Meeting Minutes for April 7, 2021

1. Welcome Berta Garcia

Meeting called to order at 3:20PM.

2. Approval of [3/3/21 Meeting Minutes](#) Berta Garcia

Motion to approve by Maya and 2nd by Cristina

3. Principal's Update Matt Eeles

Senior Activities and Graduation plans in discussion now. Top-100 tonight in the PAC in person. CAASPP Testing coming this next week followed by AP Testing in May. AP Testing will be in-person and with paper and pencil. WASC notified us that our WASC visit will be postponed for a year but we will still be working toward completing our self-study prior to the visit. Tea with Mr. E continues weekly on Wednesdays. Board Meeting last week recommended a return of Cohorts A and B to in-person instruction for four days a week. District and FSTO are in negotiations about this potential return. Spring Semester Finals format is still being discussed. Summer School format also in discussion as well.

4. CAASPP Craig Weinreich

State testing will only be for Juniors in English and Math. English tests during their English classes and Math tests during their US History classes. A special bell schedule will become available later. These tests were not taken last year. Why did the Science test sections get canceled? We are unsure why/what specific reason.

5. SPSA Approvals and Updates Craig Weinreich

- Albert.io / Listenwise / Naviance
- Athletic Trainer Room / eSports Room / PAC / Library

The above online programs are resources for our teachers and counselors to help supplement. Listenwise has been used by the English department to get ready for English testing. It will continue into next year. Naviance is used in the Counseling Department and will continue. It is used to track post-graduating students. These

expenses will be sent to the board for a formal approval. They have a verbal approval today. The athletic training room has been moved to a central location in a larger room. It doubles as a Sports Medicine classroom. The eSports Room will be improved and future gaming computers will be purchased. We use eSports as an outreach. The welding install was completed, some new booths and ventilation systems were installed. Organization and shelving for the Performing Arts and Band storage systems. New, minor cosmetic enhancements in the library.

6. New Agenda Items for Next Meeting Berta Garcia

No new items presented.

7. Upcoming 2020/21 Meetings** Berta Garcia

May 5, 2021

**All meetings held @ 3:15 pm via Zoom until further notice.

Meeting adjourned at 3:41PM PST by Berta Garcia.
