

TROY HIGH SCHOOL WARRIOR WEEKLY

September 22, 2023

Drawn by resident artist, Mrs. Shannon Cogswell.

Yesterday was the last day of Summer and today the Fall season begins. Thankfully, we are enjoying what is quite possibly the best weather in the nation right now. Warriors, you have completed six weeks of the 2023-24 school year and the first Progress reports on grades are done. Students, keep up the good work, continue to communicate with your teachers and counselors, and take advantage of the many different supports that exist at Troy for you. Additional help from your teachers, Troy Central, Peer Tutoring, The Lounge Wellness Center, Counselors, and Administration are here for you! It is a great day to be a Warrior!

Last Friday night, our Choirs performed their first concert of the year with their spectacular Fall Concert! All the choirs and entire concert were fantastic, and there was no indication that we were only a little more than a month into the school year! There is so much demand for these shows, I am hopeful they will move to having more than one performance to enable more of our community to experience how fantastic they sound! Thank you to all our students and their Choir Director, and Troy grad, Mr. Mark Henson! Great job, Warriors!

As all of us here at Troy know, Club Rush is the opportunity for students to join clubs, was held this past Wednesday and Thursday at lunch. In this panoramic picture it is possible to get some idea of how spread out the entire event was over lunch for two days. It was controlled chaos, but everyone was having fun, and there were even some dance performances and music

for entertainment! I would encourage every student to join one or two clubs that pique your interest. Clubs are a great way to get to know more people, get involved, and in many cases give back to our society and community. Let's go, Warriors!

Troy's Club Rush, 2023.

It has been a busy week in athletics for Troy and our Freeway League, so here we go! We will begin with Boys' Varsity Water Polo defeated Fullerton High School. Girls' Tennis defeated both Fullerton High School and La Habra High School, also in Freeway League play. Girls' Volleyball defeated Buena Park High School, but lost to Sonora High School (we will win next time). Girls' Golf defeated both Buena Park High School and Sonora High School.

Yesterday, our Freshmen and JV football teams were both defeated by Seagerstrom High School in close games. Our Varsity Football team is away tonight and plays Seagerstrom at 7pm. Santa Ana is not too far away, so if you feel like a short drive to watch some great high school football, tonight is the night!

If you would like to stay closer to home tonight, including dinner, there is a Dance fundraiser that will be held in our North Gym beginning at 6:30pm! This event is a lot of fun and worth an evening out to support a truly outstanding Troy High School Dance Team!

Our NJROTC had another busy week. Over the weekend our 9th grade cadets went through their version of boot camp with the Basic Leadership Training (BLT) event held from Friday night to Sunday morning. Pictured above is the graduation ceremony for our cadets with their parents in the stands.

On Wednesday, with 1st Sgt Barnes and Commander Lauper, some cadets went down to a conference in San Diego in which they were able to meet a number of Admirals and a Marine General. I have attached a few photos below and on the next page showing some of the people they met as well as some aircraft they were able to see and touch.

Fall 2023 Schedule Change Policy

In FJUHSd, the Fall semester deadline to drop an additional class and/or drop course levels (i.e., H/C/IB/AP to the lower level provided there is space), is Friday, October 20th, by 3:30 PM. Per district policy, students in grades 9-11 must be enrolled in a minimum of (6) classes and 12th graders must be enrolled in a minimum of (5) classes. For either change, students must see their school counselor in person before 1st period, at break, lunch, or after 6th period. Parent/guardian permission is required to make any changes.

Our student Wellness Center, “The Lounge” continues to expand its hours of operation as we are able to be reliably staffed. We are moving towards getting the Lounge open Periods 1-6, Break and Lunch of everyday. I believe we will get there soon. The Lounge is a tremendous first resource for our students, and to use this resource, any student must present the Lounge release slip from their teacher to the Counselor in The Lounge. That slip will be returned to the teacher who issued the release slip to the student.

Parents, if you have a child that is a non-native English Learner at any proficiency level you may want to consider joining Troy's English Learner Advisory Committee (ELAC). Our next ELAC meeting will be on October 17th and you may either join in person or via Zoom.

As I previously wrote, the last day of Summer was yesterday and the Fall Season technically begins today. What I really mean is the autumnal equinox is 6:04pm today, September 22, 2023. I know I have hoping for an early Fall Season and my boxer doggie, Luna is also ready for the cooler temperatures. Luna is already in the spirit of the season which also means that Halloween is right around the corner!

If ever there were a weekend to get outside and enjoy the outstanding weather, this will be the one! Get some fresh air, hiking, biking, walking, running, boating, swimming, walking the boardwalk at the beach, or outdoor shopping...whatever will get you outside enjoying the day with family and friends!

Have a fantastic Friday and a wonderful weekend and I will see everyone back here on Monday!
