mystudent.fjuhsd.org>
2. Choose Student Info > Data Confirmation.
3. Click on the "Authorizations Section," and select "Yes" for In-Person Learning or "No" for Distance Learning question and click "Save."

Thank you for your continued partnership throughout this school year. We are eager to increase in-person learning, while still continuing to offer remote learning options and prioritizing the health, safety, and well-being of our students, staff, and community.

Sincerely,

Scott Scambray, Ed.D.
Superintendent
