

# TROY HIGH SCHOOL WARRIOR WEEKLY

October 20, 2023

*Drawn by resident artist, Mrs. Shannon Cogswell.*

Warriors, it has been another incredibly busy week as we wrap up the 1<sup>st</sup> Quarter of the school year today at 3:30pm! We are officially halfway through the 1<sup>st</sup> Semester! Students, I truly hope you have established the balanced life rhythm that has you feeling confident in your learning/education, family, and social lives. This is a balancing act that all of us are always endlessly refining. Please realize there is no one way to achieve our life balance goals, and remember, we are always here to help. Please communicate with your teachers, counselors, administration, family, and friends as we are all in the same boat together and we will all get where we are going by rowing the same direction. We are in the 2<sup>nd</sup> Quarter and on the downhill run to the end of the 1<sup>st</sup> Semester as of 3:30.01 seconds today! Let's go, Warriors!

We have a huge football game tonight against Sonora High School at La Habra High School at the La Habra FJUHSD field! Our Varsity team has been doing their job and making

the adjustments each week to win some exciting games! Tonight, we need your support at La Habra! If you want to see a great game in a fantastic football stadium, come out and support your Warriors in this matchup that has Freeway League Championship implications for Troy!

*Troy vs. Buena Park on their way to a 21-7 victory last Friday night!*

It is going to be perfect Fall weather for a football game tonight! Troy vs. Sonora High School at 7:00pm tonight! I will see everyone at the game tonight! Here is our Warrior Band at halftime

last week. Saturday they were in the Placentia Heritage Parade and took 1<sup>st</sup> place! Awesome job!

There is a tremendous amount of real talent at Troy High School. If you are a singer, please scan the QR code and come out and let us hear you sing! Last year was fantastic, and I think we can expect to hear some up-and-coming stars of the future!

The Fullerton Joint Union High School District is seeking Community input into a new Facilities Master Plan! Every decade or two, school districts need to take a look at all their facilities and properly evaluate if the schools are able to meet the educational needs of students. If you would like to be part of this process and contribute to the conversation on facilities needs and or improvements that would strengthen our schools and our ability to improve our educational opportunities for students, the meeting is in Troy's Library on November 2<sup>nd</sup>!

Tuesday night we held our Troy English Learners (EL) Night! Parents had the opportunity to hear and learn more about AERIES, Counseling, A-G, Mental Health Resources, and other academic opportunities at Troy High School, from the experts on our Staff! Welcome to Troy!

The information on FJUSHD Schools is outstanding and every school in our district has every right to be proud of the results! Great job, to everyone in FJUHS!

## Public Release

### FJUHSD Students Outperform County and State!

October 18, 2023

Dear FJUHSD Staff Members, Students, Parents/Guardians, and Community,

The statewide assessment, known as the [Smarter Balanced](#) exam, taken in the spring of each school year, is part of the statewide accountability system known as the [California Assessment of Student Performance and Progress](#), or CAASPP. The academic assessment covers three subject areas - English Language Arts (ELA), mathematics, and science, and is administered for students in grades 3-8 and grade 11. As FJUHSD is grades 9-12, **our results are for grade 11 only.**

Assessment results for the 2022/23 administration of the exam were [publicly released today](#) by the California Department of Education.

FJUHSD students outperformed the **statewide average** in all three subject areas in grade 11:

**12 percentage points higher in ELA**  
**17 percentage points higher in math**  
**10 percentage points higher in science**

FJUHSD students outperformed the **countywide average** in all three subject areas in grade 11:

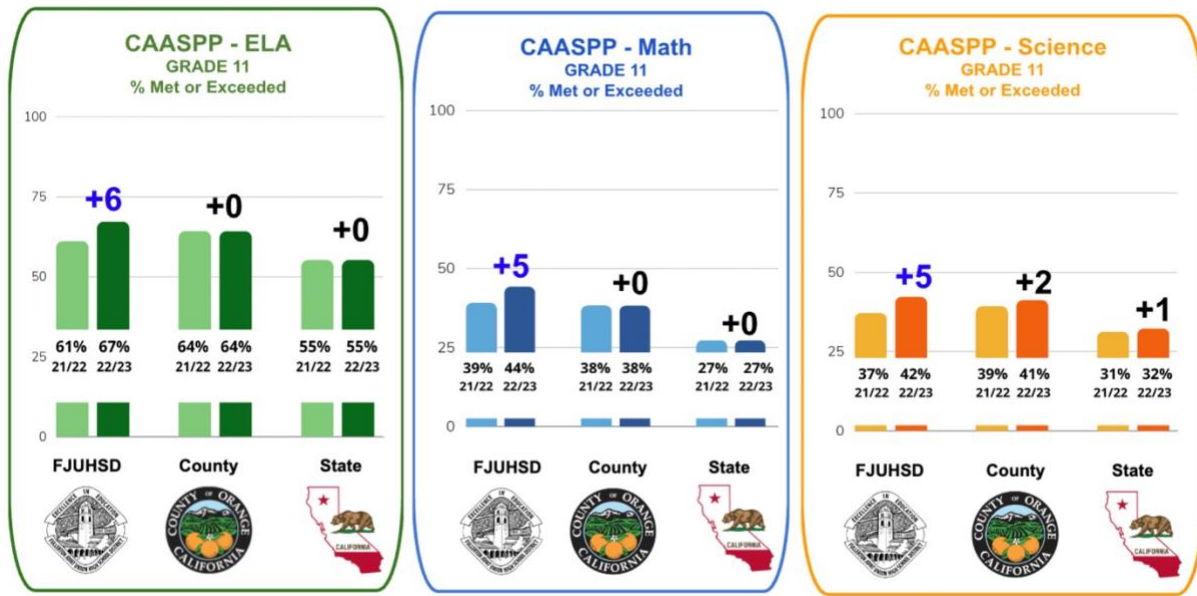

**3 percentage points higher in ELA**  
**6 percentage points higher in math**  
**1 percentage point higher in science**

FJUHSD is very excited and proud of our CAASPP results! We commend our teachers, staff, students, administrators, and entire educational community for their dedication to teaching and learning. We celebrate our staff's commitment to elevating instruction through the **SET for Success** professional learning series, the increase in wellness supports, and expanded student and parent engagement opportunities. These results are an affirmation that **FJUHSD is the Place to Be!**

Sincerely,

Steve McLaughlin, Ed.D.  
Superintendent

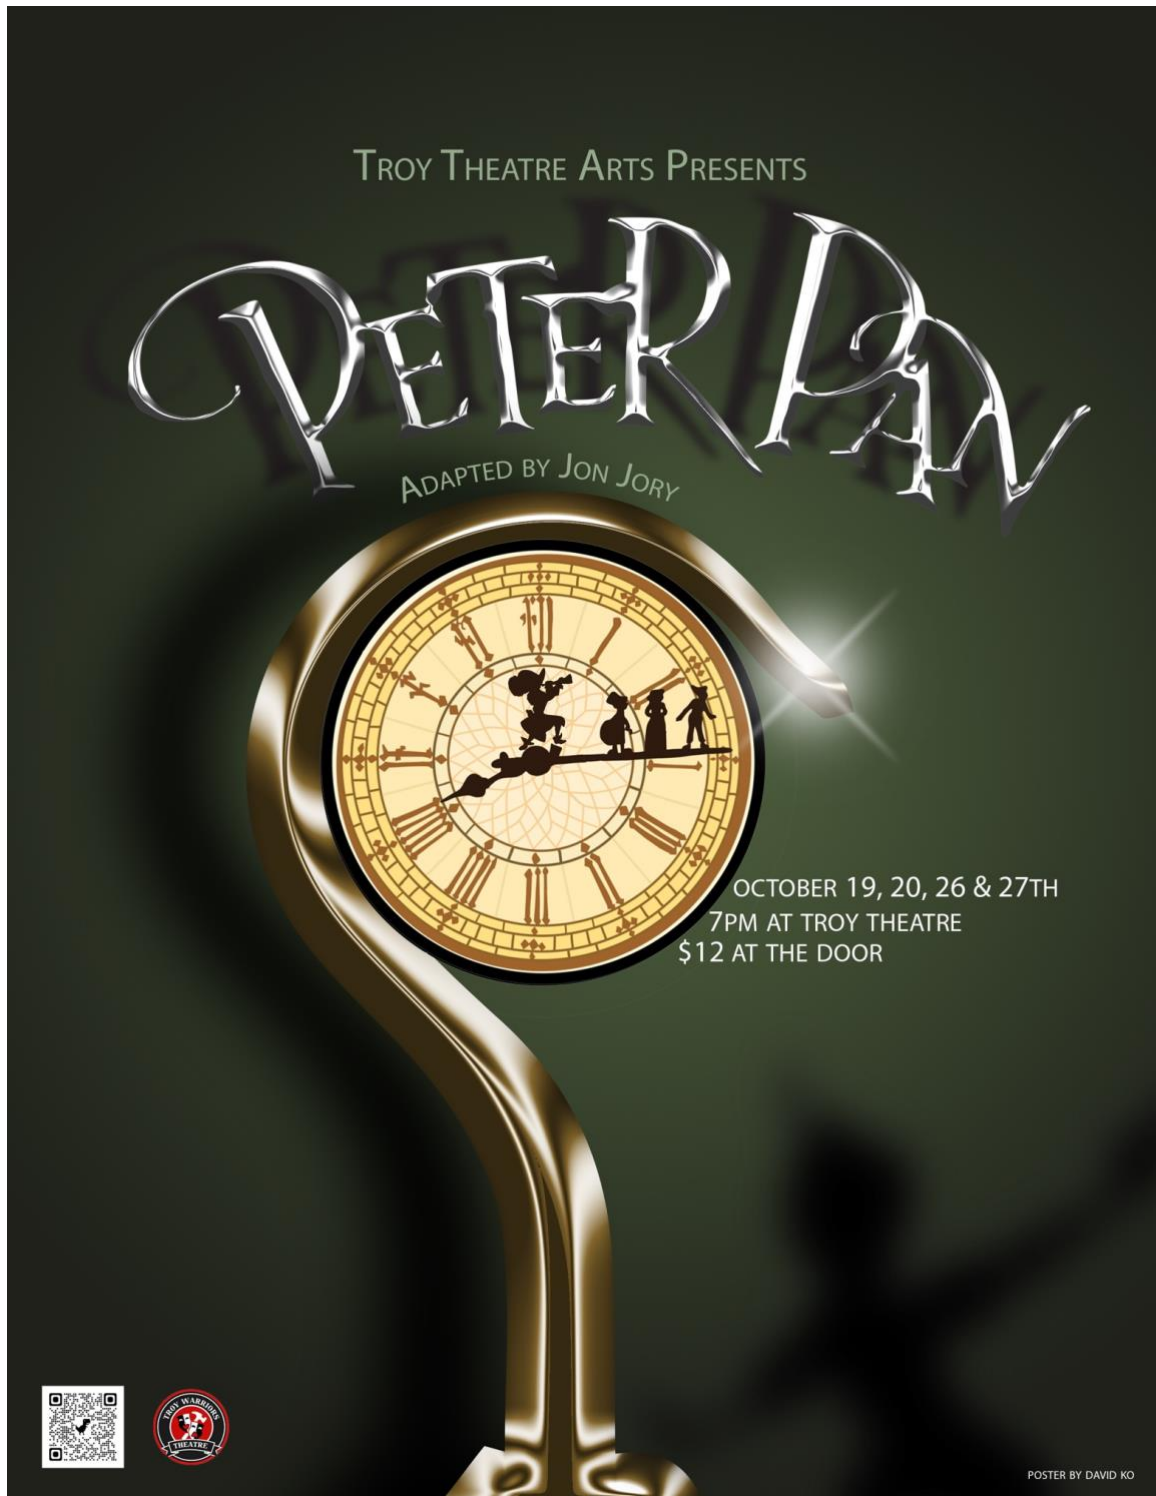

I am also proud of Troy High School and Staff and Students. In this chart are growth numbers, and while it may be assumed and that Troy is important in overall percentages, a key part of these charts is the growth. This year, while Troy does well in ELA and Math, we were not the drivers in most of the growth sections. Where we are the driver districtwide is in the Science section where we contributed 5.07 percentage points of growth (Troy is 72.09%). This does not mean we are all the district growth in Science, but we had a larger role in Science than the others were we contributed .75 percentage points of growth in Math (Troy is 74.88%) and .67 percentage points of growth in ELA (Troy is 86.65%). Again, congratulations to the entire FJUHSD and for another great performance by Troy High School's students and teachers for continuing to elevate our academic achievement on the CAASPP! Great job!

*Peter Pan* the play, is now in the Troy Performing Arts Theatre! Yesterday, was opening night, and already the reviews have been outstanding! You do not want to miss this show. Do not wait to buy your tickets! Here is a short video link for a preview of the play. Check it out!

*Mammoth Lakes, October 2023.*

Have a wonderful Friday and weekend! If you are not an outdoors person this is the weekend to try again. It does not get any better than this, so enjoy these warm Fall temps before we get significantly cooler weather and the possibility of some light rain early next week. Hiking, biking, running at the beach or in the mountains, all of it is going to be good this weekend. A great way to begin the weekend is at the football game in La Habra tonight! I hope everyone will have a wonderful weekend and have time to spend with friends and family. I will see everyone back here on Monday morning!
