

# ATTENTION AP STUDENTS & PARENTS

## Please read:

We want to make you aware of some important dates that will be coming up this semester regarding Advanced Placement (AP) testing and sign-ups for exams given in May 2022. Students should have already registered in each AP classroom for their MyAP account with join codes provided by the teacher. They must indicate in MyAP whether or not they plan to take the AP exam as this is where the exam order originates. Next, we will continue this year to utilize the Total Registration online system for exam registration, cancellation requests and payments. The cost per AP exam this year is \$100.00. The link for Total Registration is <https://user.totalregistration.net/AP/051009> however, it will not be available until Sunday, September 26 at 12:01 AM.

**Reminder: Students MUST be enrolled in the AP class at Troy in order to sign up for the exam; we will review rosters for enrollment. Also, this year's exams will be taken in-person at Troy High School.**

Thank you!
