Dear Staff Members,

The 2024 Summer Work Schedule begins the week of June 3, 2024. While previous Summer Work Schedules included a combination of both four-day/ten-hour and five-day/eight-hour work weeks, moving forward, there will be a change to that schedule.

In order to better serve our staff, students, parents and community, this year's Summer Work Schedule will consist completely of five-day/eight-hour work weeks. This year's schedule will ensure that the school sites and District facilities will remain open Monday through Friday during the entire summer. This schedule will not impact the District's Summer School Program, which will continue to be held four days per week, Monday through Thursday.

The Juneteenth and Fourth of July Holidays will be observed on Wednesday, June 19, 2024 and Thursday, July 4, 2024, respectively.
