

# *TROY HIGH SCHOOL WARRIOR WEEKLY*

January 28, 2023

It has been a great week at Troy High School and we have a lot of tremendous news! For students and staff rally days are always fun, and today, ASB put on our annual Sadie's Dance theme reveal Rally! This dance is always a great event for students, and I know they are looking forward to this next event next month. Here are a few pictures from today's rally!

# 23-24 Class Registration & 2023 Summer School Registration

Registration for next year's classes, as well as for summer school, is happening soon!

Each grade level will have an in-class registration presentation by a school counselor. Then, on the registration materials return day, students will meet briefly with a school counselor to review their requested classes and any summer school needs.

Warriors, check out the schedule below and be sure you are at school on these dates so that you don't miss registration. Start thinking now about the courses you wish you take as well as the amount and level of courses you have the time for which to commit. You may access course profiles using the link below.

## FRESHMEN

Registration Presentation: Monday, February 6th

Registration Materials Return: Wednesday, February 15th

---

## SOPHOMORES

Students! Here is some important information for you from our Troy Counselors. Keep in mind that we are mid-year, so there should be few changes that would result in changing any year long courses. However, should there be a need for a student to make a significant schedule

change, and if class space is available to allow a change, there is a timeline that must be followed. **Spring Semester Deadline to Drop an Additional Class or Class Level**

Students may request to drop an additional class or drop down in course levels (i.e., H/AP/IB to the lower level), if space is available. Students in grades 9-11 must be enrolled in a minimum of 6 classes; students in grade 12 must be enrolled in a minimum of 5 classes. **The deadline to drop an additional class or level down is Friday, March 17, 2023 by 3:30 p.m.** **Students** must see their school counselor **in person** before first period, at break, lunch, or after sixth period by the deadline.

Please welcome School Counselor Interns, Kate Phan seen here next to her first project in the Counseling hallway. She is a grad student attending USC. Come check it out and say hello!

The year 2023 has arrived and in this new calendar year, we remain committed to providing Mental Health support to our FJUHS and school community. There remain many options at your disposal, so please take advantage of them as needed. Some of the numerous Mental Health resources available to our FJUHS Family, include Parents and Guardians. Please use the resources that are available to you and these resources can also be found on our district website [HERE](#).

Additionally, FJUHS has partnered with [Care Solace](#), a wonderful agency available to help our FJUHS families access community mental health resources. It is free, confidential, and they are experts at connecting mental health providers to anyone needing support. Please feel free to review by clicking here, [Care Solace](#). FJUHS also has these additional mental health resources and links to Orange County and National mental health support.

On Monday night two of Troy's best athletic character representatives, Aaron Canent and Makenna Henkhaus were honored at The Orange County Athletic Directors dinner for athletes from throughout Orange County. They were presented their awards by CIF Southern Section

Commissioner, Mr. Rob Wigod. It was a wonderful evening with our athletes, Athletic Director, Chris Blume, and our athletes' proud parents. All of us are very proud of how Aaron and Makenna represent themselves and Troy High School, truly embracing CIF's Victory with Honor creed and what it means to be a Troy Warrior!

More sports news! In the Troy vs. Buena Park on Tuesday night, we split the games. Girls' played a tough well played game and had almost had the win. They needed a couple breaks they did not get. Boys' played well, and had a come from behind win in the 4<sup>th</sup> quarter with outstanding play at the end of the quarter by 9<sup>th</sup> grader, Josh King. In the span of less than a minute, he hit a 3 pointer, ran down BP's point guard, stole the ball, went back to score was fouled on a breakaway—then next play, rejected the last shot from Buena Park. Game over. The entire team played well all night, and the defense never gave up even when shots were not falling for their offense. It was one of the best games I have ever seen from our Boys' team. Great job!

In addition to basketball, at halftime our Red Hots dance team performed at halftime, and all game, our Cheer was on the baseline in support of our teams! Great job, Dance and Cheer! Warriors, come out to the games, there is a lot going on, and it is always a fun night!

For current 8th grade students thinking about coming to Troy next year! **Our last Troy Tech, International Baccalaureate, Cambridge, or Honors placement testing is tomorrow, January 28th at Troy High School! Check in at 7:15am in the North Gym, which is building with the mural by the parking lot off Dorothy Lane. Here is more information on the testing at the link below.**

- **The Testing Application for Saturday is NOW closed.** However, applications are available at testing and walk-ins are welcome tomorrow, January 28, 2023!
- **Testing for Troy Tech, International Baccalaureate, Cambridge, or Honors placement:** January 28, 2023 (select one) from 7:30-11:45 a.m. Check-in at 7:15 a.m. on January 21<sup>st</sup> in the North Gym. Bring student photo ID or Passport and printout of 8th grade schedule listing current math course. Testing covers midyear eighth grade content in math and English, and the format includes multiple-choice questions and an English essay. The best preparation for testing is successful progress in a challenging eighth grade course of study. If you have any questions, email [troytech@fjuhsd.org](mailto:troytech@fjuhsd.org)

From Coach, Kurt Wahl, “Congratulations to the **Troy High School Olympiad Team** for taking first place at the prestigious **MIT Invitational**. This is the fifth time that the Troy Team has won at MIT. This year’s competition featured eight of the top ten teams in the Nation. The competition was close, but in the end, Troy finished 19 points ahead of Mountain View, a team from Northern California. The team had many outstanding performances, winning **12 medals in all**. The top medal winners were Bella Liu and Anne Hiraki who each won **four medals**!

*Melinda Ji won **three medals** and Ayushi Mehrota, Andrew Tsai, Ianna Lin each won two.”*

Our team is rolling! MIT Invitational Science Olympiad Champions! Let's go, Troy Science Olympiad!!!! Great job, Warriors!

FUNDS RAISED WILL HELP SPONSOR THE ADDITION OF A  
NEW COMPUTER LAB AT TROY HIGH SCHOOL

Prior to the pandemic, this event sponsored by our foundation, the **Troy Support Organization** and had tremendous community turnout. On February 3<sup>rd</sup> we are at Los Coyotes Country Club, which is a spectacular venue. In addition to dinner, silent and live auction items

donated by Happy Jewelers, Fratellino's, Aquarium of the Pacific, In-N-Out Burger, Broken Timbers, Summit House Restaurant, TAPS, The Blind Pig, LA Phil, and South Coast Repertory, to name a few will also be available for bidding for those in attendance. Our live entertainment is well-known magician, Mr. Jonathan Levit. [Jonathan Levit – The Official Site](#) Get your tickets!

There is awesome news at Troy High School in the world of Computer Science and in the cyber world of CyberPatriot competition!

Last week Troy High School was notified that our school is recognized by the College Board as one of 832 schools worldwide having earned the AP Computer Science Female Diversity Award for AP Computer Science Principles! This is a great achievement, and representative of our work supporting the desire and need to have more female representation in the world of Computer Science! There is more work yet to be done. Great job, Warriors!

In CyberPatriot, our students are doing well. Very well. Cyber Coach, Mr. Allen Stubblefield wrote, *“The CyberPatriot semifinals just wrapped up. 32 Troy teams and 20 of our supported middle school teams competed in a very, very tough six hour challenge with teams fighting for every point on Saturday, Jan 21. Pretty amazing to have about 2/3rds of our teams still competing after a long season - GO Troy Cyber! Currently, **Runtime Terror** is first in among all Navy JROTC and All-Service (JROTC, Civil Air Patrol, Naval Sea Cadets), setting*

*them up for a possible national championship run in Washington DC in March. This team won in 2021 and was 2nd in 2022. Is 2023 going to be another trophy year for them?*

*Two other Troy teams are in hunt for one of the 12 Open division spots: **Baboons Together Strong** and **CyberSpace**. The scoreboard only lists half of the possible points, and they have legitimate shots of being a nationals qualifier.*

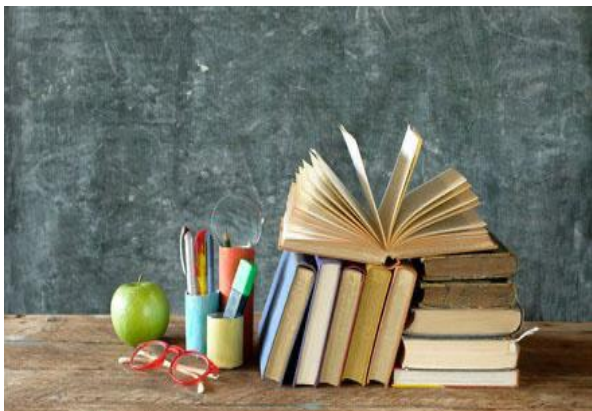

*We also have a middle school team from Cedarlane Academy, **BubbleGuppies**, that sits at 5th place, just 12 points shy of 3rd. To make it to nationals, they need to be in the top 3. There are 30 possible points not shown on the scoreboard, so they could be another team from Troy Cyber to make it to Washington later this spring.”*

Late to the press, preliminary scores show Troy’s NJROTC Runtime Terror team in 1<sup>st</sup> nationally, and our Open Team, Baboons Strong Together in 10<sup>th</sup> place in the Open Division. According to Mr. Stubblefield, if these scores hold, both teams will advance to the Nationals in mid-March! This means we have some paperwork to do for our superintendent and the Board! Our Cyber-Warriors and their coaches have very much gone above and beyond to do the work to be excelling in an area for which there is great need, and impacts all of us. Great job, Warriors!

This College and Career event is coming next month and will be held in our South Gym. and includes many of our local and regional Community Colleges, employers, and internship

programs which are available to all current seniors or underclassmen looking at all their options upon graduation from high school.

Two awesome people, indeed two very deserving Troy Family Members have been selected by our Troy Staff as our Certificated (James Kirkpatrick) and Classified (Iliana Garcia) as our 2023 Certificated and Classified Employees of the Year! Both of them are devoted to the students and community of Troy High School and each are truly masters of their craft. Mr. Kirkpatrick is one of the finest Science Teachers on the planet, and Ms. Garcia has no competition anywhere as a Library Tech. I cannot imagine Troy High School without either of them and all they do for our students. Congratulations, for both have been well earned!

Students, Teachers, and Parents, it is that time of year for the Local Control and Accountability Plan (LCAP) survey! Each of the aforementioned groups will receive via email today for a link to take the 2023 LCAP survey. Your input is very important as it key in decisions made on how to allocate State and federal resources in our school and district. Please take a few minutes to complete the survey as the window will close on Friday, February 3, 2023. Thank you in advance for taking the survey, and please look for the email this evening!

Sometimes there is no explanation other than Luna is Luna. Have a great weekend, and enjoy at least a day of sunshine, as there is winter weather and rain predicted for Sunday and Monday. I hope everyone has the opportunity to spend time with family and friends as we have almost wrapped up the first month of 2023! I will see everyone back here on Monday morning!
