BE A PART OF SOMETHING BIGGER THAN YOURSELF

When you wear the dress blues, you separate yourself from your peers. You stand out to your teachers and the people in your community. The uniform that AFJROTC cadets wear is the same uniform that active duty airmen all across the world wear every day while protecting our country. By wearing the uniform, you honor those who put their lives on the line. You can be a part of an organization that traces its roots back to 1916, an organization that is present in all 50 states and overseas.
