

# Be a Part of a Lasting Legacy At Troy High School

Personalize a Brick for the Path  
in Our Future Outdoor Classroom

Troy is building an outdoor classroom so students can have a different experience focused on decreasing stress levels and practicing hands on activities that require an outdoor space. This classroom will allow students to take the theory knowledge learned in a traditional classroom and apply it to the world around them. Many talented teachers work hard to make things new, different and exciting for our kids. We want to bring joy into learning and bring our students outside and closer to nature. Whether it's a Science, Technology, Environmental, English, Health or History lesson this retreat will enhance learning and provide hands-on opportunities for projects and experiments. This outdoor year-round classroom will become a living laboratory for students.

Please help fund the project by using the QR code or filling out the back of this form to order a brick and have it engraved with your student's name and class, favorite cause, or engrave it in memorial of a loved one. These bricks will be used to create a "path" to education.

**WAYS TO ORDER:**

**Option 1:** Go online to: <https://www.bricksrus.com/donorsite/troyoutdoorclassroom>

**Option 2:** Complete this order form and submit along with payment to: **The Activities office**
