

TROY HIGH SCHOOL WARRIOR WEEKLY

January 19, 2024

Drawn by Ms. Shannon Cogswell, January, 2024

Warriors, it has been a short week, but there is never any shortage of action and excitement at Troy High School! We are capping off the week with our Winter Rally today with our ASB again putting together a successful rally as we prepare for our Winter Formal Dance at Troy on February 3rd! Great job today by ASB and all our students that participated in the rally!

2023 AP[®] CSP
Female Diversity Award

Troy High School has once again been selected by the College Board to receive the AP Computer Science Female Diversity Award! Here the description of the award and a link to the schools that were recognized. *“Studying computer science can open doors for students, giving them the tools to excel, and setting them up for high-paying careers, but girls have been left behind for far too long. That’s why College Board is honoring schools for expanding young*

women's access to AP computer science classes and for the important steps they're taking to improve gender representation.

Schools receiving the AP Computer Science Female Diversity Award have achieved either 50% or higher female exam taker representation in one of or both AP computer science courses, or a percentage of female computer science exam takers that meets or exceeds that of the school's female population.

1,127 schools are being recognized for their work toward equal gender representation in 2023.

- 834 schools received the award in AP Computer Science Principles.
- 225 schools received the award in AP Computer Science A.
- 68 schools received the award in both AP computer science courses.

These institutions represent a broad range of high schools from across the country and around the world. They include private, public, and charter schools, large and small student bodies, rural and urban populations, and specialized high schools, along with generalized programs.

See the full list of schools that have been recognized for the [2023 AP Computer Science Female Diversity Award](#).”

Congratulations to our students, teachers, school, and district for providing opportunities for our students! Great job, Warriors!

Our Girls' Water Polo team is having a wonderful season so far. Last weekend they won the inaugural Winter Classic Tournament. Our new Coach, Gary Cheever and the girls on our team have really put in the time, hard work, late practices, and have built up their team strength and endurance to out play and out last the other teams. Great job Warriors! We are all looking forward to a strong finish to the season and then CIF playoffs!

The poster features a light pink background with traditional Chinese lanterns and a dragon at the top. The central text reads 'LUNAR NEW YEAR Gala' in a mix of serif and script fonts. The Lounge, the Troy Wellness Center will be closed next week due to a renovation construction project that will allow us to increase the number of hours The Lounge will be open.

If all goes well, we should be able to reopen on Monday, January 29th!

Troy has some tremendous employees, so it is always the ultimate honor when fellow employees select the Classified and Certificated Employees of the Year. Thank you to Assistant Principal, Ms. Tina Wilde for running the election and announcing the winners at the rally in front of 2000 students! Pictured at left, Congratulations to our Classified Employee of the Year...Mrs. Shannon Cogswell and pictured right, our Teacher of the Year, Ms. Marisa Sanders!

Both of them are tremendous and outstanding members of our Troy Family! Ms. Cogswell has served as our APIO Secretary for ten years, and Marisa Sanders is our Special Education Co-Chair and has been working in FJUSD since 2016 and has been with Troy since 2019. They are both representative of the best of the best at Troy High School! Congratulations, Warriors!

Niche 2024 Best Schools

We love Troy High School! It is also rewarding to see when other entities that rank schools also agree, and reward the hard work of our Students, Teachers, Parents, Counselors, Staff, FJUHSD Board and Administrators! Thank you, Warrior Family!

As advertised last week in the *Warrior Weekly*, our NJROTC cadets competed in the 2024 Anza-Borrego Desert Orienteering Festival and had a great day. It was the most challenging course most of our cadets had navigated, and in the end, Commander Lauper was able to say “I told you so.” The good news, a few more meets and our cadets are going to have national rankings in Orienteering, which will be a first for any Troy cadets!

Tomorrow January 20th is our second Troy Tech Testing date, with the third and final testing date next weekend on January 27th. If you are interested in Troy Tech, the **Application & information is available** on applicants.troyhigh.com Applicants can still register online for testing on January 27, 2024. However, because of how close we are to tomorrow, online registration for testing is closed for January 20th. If you would like to test tomorrow, please come to Troy's North Gym at 7:15am to complete an application on paper. Also have your ID and any other needed papers for your application. Walk-ins are accepted and we will test all 8th graders that attend.

For our 8th grade prospective students, testing covers mid-year eighth grade content in math and English, and the format includes multiple-choice questions and an English essay. The best preparation for testing is successful progress in a challenging eighth grade course of study. The two remaining Troy Tech Testing dates are the next two Saturdays on January 20th and 27th! We also have Troy Tours for prospective 8th graders and parents one more time, next Friday January 26th. For Troy Tech, see applicants.troyhigh.com for more information. The detailed updated flyer can be found here: https://drive.google.com/file/d/1oysgwgU-1HW6bcQJW5QOyHTNJCWJLs-y/view?usp=drive_link

Parents, if you are interested in the last Troy Tour on January 26th just meet at the Front Office across from the school marquee on Dorothy Avenue at 9:00am. No appointment is necessary.

Troy Parents, here is some important information on the Free Application for Federal Student Aid (FAFSA) from our Counselors and Administrative Teams!

Dear Troy High School Senior Parent(s)/Guardian(s),

We would like to provide you with information on state legislation, AB 469. The legislation requires **all California seniors to complete a Free Application for Federal Student Aid (FAFSA) or California Dream Act (CADAA)**, and FJUHSD is required to confirm the submission of either application per California Ed Code Section 51225.7. This requirement expands financial aid opportunities for students who may not have the resources to attend a two-year community college or a four-year college or university. **The next steps in this process are as follows:**

If your student is a U.S. citizen or eligible non-citizen, they complete the FAFSA

- The FAFSA is open and has a priority closing deadline of April 2, 2024.
- You and your child must create an FSA ID. Your FSA ID is a digital signature used to sign the

FAFSA application. *Create your FSA ID now at:*

<https://studentaid.gov/fsa-id/create-account/launch>

- For informational videos, access their YouTube Channel:

<https://www.youtube.com/@FederalStudentAid/featured>

If your student is undocumented, has or does not have DACA, has Temporary Protected Status or is a U Visa holder, they complete the CADAA

- The CADAA is open and has a priority closing deadline of April 2, 2024.
- The CADAA application as well as resources may be found here:

<https://dream.csac.ca.gov/landing>

- The CADAA allows students to apply for state financial aid

The School Counseling Department will be hosting financial aid workshops to help senior students complete either application. Keep an eye on emails regarding these events. If you wish to opt out of completing either financial aid form, have your student see their school counselor during drop-in times for an opt-out form. Please note, opting out means your student will not receive potential federal or state student aid.

Thank you in advance for your attention to this important part of your child's senior year.
Sincerely,

Troy High School Administration & School Counseling Department

Warriors, this is the QR code for all the FJUHSD social media. There are many, many, awesome events, activities, athletics, and recognitions happening in FJUHSD and Troy High School! This is a great source for the global FJUHSD insight, news, and events! <https://conta.cc/47zkrcJ>

Progress on our new classrooms continues at a rapid pace! By the end of the day, all the classrooms will have four walls standing, and our workers are moving forward with the next steps in the construction process! Thank you to everyone responsible for this project. It is going to be a much-needed addition to our school's facilities.

Ms. Liana Williams has for almost eight years done a tremendous job as Troy High School's Activities and ASB Clerk. As she is well known for being outstanding at her job, her old employer from almost a decade ago sought her out and made her an offer she could not refuse... While we are sorry to see her go, we know we will see her back here soon as she will still attend Troy's plays, concerts, athletic events, and possibly lunch with friends!

During break yesterday, Athletic Director, Chris Blume held another *Warrior vs. Warrior* competition with Coach Echaves vs. Coach Maldonado in the game of soccer, or futbol depending upon which school of football with which you most favor. In the end, Coach Maldonado was victorious in this competition which had its fair share athletic excellent moments, including the thrills and spills. The student athletes were key on both teams. If I were a student, I know I would not have missed this competition! Great job, Warriors!

This week some of our cadets had the opportunity to travel down to North Island in Coronado and meet a number of retired and active duty U.S. Navy and Marine Officers. They were also able to tour the building for Naval Air Forces Command of the U.S. Pacific Fleet.

This building may also be familiar as that is Tom Cruise walking through the foyer in a scene from the movie, *Top Gun: Maverick* in which he reports to the Commander of the Pacific Fleet.

Last Saturday morning for whatever reason I poured one cup of coffee, then went and poured another in a different cup. Luna likes to finish the rest of the coffee, but when all of a sudden there were two cups, it was a confusing situation. She did recover, and obtained her coffee fix. Speaking of coffee, we are going to need something to keep us warm the next few days, as the rain will begin on Saturday afternoon and then be off and on through Monday. The forecast calls for a sunny day on Tuesday, so we should be in good shape for our Fire Drill so have comfortable shoes to walk out to the fields as we evacuate and then move to locations by grade level. This drill will be a little different. In the meantime, have a relaxing weekend, stay dry, watch a movie, or have a hot meal with your family and friends. Rest and relax! For those of you not involved with Troy Tech Testing, I will see you on Monday!
