

# *TROY HIGH SCHOOL WARRIOR WEEKLY*

May 13, 2022

Warriors,

It is that time of year! AP, IB, and Cambridge examinations are going well, and we still have one solid week plus some Cambridge outlier exams dates on the fringe of the school year. The students taking those exams know who they are...☺ Meanwhile, all of us are hurdling towards June 2<sup>nd</sup> and the end of the semester! Senior Final Exams are May 25—27<sup>th</sup> leading into Memorial Day weekend, and then Final Exams for everyone else are May 31—June 2<sup>nd</sup>. Troy's graduation ceremony for our Class of 2022 is at 7pm on June 2<sup>nd</sup> at the Fullerton High School Stadium. Luna is counting down the days...13 school days left not counting today!

Today is Friday the 13<sup>th</sup> and it is going to be an awesome day. No silly superstitions about this date will sway this day for Warriors. Except for Friday the 13<sup>th</sup>, March 2020...that

particular one actually lived up to the superstitious hype as schools shut down and the COVID-19 pandemic began and changed the course of the past two plus years, and could still impact us over the summer. COVID-19 and the numerous variants are still with us, so vaccination remains our best defense to fight this disease. Yesterday, President Biden ordered all flags lowered to half-staff in memory of the 1,000,000 American deaths from COVID-19. All of us know people that have contracted COVID-19, and some also personally had COVID. Many of us know have lost family and friends to this disease, which is true for me. As we wrap up the school year and move into our summer vacations and have a “normal” summer, recognize the pandemic is moving into the endemic phase, but could still have some backsliding impacts on all of us if rates climb to the point where mask mandates, etc. return. In the end, we will get through this pandemic. Working together, we will be stronger when this is over. Go, Warriors!

At the FJUHSD Board Meeting on Tuesday night, Troy junior, Ms. Mi Ya Hsueh was recognized as the Student Board Member Vice Chairperson for the 2022-2023 school year! Behind her is our outgoing Student Board Member Vice Chairperson, Atticus Kim who will be attending USC next fall! Congratulations to both our Troy, Warriors!

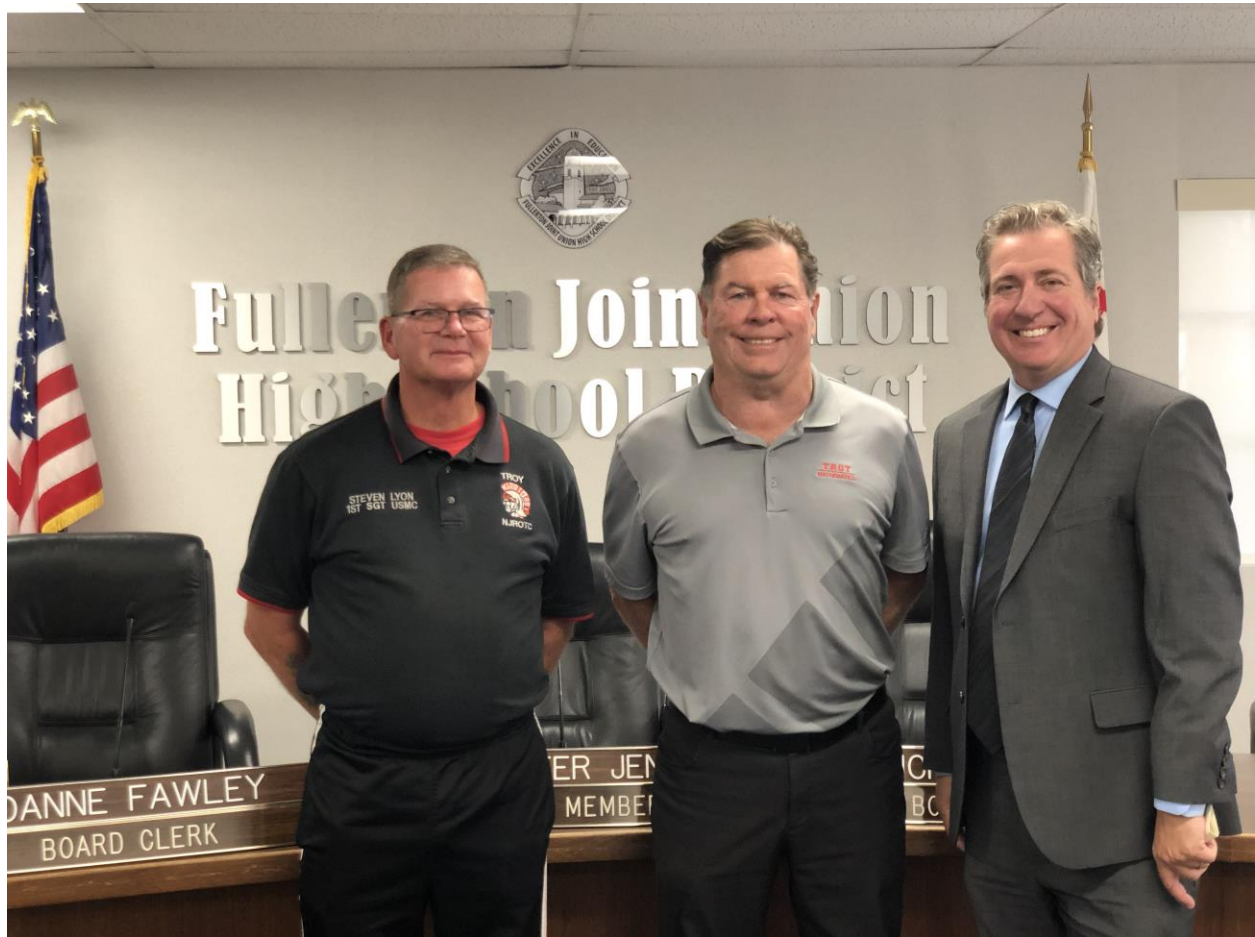

On Wednesday evening at the Hacienda Golf Club, FJUHSD Board Member, Dr. Chester Jeng invited eight seniors, seven from FJUHSD to be awarded scholarships in the amount of \$1000 each. Two of the students, Mr. Alejandro Mason, and Ms. Tessa Young were recognized by the Los Compadres Club of La Habra Heights. Dr. Jeng has been a member of the Los Compadres Club for nine years and has presented these awards for the past seven years. Dr. Jeng wrote, *“As a member of the Los Compadres Club, I would like to invite Superintendent McLaughlin, Principals Eeles and Mynster and Dr. Zener as my guests at this event. It is a night we can celebrate the success of our students and their achievements...and it is always a feeling of pride to see our students receive these scholarships.”*

Dr. Jeng was right, it was a wonderful event, and seeing all the students recognized for their achievements has the highlight of the evening! Thank you to the Los Compadres Club of La Habra Heights for recognizing these amazing students!

Prior to the Tuesday night Board of Trustees meeting the Annual FJUHSD Retirement Reception was held. Representing Troy's 2022 retirees are 1<sup>st</sup> Sgt. Steve Lyon with 27 years of service to Troy and a founding member of Troy's NJROTC. Also representing Troy is Mr. Jerry Cowgill, with 25 years at Troy High School teaching mathematics and two decades of coaching Boys' and Girls' Golf teams, not the mention the Girls' California and National Championships! We wish both Steve and Jerry happy, healthy, and long retirements! Both of them will be greatly missed, not forgotten, and welcomed back to visit and perhaps substitute teach as needed? ☺ Congratulations to both Mr. Jerry Cowgill and 1<sup>st</sup> Sgt. Steve Lyon! Warriors, forever!

It is going to be a brief hit of summer weather starting today! We will be in the 90 degree range until Monday when we will slide back into the 70's and stay there for a while. While we are all busy and rushing about through the end of the semester, take a little bit of time to enjoy the outdoors, or whatever else you would like to do and rest and relax. Pictured above from last weekend, I was attempting to take my seat to watch some sports, however Luna had other ideas and we ended up going for a three mile walk. Only upon completion of the walk, and Luna falling asleep on the cool tile floor, was I able to watch my F1 race in Miami on T.V. ☺ Have a wonderful weekend and I will see everyone back here on Monday!
