Students! Here is some important information for you from our Troy Counselors. Keep in mind that we are mid-year, so there should be few changes that would result in changing any year long courses. However, should there be a need for a student to make a significant schedule change, and if class space is available to allow a change, there is a timeline that must be followed. **Spring Semester Deadline to Drop an Additional Class or Class Level**

Students may request to drop an additional class or drop down in course levels (i.e., H/AP/IB to the lower level), if space is available. Students in grades 9-11 must be enrolled in a minimum of 6 classes; students in grade 12 must be enrolled in a minimum of 5 classes. **The deadline to drop an additional class or level down is Friday, March 17, 2023 by 3:30 p.m.** **Students** must see their school counselor **in person** before first period, at break, lunch, or after sixth period by the deadline.

On Wednesday night we had a great event in our first post-pandemic return to having our Troy Open House / Troy Tech, IB, Cambridge information night for current students and parents as well as 8th graders who are thinking about becoming Warriors next Fall. There are a couple more photos of our Open House event on the following page. If you missed either event and would like to see a glimpse of who we are at Troy High School, this recent video, produced by our district and is a great peak inside Troy High School!

It is going to be a nice sunny weekend and it is my intention to get outside and enjoy the (hopefully) long break from the rain. It is also quite possible there could be a ride on the Harley in full leathers as to prevent the chill from blowing right through me. Luna looks like she has the right idea and is ready to go! Whatever you do these next couple days, have a great weekend! Get in the much needed and deserved rest and relaxation and I will see everyone back here on Monday morning!
