

WE ARE DANCE

Fullerton Union High School (FUHS) is a destination for the Performing Arts in Fullerton and the surrounding community. **Dance** is one of many things we do exceptionally well. The Dance curriculum focuses on learning a variety of dance styles including ballet, jazz, contemporary, hip hop, social dance, tap and musical theatre. Our more advanced courses increase their technicality while diving into dance composition and performance production.

COURSES

Dance offers diverse coursework to meet the needs of students who have a passion for dance. Course offerings include:

- Introduction to Dance
- Intermediate Dance*
- Advanced Dance*
- Dance Production*

**Admittance to this course is by audition only*

ACCOLADES

- Student Choreography selected for CDEA Festivals
- Dance Production members selected for USDA All American

You have to love dancing to stick to it. It gives you nothing back, no manuscripts to store away, no paintings to show on walls or hang in museums, no poems to be printed and sold, nothing but that single fleeting moment when you feel alive

ALICE CHUN (Class of 2018) "The FUHS Dance Program was the highlight of my time at FUHS! Being on Dance Production helped me come to a deeper appreciation for dance; not just the technical aspects, but also its versatility in defining movement. I am especially grateful for the opportunities I had to choreograph various pieces, as well as the master classes and workshops we had, which expanded my artistic knowledge and further inspired me. The supportive team environment encouraged everyone to grow in their unique way, and spending time together outside of class led to a beautiful bond of friendships. FUHS Dance truly embraces individuality and unique skillsets, while still encouraging a cohesive team mindset, which sets it apart from other dance programs."

JOYCE KIM (Class of 2019) "Being involved in FUHS's Choral Program has opened up so many doors for me. Having so much support and encouragement from not only the choral directors, but also my peers has fueled my passion for singing and music. All the practice and technique work I've learned in Fullerton's choir has equipped me better than the average student at my new college. FUHS's Choral Program is incredibly supportive and helps their students to become skilled in a wide variety of technique, skill, and performance capabilities.
