UC/CSU GPA calculated based on 10-11 grades in a-g courses. UC campuses require a 3.0 UC/CSU GPA minimum to apply; CSU campuses require a 2.0 UC/CSU GPA minimum to apply.

COMMUNITY COLLEGES

To be eligible, a student must be 18 years of age or hold his/her high school diploma. The student may participate in a Certificate or Degree Program (start employment at completion of requirements), or participate in the Transfer Program (complete 60+ transferable units and transfer to a four-year institution as a junior.) Placement testing is done in English and Mathematics. The SAT and ACT are not required.

PRIVATE COLLEGES AND UNIVERSITIES AND OUT-OF-STATE COLLEGES AND UNIVERSITIES

Subject requirements vary among private colleges in and out-of-state and among out-of-state public institutions. However, if a student follows the University of California requirements and is eligible for admission to the University of California, the student probably will meet the requirements for many of these schools. The highly selective private colleges and universities recommend a minimum of five (preferably six) academic classes each year. Admissions testing requirements will vary by school. Check with the college or university to see if they prefer the SAT TEST or ACT with Writing, and if they require the SAT SUBJECT

Course Prerequisites

- This presentation contains the prerequisites for certain courses as well as grade requirements to remain in H/AP/IB level classes. It does not cover all course options. Please refer to the Course Offerings Sheet for all classes offered next school year.
- The following courses are open to all students provided they meet the prerequisites. The prerequisites are set by the departments and teachers on this campus.

Honors (H)/IB/AP Level Courses

- To remain in H/AP/IB level courses, students must earn a B- or better BOTH semesters. It is *not an average* of two semesters. Students may not remain in H/AP/IB courses with a C+ or lower in any semester.
- If you earned a B- or higher last semester in an H/AP/IB level course, you may put next year's H/AP/IB course on your course registration card.
- Your spring semester H/AP/IB class grades will be reviewed in the summer. If that grade is below a B-, next year's course level will be changed accordingly.

English Pathway

- If you are currently in English 3 Honors you have 3 options:

**You need a B-/B- minimum in English 3H to take AP English Language or English IB SL.*

- English 3 CP leads into CSU ERWC.

English IB SL to AP English Literature

**You must earn a B-/B-
or better in English IB
SL to take AP English
Literature.**

English 3 to AP English Language or English IBSL

**Must earn an A- minimum
both semesters of English 3
and obtain a teacher signature
on your registration card.
Counselors will check spring
English 3 grades to ensure
students met the full
prerequisite.**

Course Profiles & Fall Schedule Change Requests

When the fall semester starts there is no open schedule change request process, therefore you must select the appropriate courses and levels during this time. To assist with this, there are course profiles for classes that detail course expectations and workload. Course profiles are posted on the “2020-21 Registration” section of the counseling webpage.

Master Schedule

The Master Schedule is built based on student requests. Therefore, please select your classes and the level of classes wisely, as your course selection on your card may be final. If a course does not get enough requests, it will not be offered next year.
