

TROY HIGH SCHOOL WARRIOR WEEKLY

October 27, 2023

Drawn by resident artist, Mrs. Shannon Cogswell.

Warriors, it has been a busy week! I know, every week is a busy week but it is different now that we are on the backside of the 1st semester. With Halloween next week, Veterans Day in a couple weeks, and Thanksgiving break a month from now, we are about to be in the holiday season when we will begin to have days off. Students, this makes every school day you have for the rest of the semester that much more valuable as there are fewer school days in the second half of the first semester. If your learning and grades are where you want them, keep up the good practices that are contributing to your success. If you are not doing as well as you would expect, now is the time to make the changes. Communicate with your teachers, they are here for you and are your first tier of support. We also have additional layers of support for you, so take advantage of our extended library hours, Troy Central, Peer Tutoring, and our Counselors! Let's have a strong second half of the Fall Semester! Go, Warriors!

ATTENTION AP STUDENTS & PARENTS!

It is time to sign up for AP Exams! Due to the huge number of examinations taken by Troy High School students, we moved to the Total Registration online system for exam registration, cancellation requests, and payments. Below is the link to our Troy website where you can access both the information on AP Exam registration as well as links for tutorials on how to sign up for MyAP.

Students & Parents, do not delay! You must sign up for your AP Exams including payment by Sunday, November 12th. However, if you want to avoid late sign-up fees you need to sign up no later than Thursday, November 9th or a \$25 late fee will apply. If you wait until Monday, November 13th the late fee rises to \$40. Suffice to say, this is not a time where procrastination is a good strategy.

Last night our Boys' Water Polo took on La Habra High School in the Freeway League title match. The match was held at Buena Park High School last at 7:00pm. Our team did not wait to score and did so first taking at 1-0 lead. Then 2-0, 3-0...after first quarter we lead 4-2 and La Habra was coming back. At halftime we had a 6-4 lead. Scoring slowed a bit and at the

end of the third quarter Troy held a 9-7 lead. We scored again beginning the fourth quarter moving to 10-7, but La Habra scored with 4:19 left in the game to make it 10-8. Troy then held La Habra and went on to score two more goals winning the match and championship with a 12-9 victory! This was an awesome season and our players really turned up their game and are playing well! Congratulations to all our players, their coaches, Mr. Jason Wilson and Ms. Summer Driessen, and our awesome Water Polo parents and fans! I think all of us are looking forward to seeing our first-round match up! Great job, Warriors!

Last Friday night we had an important game against Sonora High School. Pictured above is one of our highlights from a game where if it could go wrong, it seemed like it did. Sonora played well, and deserved the victory. Tonight, we are going to bounce back and we have a chance to earn a portion of the Freeway League Championship. If we win and Sonora loses, there will be a three-way tie between Troy, Sonora, and La Habra. If Sonora wins, they are the Freeway League Champions outright. What we control tonight, is going out and winning this game against Sunny Hills! Gametime is 7:00pm at Buena Park High School! Come out and cheer our team on what will be a beautiful Fall evening. Let's go, Warriors!

The Fullerton Joint Union High School District is seeking Community input into a new Facilities Master Plan! Every decade or two, school districts need to take a look at all their facilities and properly evaluate if the schools are able to meet the educational needs of students. If you would like to be part of this process and contribute to the conversation on facilities needs and or improvements that would strengthen our schools and our ability to improve our educational opportunities for students, the meeting is in Troy's Library on November 2nd!

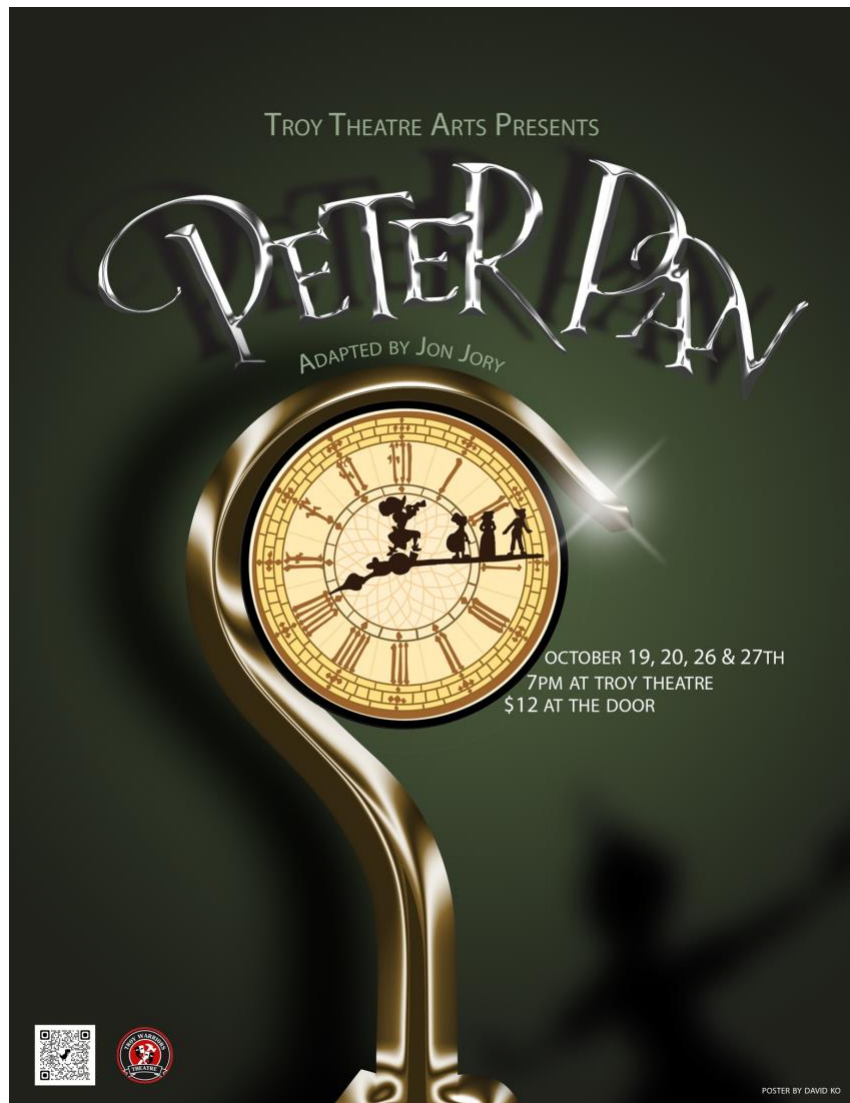

Counseling has been holding Time Management Workshops for students needing tips on how to make the most of their day. This is a picture of the Monday session and it was filled to capacity!

Tonight is the last night for *Peter Pan* in the Troy Performing Arts Theatre! You do not want to miss this show. This is the video link for the promo of the play.

Our NJROTC is a busy group. Last weekend they provided the color guard for the San Diego Loyal FC and they also met Rear Admiral Nowakowski, who I believe will also be at Troy for our Annual Military Inspection (AMI) on January 24, 2024! They will be ready for January!

Halloween Costume Rules

Tuesday, October 31st, 2023.

Everyone wants Halloween to be safe and fun for all Troy students and staff. Students and Staff may wear costumes on Halloween. Please be aware the following rules will be enforced:

1. First and foremost, the overarching parameters of the school dress code will be enforced. Common sense is strongly encouraged.
2. No masks covering the entire face may be worn or brought to school.
3. Students must be able to see and safely navigate school environments in their costume. Costumes that potentially endanger the wearer or those around them are prohibited.
4. **No weapons of any kind, real or fake.** No spikes, chains, or ropes may be brought to school. To bring any weapon, even a fake weapon to school – even on Halloween – will likely result in a suspension from school, and possibly an expulsion from FJUHSD.
5. Sunglasses must be taken off in the classroom.
6. No clothing or props that depict drugs/alcohol or explicit sex and/or violence may be worn.
7. For inappropriate costumes worn by students, Parent(s) / Guardian(s) for will be called and students will be asked to change and/or will be sent home.

Again, we want Halloween to be fun for everyone. If you have any further questions or concerns regarding costume ideas, please ask any school administrator **BEFORE** Halloween.

Students, these are the rules for Halloween costumes!

Luna is very excited for Halloween. Her costume was probably not her first choice, but she enjoys it and it is warm. There is irony in her costume, but you have to know the history of the boxer breed. ☺ Also, her costume complies with all Troy High School costume rules!

This is a Halloween party weekend, so if that is part of your plans, have fun and be safe! I hope everyone will have a wonderful weekend and have time to spend with friends and family. I will see everyone back here on Monday morning
